Galatians Bruce G. Epperly, 2016-09-16 With this volume on Paul's Letter to the Galatians Dr Bruce Epperly author of *Philippians A Participatory Study Guide* *Finding God in Suffering* *A Journey with Job* and *Transforming Acts* Acts of the Apostles as a 21st Century Gospel again brings the study of a Bible book to life for a 21st century audience Epperly founds his work in the results on modern critical scholarship but he's not content with reciting scholarship or discussing history He aims to make the study of this theologically central letter a transformative experience He does so by never losing sight of the fact that human problems remain human problems and that human potentiality touched by God's grace can accomplish great things He finds a message of liberation in this book Liberation from our guilt yes but also liberation from our self imposed limitations Through reading discussion exercises and thought questions he leads the reader through a study that can only be described as an adventure It's an adventure you won't want to miss

Prayer Trilogy Kimberly Gordon, 2011-10-21 Will prayer and providence bring a family together after years apart Can it possibly heal the broken connections Set in the late 1800's in Colorado *Prayer Trilogy* is the story of the Jenkins and Davidson families one nearly starving on their farm and the other a prosperous business family in the city of Denver Neither family is perfect but both know the power and comfort of prayer that sustains their relationship with God These stories provide a wonderful reminder that prayer is the key to our intimate relationship to God The characters are flawed but that only enhances the power and compassion of God in their individual lives to weave a family tapestry and even a larger community picture These stories will appeal to young and old alike They are clean reads based on Christian principles and experience designed to be read in your family

Along Bible Paths Henry E. Neufeld, Jody Neufeld, 2010-06-03 *Along Bible Paths* Summer Devotions grew out of the daily devotional e-mail list that Jody Neufeld began in 1999 to encourage others to begin their day with the Lord Many continue to enjoy these thoughts in their e-mail every weekday morning or via the Jody's Devotionals blog This book is a collection organized for the summer We hope many more will enjoy these in printed form

Ultimate Allegiance Robert D Cornwall, 2010-12-13 Prayer changes things It's a common saying and too often Christian discussion of prayer deals only with how we can change other things and other people through prayer But what if prayer is much more than we imagine

What if it is also the means of correcting our relationship to the Creator and at the same time of changing our relationships with one another Perhaps prayer can ultimately help transform our theology what we believe about God into character and action In *Ultimate Allegiance* Dr Bob Cornwall takes us to the Lord's Prayer a short and simple prayer that is well known and often recited But in each of its major petitions he finds deep meaning that challenges us to think and to change In fact this prayer of Jesus brings us to the ultimate question of just where we should place our ultimate allegiance This book can be read individually but is designed especially for small group or church studies especially in conjunction with the related study guide Learning and Living Scripture Geoffrey D Lentz, 2010-02-26 Geoffrey Lentz and Henry Neufeld a pastor and a teacher team up in *Learning and Living Scripture* to present the Participatory Bible Study Method an approach to Bible study that is rooted in the conviction that God can and will speak to us in scripture They bring together their different experiences and perspectives to present this method of study in a practical usable way There are three key elements to this study 1 The integration of prayer and study 2 Serious questioning and research that is nonetheless within reach of the non scholar 3 Study in community with both witness and accountability through sharing In this guide you will learn to integrate prayer and scripture reading while also being faithful to the historical meaning of the text and its use throughout history by the community of faith This method is not just about study and learning facts it's about letting the God who gave scripture live in and through you as you learn and share

The Sacred Journey Christopher D Surber, 2010-09-29 *The Sacred Journey* is a collection of insights thoughts and personal experiences centered on and emanating from the Beatitudes of Jesus from the Sermon on the Mount Within its pages we are invited to consider the radical love with which God pursues His creation God in Jesus Christ was determined to make a way for sinners to be forgiven at the Cross While man had sinned and caused a divide between himself and His creator God has insisted that those who receive the grace and mercy offered in His Son shall be forgiven of sin and reconciled unto God in eternally secure love God in salvation is singly focused on reconciling all who will place their trust their faith and their hope in that sacrifice It is not we who make our way to God through good works right belief perfectly ordered creedal statements or any other edifice of human composition It is God who pursues us heatedly to receive the radical beauty of the violence of the Cross God has pursued forgiven and reconciled us unto Himself Through the wrath which was poured out upon Jesus mercy was poured out on us Salvation is purely the work of God's mercy and grace We who have received Him have done so by faith when we have responded to the pull of God on our hearts Grace rests upon us because God has loved us What in response to such a violent grace should our reply to God be

Christian Archy David Alan Black, 2009-10-29 What is the Kingdom of God What does it mean to be part of the kingdom These are questions that should occupy the mind of every Christian But we frequently shy away from the full meaning of God's rule In *Christian Archy* Dr David Alan Black examines the New Testament to find the truly radical and all encompassing claims of God's kingdom In doing so he discovers that the character of this kingdom is widely different from what is commonly contemplated today Its

glory is revealed only through suffering a point that Jesus disciples then and now have been slow to understand This truth has tremendous implications for church life The kingdom of God is in no way imperialistic It has no political ambitions It conquers not by force but by love It is this humble characteristic of the kingdom that is a stumbling block to so many today Christ's claim to our total allegiance is one we seek to avoid at all costs But there is only one way to victory and peace and that way is the way of the Lamb This is the first volume in the new Areopagus Critical Christian Issues Series from Energion Publications We believe it is an appropriate way to begin that series by addressing this foundational question of who we are as part of the Christian church and why it is important for us to immerse ourselves in God's word

Directed Paths Myrtle Blabey Neufeld, 2005-01-28 Directed Paths is a book of prayer experiences that will challenge your faith and your Determination to serve God while giving you new strength and encouragement Each story reflects a Biblical principle or promise as retired missionary Myrtle Blabey Neufeld openly shares her prayers and God's answers We at Energion Publications offer this book to you in the hope that as God directs your paths you will hear and be open to His direction

The Politics of Witness Allan R Bever, 2011-06-14 Can a church that is compromised through dependence on temporal political power speak with a powerful prophetic voice in the world As the body of Christ the church has a prophetic role in the world Prophets have always spoken clearly to people in power They have been willing to challenge the decisions made by people who thought they were not accountable to anyone Sometimes the prophets were respected sometimes persecuted but they were never ignored or regarded as irrelevant So why is it that the church today cannot speak truth effectively to power In The Politics of Witness Dr Allan R Bever asks these questions and proposes an answer The church has come to depend too much on temporal power and has thus forgotten its divine authority In finding this answer he goes back to the founding of the church and how it first became dependent on the state He examines those who have followed mostly building a political theory that takes the responsibility of ministry from the church and gives it to the state You'll find some names in this that might surprise you Any discussion of Christianity and the state will involve Emperor Constantine but what about his modern lieutenants such as Locke Jefferson Franklin and others While the theology applies to the church in any country Dr Bever takes a particular look at the peculiarly American view that the United States of America is somehow God's chosen people a nation of destiny in accomplishing the gospel mission This book balances brevity with a broad intellectual and historical reach You will be taken from the founding and foundation structure of Christian theology today to a proposal for how we as the Church can reclaim our prophetic witness In the current political atmosphere every Christian needs to read this book

The Jesus Paradigm David Alan Black, 2009-05-28 The church is in disarray Theologians and commentators speak of the demise of evangelicalism Are they alarmists Is Christianity as we know it in the process of dying Writer scholar teacher and missionary Dr David Alan Black thinks that the answer does not lie in the politics of the left or the right In fact he doesn't think that Jesus tells us what our politics should be He doesn't see answers in Christian nationalism But even

further he sees serious flaws in the very structure of our churches and denominations that prevent us from truly being obedient to the gospel The solution lies not in renewal revival or even in reformation but rather in restoration a restoration of the church organized as Jesus intended it and according to the example provided by the earliest church sources in the New Testament To make the church and its members true servants of Jesus Christ again we need to change our entire paradigm to The Jesus Paradigm God's Promise of Victory Iris Subel Davis,2012-08-10 Love What was created to be so beautiful that words for centuries have been unable to encompass its many facets has now become for many a twisted and painful symbol for many who have suffered abuse of any kind And yet in spite of that pain we continue to seek love s beauty once again This book is written by one who has passed through the flames of abuse shame guilt and confusion Only by God s grace has she come out on the other side in victory She was given the courage to look at her pain identify forgive and live again as someone new and ready to live again Within these pages may you also find hope courage and healing as you take those first steps toward your own victory May you glean some wisdom that will give you strength for today as you follow the author s own steps through the process of revelation May you also find daily practical new habits of thinking and living in real love for yourself and others *Rite of Passage for the Home and Church* D. Kevin Brown,2011-05-19 Most of us today would agree that the children of this new millennium are growing up in a world that is filled with pitfalls and treacherous paths that previous generations have not had to negotiate How do we prepare these children to not only survive these paths but be victorious Father former youth pastor and now church pastor Kevin Brown shares the vision he has been given for teaching about and expecting from our children an involved disciplined way of life He believes The Christian faith depends upon the transfer of the gospel from one generation to the next Rite of Passage in the Home and Church describes not a program but instead a family s commitment to making a change in priorities that will impact them for generations to come Pastor Kevin says The family has been fractured and splintered by the culture and this segregation of family by age has been brought to the church At his home church the family worships together There is no children s church no youth services just the family of God worshipping together as indicated in Scripture Kevin believes the only hope for our culture is the church and the only hope for the church is the restoration of the family This book will be of value to you individually but is designed for use in a church community for best results **The Character of Our Discontent** Allan R. Bevere,2010-03-29 When was the last time you heard a sermon drawn from the Old Testament Not just one with some Old Testament texts but built from the text Allan Bevere a United Methodist pastor set out to teach more from the first testament The Character of Our Discontent grew out of the author s conviction that pastors do not preach enough about the Old Testament The result is 19 chapters each of which represents a sermon on an Old Testament character These sermons are lively fast paced and practical yet are rooted in sound scholarship and are examples of the homiletical art Christians who would like to learn how the Old Testament can enlighten and guide their Christian walk and pastors who would like to learn how to preach more effectively from the Old

Testament will both find these sermons an invaluable aid While Dr Bevere specializes in the New Testament and theology he believes that pastors and academics as well can preach and teach effectively outside their areas of specialty Indeed they must and this teaching can enrich their own learning and the fields of study into which they venture The Character of Our Discontent is an adventure in preaching and it invites us into the adventure of living in relationship with God an adventure that has similar characteristics whether we are learning about God s call to Abraham or how a call to mission in Africa came to a contemporary English teacher nearing retirement

Stories of the Way Henry E. Neufeld, 2011-12-01 Much of the text in the Bible is in the form of stories From Old Testament tales of the patriarchs to the parables of Jesus the reader is confronted with a variety of narratives Even in those places where Bible writers are making and explaining statements of fact there is a story in the background What do these stories mean Bible teacher writer and publisher Henry Neufeld thinks that s the wrong question to ask Yes there are bad questions We spend a great deal of time trying to reduce Bible stories to a series of statements of fact sucking the life out of them in the process We don t understand one of the parables of Jesus better when we ve come up with a moral for the story In fact we ve lost some of the meaning Instead Henry suggests learning to think more in the form of stories In fact he even asks us to consider looking at the stories behind the various statements of fact in the Bible finding similarities in our own stories and even weaving new stories from our imaginations This he teaches is the best way to learn to make scripture come alive and to live it This collection of short stories is not presented primarily as stories to read but as a challenge to put your imagination to work as you study the Bible to write your own stories When you ve let your imagination break the bounds of your life the Holy Spirit can then show you how to live new stories in your own life and in your relationships with family friends church and the entire world This book includes 25 short stories All but two of these stories were originally published on the Jevlir Caravansary fiction blog Two new stories The Magic Sword and The Juror s Oath were written just for this collection Scripture references and thought questions have been provided for each story to help small groups use them in discussions Come join the story

"In the Original Text It Says" Benjamin J. Baxter, 2012-01-19 When you hear the words in the original text it says or in the original text this means it s time to be wary Those words often provide the introduction to misleading information But how can the hearer discern just what is correct and what is misleading How can pastors avoid giving their congregations misleading information In the Original Text It Says takes a look at word study fallacies and how you can avoid them Author Ben Baxter gives an introduction to word meaning and how word meaning differs between languages He then examines a series of fallacies errors that people make in assigning meaning to words in the original languages of the Bible But he doesn t leave it with that theoretical examination After providing the basis for how to understand Biblical words he examines the discussion of specific words and phrases from passages in both the Old Testament and the New He takes these examples from commentaries commonly used by pastors and teachers in sermon and lesson preparation With each example he shows how one might misunderstand the linguistic

evidence provided and also how one can properly apply this information This book is designed for readers who have had some contact with Greek or Hebrew but will also be useful to those who have more language skill but may not have studied linguistics or looked carefully at how to apply their knowledge in teaching

Not Ashamed of the Gospel Henry E Neufeld, 2005-03-28 How can we be both rooted in scripture and also conscious of God's voice as God continues to speak to each one of us today

Who's Afraid of the Old Testament God? Alden L Thompson, 2011-10-27 The Old Testament God generally has a rather poor reputation even in Christian circles But as the author points out The Old Testament Scriptures can remain alive and will lead us to a fresh appreciation of all that God has done for us Targeted to thoughtful readers this book addresses a cluster of issues often troubling for the person who seeks to understand the Old Testament Who's Afraid of the Old Testament God speaks very frankly about some of these problems things like sin and the fall Satan moral blemish passages strange laws etc The chapter titles follow Don't let your New Testament get in the way of your Old Testament Behold it was very good and then it all turned sour Whatever happened to Satan in the Old Testament Strange people need strange laws Could you invite a Canaanite home to lunch The worst story in the Old Testament Judges 19-21 The best story in the Old Testament the Messiah What kind of prayers would you publish if you were God This new fifth edition leaves the text unchanged but has larger type and wider margins

Identifying Your Gifts and Service Henry Neufeld, 2005-03 This book provides a process for discovering and activating spiritual gifts in your congregation It is not a typical scientific survey designed to discover what kind of personality you have what you feel like doing or even what your talents are Instead it is a process designed to help a church congregation discover God's gifts and leading in their lives In going through this process you will be invited to shake off some of the walls and limitations you have placed on yourself and open yourself up to the full call that God has on your life Discovering and using your Spiritual Gifts is an adventure

From Inspiration to Understanding Edward W. H. Vick, 2016-07-19 The way in which we read the Bible grows out of what we believe the Bible to be Thus it is impossible to discuss methods of interpretation without considering our view of inspiration the gathering of the canon and even the reception of the Bible by the community of faith And so Edward W H Vick starts this comprehensive discussion of hermeneutics the interpretation of Scripture by looking at what the Bible is and what empowers its authority He brings a lifetime of experience teaching and writing to the task In this examination he takes up such diverse topics as inspiration canonization authority infallibility inerrancy verbal inspiration sola scriptura tradition myth and many related topics Dr Vick always relates these elements to the overarching questions How shall we read Scripture How shall we understand it How does it impact the way we live and act There are many books on how to read the Bible but there are few that will offer this comprehensive and systematic study If you apply the principles you find here to your own study you will find the scriptures opening up in new ways Dr Vick will help you move beyond the assumptions that often stand in the way of our personal Bible study and see the remarkable variety and power that is mediated through this book we call the Bible

Revelation A Participatory Study Guide Introduction

In the digital age, access to information has become easier than ever before. The ability to download Revelation A Participatory Study Guide has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Revelation A Participatory Study Guide has opened up a world of possibilities. Downloading Revelation A Participatory Study Guide provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Revelation A Participatory Study Guide has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Revelation A Participatory Study Guide. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Revelation A Participatory Study Guide. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Revelation A Participatory Study Guide, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download Revelation A Participatory Study Guide has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
