Hanegraaff,2018-09-24 Recent years have seen a spectacular rise of the New Age movement and an ever increasing interest in its beliefs and manifestations This fascinating work presents the first ever comprehensive analysis of New Age Religion and its historical backgrounds thus providing the reader with a means of orientation in the bewildering variety of the movement Making extensive use of primary sources the author thematically analyses New Age beliefs from the perspective of the study of religions While looking at the historical backgrounds of the movement he convincingly argues that its foundations were laid by so called western esoteric traditions during the Renaissance Hanegraaff finally shows how the modern New Age movement emerged from the increasing secularization of those esoteric traditions during the 19th century This ground breaking publication is compulsive reading for all those involved or interested in the New Age movement

The Christian Countercult Movement Douglas E. Cowan,2023-08-24 Many seemingly strange questions on yoga salvation religious pluralism and so forth have been actively debated among members of a small but influential group of evangelical apologists known as the Christian countercult movement This Element explores the history of this movement from its origins in the anti heresy writings of the early church to its modern development as a reaction to religious pluralism in North America It contrasts the apologetic Christian countercult movement with its secular anticult counterpart and explains how faith based opposition both to new religious movements and to non Christian religions will only deepen as religious pluralism increases It provides a concise understanding of the two principal goals of Christian countercult apologetics support for the evangelization of non Christian believers and maintenance for the perceived superiority of the evangelical Christian worldview

**The Debaters of This Age** Steven H Propp,2019-02-05 It is June 2018 as an unusual group of scholars professors lecturers and students gather in a California hotel They are all attendees of an Apologetics conference intended to join qualified representatives of Christian Deist and Atheist thought for a two week no holds barred debate and discussion of their respective positions that will ultimately be included in a book published after the conference Evangelical Christianity is represented by advocates of Evidentialist and Presuppositionalist approaches to Apologetics Catholicism liberal Christianity and Deism are also well supported The Atheist perspective is advocated by a polemical author and a college professor notorious for attacking the views of his Christian students As the participants argue over controversial issues such as cosmology evolution The Bible historical evidence for Jesus the resurrection biblical prophecies and the problem of evil intellectual fireworks result But what will result when such a volatile and eclectic group is placed face to face for more than two weeks The Debaters of this Age is the tale of what happens inside a California hotel in 2018 when a group of intellectuals gather to vigorously discuss the religious issues of our time

*Deceived by the Light* Doug Groothuis,2002-01-22 Can we really know what waits for us in the afterlife Deceived by the Light affirms that the Bible alone reveals all we need to know about life death and eternity In the fascinating mystical world of near death experiences Betty Eadie s testimony is most extraordinary In her widely read bestseller Embraced by the Light she claims she met and conversed with the Lord Jesus Christ and received amazing revelations about spiritual progression death and the afterlife Was Eadie s experience for real And what about the many other near death testimonies that speak of visits to heaven or hell are they credible Should we believe their messages Doug Groothuis a well respected expert on new religious movements takes us to the clear teaching of Scripture for some surprising answers Along the way he clearly addresses the fears and questions many people have about death and what comes after

**Christian Responses to the New Age Movement** John A. Saliba,1999 For Christians the first encounter with the New Age Movement may prove confusing On the one hand there is an attraction in New Age ideology

and ritual practice but on the other this very attraction raises theological and pastoral questions for the Churches whose responses have been ambiguous and conflicting The author analyses the real challenge the New Age offers the Churches today and gives an overview of the way in which Christian groups have responded to it **True Truth Art**

Lindsley,2004-04-08 Art Lindsley ably demonstrates that faith in Christ is necessarily opposed to and incompatible with the abuses of oppression arrogance intolerance self righteousness closed mindedness and defensiveness Surprisingly he shows that it is relativism which often harbors dangerous inflexible absolutisms **Love, the Ultimate Apologetic Art**

Lindsley,2009-09-20 Defending the Christian faith is a multidimensional task But central to that task must be the presentation and example of the uniqueness of Christian love Author and apologist Art Lindsley explores the persuasive and illuminating power of Christ like love expressed in commitment conscience community and courage Such love Lindsley shows us does indeed bear ultimate witness to the living truth of Jesus Christ **Women Caught in the Conflict** Rebecca M.

Groothuis,1997-07-16 The goal of this book is not to analyze the competing viewpoints women s equality versus traditional family values in any depth but simply to step outside the familiar rhetoric in an attempt to obtain a view of the Big Picture The aim of this inquiry is a clearing of the conceptual atmosphere **The Case for Heaven** Lee Strobel,2021-09-14

*Nicholas Roerich* John McCannon,2022-11-15 Russian painter explorer and mystic Nicholas Roerich 1874 1947 ranks as one of the twentieth century s great enigmas Despite mystery and scandal he left a deep if understudied cultural imprint on Russia Europe India and America As a painter and set designer Roerich was a key figure in Russian art He became a major player in Diaghilev s Ballets Russes and with Igor Stravinsky he cocreated The Rite of Spring a landmark work in the

emergence of artistic modernity His art his adventures and his peace activism earned the friendship and admiration of such diverse luminaries as Albert Einstein Eleanor Roosevelt H G Wells Jawaharlal Nehru Raisa Gorbacheva and H P Lovecraft But the artist also had a darker side Stravinsky once said of Roerich that he ought to have been a mystic or a spy He was certainly the former and close enough to the latter to blur any distinction His travels to Asia supposedly motivated by artistic interests and archaeological research were in fact covert attempts to create a pan Buddhist state encompassing Siberia Mongolia and Tibet His activities in America touched Franklin Delano Roosevelt s cabinet with scandal and behind the scenes affected the course of three US presidential elections In his lifetime Roerich baffled foreign affairs ministries and intelligence services in half a dozen countries He persuaded thousands that he was a humanitarian and divinely inspired thinker but convinced just as many that he was a fraud or a madman His story reads like an epic work of fiction and is all the more remarkable for being true John McCannon s engaging and scrupulously researched narrative moves beyond traditional perceptions of Roerich as a saint or a villain to show that he was in many ways both in equal measure

Artificial Intelligence, Reincarnation, and Resurrection Ernest M. Valea, 2021-04-29 This book explores old and new hopes that have emerged in the human quest to defeat death On the one hand it answers questions such as Are we just physical machines of great complexity with the brain as the hardware on which consciousness operates as its software If so can we speculate on ways in which the mind could be uploaded to a machine and no longer suffer the frailty of this biological body And could an android robot or a mindfile in a computer simulation be conscious On the other hand the book examines the hope of survival through reincarnation according to the teachings of Eastern religions and New Age thought All these topics are discussed from the perspectives of Christian theology and the philosophy of mind This dual investigation will help Christians formulate a coherent response to old and new challenges to their faith

**God among Sages** Kenneth Richard Samples, 2017-01-31 Was Jesus just a spiritual leader like Buddha Krishna Confucius and Muhammad Or is he something more something else entirely In God among Sages apologist Ken Samples offers readers a biblical and historical portrait of Jesus grounded in the claims Jesus makes about himself Then Samples compares and contrasts Jesus with Buddha Krishna Confucius and Muhammad using eight relevant categories of evaluation He also helps readers understand the competing philosophies of religious pluralism inclusivism and exclusivism The result is a clearer understanding of what sets Jesus apart as not simply a teacher to follow but God himself worthy of our full allegiance and worship Christians who struggle to answer claims that Jesus was just a good teacher as well as those haven t quite made up their minds about Jesus s claims to divinity will value this accessible introduction to comparative religions

Bearing False Witness? Douglas E. Cowan, 2003-05-30 From Hare Krishna to the Latter Day Saints and from Jehovah s Witnesses to the New Age religious pluralism in North America presents evangelical Protestantism with significant challenges Declaring newer religious groups cults aberrant sects and heretical religions the Christian countercult movement has warned that these groups represent a threat to society In

Bearing False Witness R Cowan considers the Christian countercult as a whole locating it in sociological perspective as an entity distinct from the secular anti cult Through his analysis the author argues that the primary purpose of the countercult movement is to reinforce and repair the Christian worldview when it appears threatened by the advent of alternative religious traditions This unique analysis of the Christian countercult helps explain why conservative Christian responses to competing religious movements have taken the form that they have in addition to how those responses are carried out Unlike the anti cult movement which is concerned with removing individuals from cults and returning them to their families the Christian countercult movement according to the author attempts not only to remove cultists from the negative influences of the cults to which they belong but also to insure that they will join the particular version of Christianity adhered to by the countercultists themselves Beginning with the countercult s early history the author provides an historical account of the movement and its present activities Since the rise of new religious movements the growing interest in religions imported from outside North America and the broadening of the religious marketplace continues to grow understanding the Christian countercult and its presence as a countervailing pressure to these increasingly socioreligious dynamics becomes ever more important

**Matthew** Craig S. Keener, 1997-08-08 Matthew was the most popular gospel in the early church widely read for its clear emphasis on Jesus teaching Craig Keener expounds the text as a discipleship manual for believers today
