Revealing the Heart of the Father to a Fatherless Generation Paul Daniel, 2001 Unlocking the Third Reformation

Sarel van der Merwe, 2022-03-27 Where are you in your spiritual development as a child of God Are you out of Egypt the land of slavery or in the wilderness living from bare necessities Or are you entering the promised land abundant life in Christ Jesus and a land overflowing with milk and honey Sarel van der Merwe a dynamic teacher of God's truths reveals insights that will help you move closer to God the Father as a radical Jesus disciple Learn how to cultivate an intimate relationship with and be filled with the fullness of the Holy Spirit pray effectively with authority and power as a son or daughter of Almighty God experience the true value and meaning of a journey to maturity with God The author uses the image and allegory of the three room tabernacle of Moses the temple of God and the earthly manifestation of the presence of God to explain the unique New Testament three fold process of personal and church life reformation into Christ The tabernacle model can be used as the basis for your three fold Reformation journey that will help you become mature in Christ **The**

Father's Heart Caleb Plumb, 2013-11-27 There is a revolution happening right now all over the world as believers in Jesus Christ are rediscovering the words of Jesus I came to reveal the Father John 1:18 When you learn to live life with an awareness of and attention to the Father's presence everything changes Believers move from religion to relationship Faith in God shifts from duty to an exciting journey Imagine you could live with a supernatural confidence that your Father in heaven loves you is all powerful and is always with you How would that change your life What if you also discovered you could hear His voice and feel His presence every day This book was written to encourage every believer to walk in this reality The Father's Heart consists of personal stories from author Caleb Plumb's life He details triumphs and mistakes of attempting to live on fire for God He pulls back the curtain to his prayer life dreams visions and supernatural encounters with a desire to inspire others to pursue the presence of God He writes in the spirit of Jeremiah 29:13 You will seek me and find me when you seek me with all of your heart **Heart of an Apostle** Pete Beck, Jr., 2007-10-01 After many years of experience with

churches I observed that the maturing of the churches in general was being thwarted by the lack of genuine apostolic and five fold ministry The book was written to illustrate the need for genuine apostolic leadership from the heart of maturity Most books about apostolic leadership although good and helpful were more or less written from the point of view of application and performance of ministry rather than from the aspect of heart Key editorial points are Why we need each other The marks of a true apostle and how to recognize them The need for a team spirit Passing the baton to future leaders This book will throw great light on the understanding of those who want to see true oversight work in churches and the blessing it will bring to all concerned **The Heart of a Father** Ken Canfield PH.D., 2006-04-01 Every father has a hidden longing to see

his children surpass him To help him achieve this Ken Canfield offers a three part plan First a dad should examine his own heart Next he should take steps to improve the way he connects with his children Lastly he should take a longer range view

and plan specifically for a lifetime of involved fathering Canfield's plan addresses a father's past a father should resolve his relationship with his own father in order to effectively build a relationship with his children Canfield also explains how to build the four walls or dimensions of fathering involvement awareness consistency and nurturing He then supplies a plan for the future From being a new father to being a grandfather dads face challenges at each stage of their life With the long range perspective this book provides fathers can anticipate and prepare for the changing situations they'll face Based on years of careful research involving thousands of fathers this book is a solid reference tool for dads
