Revelation A Mebage Of Hope For The New Millennium:

Spirits, Angels, Demons, and Gods Don Little, 2010-03 The Paradigm Prophecies Richard Francis Moore, 2016-08-12 The Paradigm Prophecies fuses prose and poetry in a unique format It supports the healing energies of family friends communities and all the cultures encircling the globe potentially nurturing the entire population of the planet now and in the future Consciousness in Action Andrew Beath, 2005 Featuring the thoughts of Julia Butterfly Hill Deena Metzger Joanna Macy John Mack and others this inspiring dialogue between environmental and spiritual activists centers on the seven attributes of consciousness that they have employed in their activism Word of Faith Preachers Joseph T. . Bachota Jr, 2010-06-16 Have you ever wondered about the correctness of the messages and teachings of preachers behind the pulpits and on TV today Who holds them accountable for explanations and outlines of the truth Who questions them or anything they say With sound biblical exegesis this book challenges you to keep an open mind and determine for yourself what is true or false As an ordained Word of Faith preacher Joe Bachota has firsthand knowledge of the doctrines being preached Word of Faith Preachers isnt meant to be an exhaustive discussion of every doctrinal position taken by the movement Instead it explores a few of the major heresies the Word of Faith churches are teaching with the goal of preventing you from being led astray if you are exposed to them Even though Bachota once believed preached and taught most of these doctrines the Lord has led him in another direction opening his eyes to the heresies contained in some of the Word of Faith doctrine Hopefully this book will lead you in the same way and enable you to come to the same conclusion he did the teachings of many churches today particularly Word of Faith churches are completely out of touch with sound biblical <u>Lucid Waking</u> Georg Feuerstein,1997-08-01 A noted scholar of Eastern philosophy explains how to make the doctrine experience of heightened awareness a part of everyday life and how this can transform the planet Lucid waking means bringing an intense awareness to the business of living by meeting the challenges of existence sanely creatively and philosophically It is the goal of all the great spiritual traditions of the world Georg Feuerstein shows how this awareness is quietly emerging in individuals in the West after a prolonged spiritual slumber Lucid Waking shows us that it is possible to be so vividly engaged in life that it will seem as though others are sleepwalking by comparison Feuerstein brings clarity to the often murky concepts of soul spirit imagination wholeness and enlightenment providing a sensible accounting of higher consciousness and self transcendence in modern life as we approach the millennium Rich with philosophy and insight from one of our most gifted chroniclers of the inner experience Lucid Waking is a statement of unshakable faith in the great potential of humanity God Betrayed Jerald Finney, 2008-08 God Betrayed explains 1 the biblical principles concerning government church and separation of church and state which one needs to know in order to understand the First Amendment and why it was adopted 2 the history of the theological warfare in the colonies that eventually resulted in the adoption of the First Amendment 3 how and why soon after the ratification of the Constitution and the First Amendment many churches

subjected themselves to the state 4 how the Supreme Court has used the First Amendment religion clause to remove God from practically all civil government affairs 5 how civil government entices many churches to abandon their Supernatural and First Amendment freedoms and 6 how churches in America can operate totally under God and free from any control by civil government After graduating from college in 1970 and serving as an army officer in the Viet Nam conflict Jerald Finney worked for the railroad and then started and operated a photography studio in Fort Worth Texas He was saved in 1982 God called him to enter the legal profession He entered the University of Texas School of Law in 1990 and was licensed to practice law in 1993 Since that time the Lord has guided his career In 2005 he became lead counsel for the Biblical Law Center This book is the result of his in depth studies of the issue of separation of church and state the main issue which is addressed by the Biblical Law Center **Putting on the Mind of Christ** Jim Marion, 2011-11-01 Jim Marion s book returns us to the central challenge Christianity ought to be handing us Indeed how do we put on the mind of Christ How do we see through his eyes How do we feel through his heart How do we learn to respond to the world with that same wholeness and healing love That's what Christian orthodoxy really is all about It's not about right belief it's about right practice Cynthia Bourgeault author of The Wisdom Jesus What does it mean to follow the path of Christ today Putting on the Mind of Christ is the first book to offer an integral understanding of the Christian spiritual path one that examines the basic stages of spiritual development described by the great saints and sages along with the psychological stages of development used by modern psychology American mystic Jim Marion draws upon his own rich spiritual experience and deep understanding of scriptural models to show readers how to emulate the developmental stages of the Christ how to put on the mind of Christ to achieve spiritual illumination and communion with the Christ He examines the seven levels of consciousness of the human personality mapped by the work of Jean Piaget Carol Milligan and Lawrence Kohlberg and leads readers to the consciousness that Jesus called the Kingdom of Heaven the highest level of spiritual development Marion shows how inner spiritual growth has always been the true essence of Christian practice and shares his own spiritual experiences within a Christ focused framework Pioneering transcendent and grounded Putting on the Mind of Christ will permanently alter the landscape of 21st century The Left Behind Fantasy William Powell Tuck, 2010-02-18 The popular Left Behind series by Tim LaHaye and Christianity Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995 Jerry Falwell pronounced it the most important series of books in the history of modern Christianity Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it But according to real biblical scholarship this series is seriously flawed Based on a misreading of many scriptures including Daniel and the Book of Revelation it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom and the sudden unexpected return of Jesus In this book William Powell Tuck carefully and authoritatively refutes the premises and faulty theology of the Left Behind books critiquing them in the light of genuine biblical scholarship and
