Revelation And Religion:

Revelation and Religion Herbert Henry Farmer,1981 **Revelation and Reason: The Christian Doctrine of Faith and Knowledge** Emil Brunner,1946 *The Book of Revelation: a New Beginning* Terry L Newbegin,2011-03-23 The Book of Revelation A New Beginning contains the hidden secrets of Saint Johns Revelation and as you know it is one of the most debated and most difficult books of all the scriptures to read and understand because of the extreme symbolism tied to it Man has always assumed the word of Gods prophets and their stories were indisputable just because of their eminence in interpreted them as being true Man has forgotten the history of himself Earth God the origin of the universe and how the scriptures have been documented interpreted and strictly passed down by our ancestors and religious leaders As symbolic as Revelation is it has nothing to do with the end days or even about a solitary Anti Christ as we understand it nor is it about Jesus coming to save you In truth Saint Johns Revelation is your own guide showing you that you no longer need to look at yourself as a sinner because you have bared your cross like Jesus and now the time has come for you to ascend to a higher state of Mind The book of Revelation A New Beginning is a book that will help open the gates of your soul memories so you can become aware of your own divineness and that you are a God too My fellow Gods what is coming to an end is the old ways of perceiving and understanding God It is not that God is a mystery It is you that is the mystery and when fear is resolved within you are then ready to open up to the hidden secrets behind the Book of Revelation that religions have kept as a secret for thousands of years either on purpose or because of ignorance Revelation Richard Swinburne,2007-07-26 The great religions often claim that their books or creeds contain truths revealed by God How could we know that they do In the second edition of Revelation renowned philosopher of religion Richard Swinburne addresses this central question But since the books of great religions often contain much poetry and parable Swinburne begins by investigating how eternal truth can be conveyed in unfamiliar genres by analogy and metaphor within false presuppositions about science and history In the final part of the book Swinburne then applies the results of Parts I and II to assessing the evidence that the teaching of the Christian Church constitutes a revelation from God In the course of his philosophical exploration Swinburne considers how the church which Jesus founded is to be identified today and presents a sustained discussion of which passages in the Bible should be understood literally and which should be understood metaphorically This is a fuller and entirely rewritten second edition of Revelation the most notable new feature of which is a long chapter examining whether traditional Christian claims about personal morality divorce homosexuality abortion etc can be regarded as revealed truths A formal appendix shows how the structure of evidence supporting the Christian revelation can be articulated in terms of the probability calculus and shows that Plantinga s well known argument from dwindling probabilities against probabilistic arguments of this kind is not cogent *Revelation and Religion* Herbert Henry Farmer,1961 The Philosophy of Revelation Herman Bavinck,2003-10-09 In addition to exegetical biblical and systematic theology there is room also for a philosophy of revelation

which will trace the idea of revelation both in its form and in its content and correlate it with the rest of our knowledge and life writes the author one of the most distinguished Reformed theologians of the twentieth century Theological thought has always felt the need of such a science Thus Philosophy of Revelation first published in 1909 is part of the same discipline and heritage as James Orr s The Christian View of God and the World 1893 and Gordon Clark s A Christian View of Men and Things 1952 Bavinck deals with the relationship between revelation and in chapters 2 3 philosophy 4 nature 5 history 6 religion 7 Christianity 8 religious experience 9 culture and 10 the future He contends that the word cannot be explained without God that the natural and social sciences presuppose metaphysics and that none of the subjects under consideration here is intelligible or meaningful apart from special revelation *Revelation and the Religions* Avery Dulles,1999 *The Concept of Revelation in Judaism, Christianity and Islam* Georges Tamer,2020-05-05 The idea that God reveals himself to human beings is central in Judaism Christianity and Islam but differs in regard of content and conceptualization The first volume of the new series Key Concepts in Interreligious Discourses points out similarities and differences of revelation KCID aims to establish an archeology of religious knowledge in order to create a new conceptual platform of mutual understanding among religious communities Erratum Wenzel Maximilian Widenka is co author of the epilogue pp 195 206 *Revelation and Grace* Philip Djung,2021-06-01 Our globalized world with its increasingly pluralistic societies necessitates a theological framework that enables Christians to embrace their neighbors with respect understanding and love without compromising the essential components of their own faith In Revelation and Grace Dr Philip Djung explores the ways in which Hendrik Kraemer s theology of religions offers the church such a framework By placing Kraemer in conversation with other twentieth century Dutch Reformed theologians namely Herman Bavinck Johan H Bavinck and Abraham Kuyper Dr Djung allows the doctrine of revelation and grace to inform his interpretation of Kraemer s work He provides a critical assessment of Kraemer s theology illustrating the significance of Kraemer s commitment to the uniqueness of Christ and the necessity of Christian mission while advocating for the need to amend certain aspects of Kraemer s perspective to more fully reflect God s presence in world religions **Revelation and Religion** Herbert Henry 1892- Farmer,2021-09-10 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Jesus Is The Revelation** John G Smith LL,2021-05-08 JESUS IS the REVELATION Revelation 1 1 The Revelation of Jesus Christ not the revelation of the antichrist

Religion is satan s method of destruction He knows but will always twist the Word of God with lies tradition and religion God s Word is Truth Too often we listen to the Gatekeepers and adopt their belief systems Lies have taught our children that explosions create rather than destroy The enemy wants death to look good and wants us to choose him over God You cannot separate God s Spirit from His Word Black cats 666 and the 13 are man made fears The King James Bible is God s perfect inspired and preserved words If He can preserve His Words for over 1500 years then why couldn t He have done it perfectly God used the hands of over 40 authors and placed Himself within the volume of His literal God breathed Hebrew letters Hosea 4 6 says My people are destroyed for lack of knowledge We will explore scripture charts and Hebrew messages Let s look for Jesus Christ rather than antichrist Jesus is on every single page Let s take an exciting journey that will open our eyes in an exciting new way John G Smith II Preacher Man by his friends is the founding pastor of The Little Word Church in Shreveport Louisiana His heart dramatically changed May 14th 2015 when his three children were involved in a traumatic accident He felt called to the ministry from that point forward He has since spent the last five years developing an online Christian Digital Library Pastor John is known for his off the wall and quirky personality and his passion for teaching the Gospel of Jesus Contact info Pastor John G Smith II The Little Word Church www.thelittlewordchurch.com www.thelittlewordchurch.com/youtube www.thelittlewordchurch@gmail.com www.rockirons.com

The Enigma of Divine Revelation Jean-Luc Marion, Christiaan Jacobs-Vandegeer, 2020-03-04. This volume explores the possibilities and pressures of the language of revelation on human understanding. How can we critically account for divine self-disclosure in the linguistically mediated world of human concerns? Does the structure of interpretation limit the language of revelation? Does revelation open up new horizons of critical interpretation? The volume brings together theologians who approach the interactions of revelation and hermeneutics with different perspectives, including various forms of phenomenology and comparative theology. It approaches the theme of revelation central as it is to the theological endeavour from several angles rather than a single methodological program. Dealing as it does with revelation and understanding, the volume addresses the foundational issues at stake in the challenges around change, identity, and faithfulness currently facing the church.

Divine Revelation... Paul Helm, 1982. **An Outline of the Evidences of Revealed Religion** Joseph Priestley, 1833. *The Epistle of Jesus to the Church* James D. Quiggle, 2008-01-01. The Epistle of Jesus to the Church is a commentary on the book of Revelation that assumes Jesus was the author and John the reporter of the words and events described. Here one will not find an explanation of an anti-Roman message written by John in hidden codes and apocalyptic motifs to fool Roman authorities. John the apostle and prophet was the faithful scribe who did not create the message but faithfully and accurately described all that he saw and heard. This commentary follows the principle that the Scriptures explain themselves because the Revelation is a word from Jesus to his church, a word that is grounded in the Scriptures. The Epistle of Jesus to the Church has been written with teachers, students, and pastors in mind. The interpretation of the book of Revelation is thorough; difficult passages are addressed, and plausible answers are provided to the questions posed by in-depth study of the biblical book. This is a commentary for personal study or classroom instruction, one that may be confidently used to preach and teach the Revelation of Jesus to the church.
