## **Reunion With Source:**

**Reunion with Source** Cazekiel (Spirit), James Gilliland, 2001-05      Family Reunion: Taking it to the Next Level Regina Mason, 2011-08-29 Family Reunion Taking it to the next level is a book written as a step by step guide to researching your family's history and successful family reunion planning. It was written for those who desire to take their family reunion to the next level from the backyard to the hotel courtyard from local to national and from one branch to multiple branches of the family tree. This book is useful for both the novice and the more experienced family historian, genealogical researcher or reunion organizer. TOPICS COVERED: Family History Research, Family Trees and Genealogy, Software, Navigating Online Genealogy Databases, Records, Genetic Genealogy and DNA Testing, Preserving and Sharing the Family History, Family Reunion Planning, 24 Month Family Reunion Timeline Planner, Reunion Invitations and Letters, Organizing Reunion Planning Committees, Responsibilities of the Reunion Planning Committees, Subcommittees, Budgeting and Financing the Reunion, Activities, Games, The Reunion Tee shirt, The Family Reunion Souvenir Book, Creating a Family Website      Becoming Gods James Gilliland, 1998-03-01      **The Palladino Family in America** Peter August Hoetjes, 2004 The family surname is derived from the Italian first name Paladino. The first recorded Paladino was a medieval knight and the nephew to the Holy Roman Emperor Charlemagne 742-814 AD. Many romantic fables are told of Charlemagne and his paladins. The most famous of the paladins was Roland, the favorite nephew of Charlemagne. It is Roland the Italian bestowed by Charlemagne with the name Paladin who may be our famous ancestral noble Cavaliere. That all Palladino's and modern day Pauldine's are descended from genealogy and objective interpretation of these topics can spell the difference between real family history and fanciful family folklore. It is in a whimsical and fanciful vein that I portend that the Palladino and modern day Pauldine clan is in some way related to the famous Holy Roman Emperor Charlemagne and his equally famous nephew Roland the Paladin. But who knows? Perhaps a future Palladino explorer with the inclination and more importantly possessing very deep pockets might one day embark on the eternal quest for the truth and in the process even perchance recover Roland's magical sword Durandal.

**Voices of the Left Behind** Olga Rains, Lloyd Rains, Melynda Jarratt, 2006-02-25 Voices of the Left Behind contains the personal stories of nearly 50 Canadian war children who have been helped by Project Roots. It is filled with fascinating archival images and documents as well as original wartime correspondence between the mothers, the Canadian fathers and the Department of National Defence Veterans Affairs and other Canadian institutions. Letters from the war children to the Military Personnel Records Unit of the National Archives of Canada illustrate the historic pattern of denial. What these institutions all have in common is their consistent refusal to help war children find their Canadian fathers. Introductory essays frame the subject and give a historical context to the tragic situations these women and their children found themselves in.
