Desiré P. Grogan,2022-01-11 For the believer in the pew the Book of the Revelation of Jesus Christ needs no other introduction than that it is the most avoided Book of Scripture that few feel capable of navigating and understanding on their own The dense amount of imagery and the horrific scenes of judgment are mind boggling and remain a mystery for many The purpose of this volume is to empower you the believer in the pew with the most accessible tool to navigate and understand this last Book of Scripture and that tool is the Bible itself the Bible in your hand You see the God Who is speaking and acting in this last Book of Scripture has been speaking and acting throughout the Biblical text cf Heb 1 1 2 It is God s intent therefore that you understand this last Book of Scripture just as He intended for you to understand all Scripture The Revelations in this last Book were not hidden from you but for you to discover through diligent study Let this volume be your entrance into the awe inspiring zone of discovering and re discovering the majesty and the consistency of the only God Who is worthy to be trusted and obeyed worshipped and adored

The Revelation of Jesus Christ Wallace Shows,2004-10 One of the most fascinating relevant and often difficult to understand books in the Bible is the Revelation of Jesus Christ It has been misinterpreted and misunderstood by many over the years and in many instances it has been placed in the category of allegory or mythology Expounded in several venues over the last forty plus years this study has been a blessing to many and has presented this often puzzling book in such a manner that even the young Bible student can understand It is written in a series of lectures that help to simplify yet exhaustively instruct the student in the meaning and the implication of this important book as it relates to the times in which we live As we anxiously wait for our Lords soon return this series of lectures will help us realize just how near to that coming event we actually are *The Revelation of Jesus Christ, Explained Agreeably to the Analogy of Holy Scripture* John

Hooper,1850 **The Churches of Revelation** Dr. David Bernhard Bowers,2023-02-09 Every student of the Bible approaches the book of Revelation with a sense of awe as they attempt to fold the greatness of God within the mind of humanity Many rush to examine the significant prophecies without adequately dealing with the introductory chapters Exploring the beginning chapters of the Revelation of Jesus Christ with a modern application Dr David B Bowers examines the initial communique given by our Lord to the Apostle John The churches of Revelation within reflect not only the status of the true Christian church throughout history but also reveal significant elements of the church in modern times that must not be missed *Revelations* Carol Bass,2018-06-08 Revelations is a result of years of disciplined study of Gods Word a result of intimacy with Jesus a result of intimate time in the Word from God the Word in Carol and her in the Word This devotion is a culmination of years of growth from private time spent daily in Gods presence allowing Jesus the Word made flesh to rule

over the evil nature within thus allowing the Word of God to be King and Lord His work began in 1989 as Carol poured her heart out quietly journaling and giving expression to her feelings while being alone with the Word With pen in hand and blank paper waiting she gained revelation about evils fleshly nature within the principalities powers and rulers without and about Jesus the Word Who is the Revealer of all Truth From the feelings in her heart to the thoughts in her mind to where the pen met the paper she gained discernment By expressing her heart in light of the Word of Truth with the Word of Truth filtering her thoughts and prayers she discerned her way aligned her heart and mind with Truth lived life according to the Truth and then learned how to pray a right prayer according to the Truth Behold, the Revelation of Jesus Christ James E. Smith, Ph.D.,2016-12-08 An introduction to the Book of Revelation in the New Testament is followed by a verse by verse commentary on the biblical text **A View from Above** J. W. Murphy,2014-10-10 Imagine what your Christian development would be like if you grasped the true character of God you were captivated by appreciation of and love for God s Word you were not frightened away by the haunted house of Revelation you appreciated how the early church s experience influenced the message of Revelation you understood how various viewpoints on Revelation developed over time you enjoyed a perspective which prevents tunnel vision you understood viewpoints about which you were previously unaware you esteemed fellow believers who have different understandings of Revelation you appreciated how the meaning of Jesus sacrifice is pictured in Revelation you practiced the message of Revelation in everyday life you were strengthened by an unshakable faith in God your faith was heartfelt and growing rather than formal or ritualistic you were strong enough to stand firm in the face of any and all spiritual opposition you were known for your moral and spiritual purity you were able to resist the seductions of our culture you demonstrated the sacrificial style of Jesus rather than the self serving style of society you enjoyed the blessings of those who keep the words of Revelation s message your anticipation of Jesus return rose above a distracting concern with earthquakes wars and developing social events you appreciated your present and future spiritual realities you were eager rather than fearful about the future you enjoyed the depths of the relationship toward which God is moving us **The Revelation of Jesus Christ** Stephen Kaung, The book of revelation is the last of the sixty six books of the Bible As such it is the concluding word of God and therefore occupies a special position Whereas a blessing is attached to its reading a curse is pronounced against anyone adding to its text thus reflecting how very important is this book of God s word The content of this present work which will be two volumes in length comprises the text of what were two separate series of messages on Revelation spoken by the author in respectively the year 2007 and back during the 1950s After these many years and inasmuch as we sense the return of the Lord Jesus to be increasingly imminent we believe that there is a need to make these spoken words available in print in order that many more of God s people may receive the promised blessing It is our prayer that all who shall read this book will receive God s blessing in their being better prepared for the imminent return to the earth of our blessed Lord Jesus Christ The Revelation of Jesus Christ John F. Vision and Testimonies The River and Tree of Life Surely I come quickly **The Revelation of Jesus Christ** Dr. Brian J. Bailey, 2015-09-18 This easy to read commentary on the book of Revelation will bring clarity to some of the major issues of our time It will show that before the Second Coming of Christ a series of events must take place The Two Witnesses must appear as well as the Ten Kings and the Man of Sin Dr Bailey dispels the confusion surrounding these awesome revelations of the Apostle John while placing an emphasis on not only knowing the truths of the last days but being prepared through holiness in order to meet the Lord in the clouds **The Revelation of Jesus Christ** Alex (Lazaro) Figueroa, 2020-09-29 This book The Revelation of Jesus Christ has been written on each chapter of the book of Revelation Each chapter is written in plain English giving the reader understanding of the symbols in the chapter and the book of Revelation Each symbol in the book of Revelation can be found throughout the Scriptures thus giving us the meaning and understanding of each one If the wrong meaning or understanding of each symbol is given then the entire book of Revelation is misunderstood Within the pages of this book we find the battles and victories of God s church down through the ages of time Therefore we can see God s people and the spiritual battles that were won by conquering the enemy of their time These same battles are taking place in many places today but we will be able to understand that God has a people and has always had a people who will stand for truth and right The book of Revelation is a misunderstood book and one often feared by many But read with understanding it can be blessing to God s people everywhere This book Revelation of Jesus Christ was originally written and printed in Spanish Because of the large demand it has been translated into English *The Revelation of Jesus Christ* Alfred J. Chomppff, 2013-05-07 This book is about the Lord Jesus Christ and who He really is When we read the Bible we should remember the principle The last revelation carries the greater weight The final revelation of the Lord Jesus Christ to the last living of His disciples the apostle John a short time before the apostle John was also to expire was a final word to His beloved disciple containing the most important things for the life of the Christian church And since the last revelation carries the greater weight we should embrace these last messages of the Lord with great care and believe these words even if they would upset well established doctrines in the churches Only the Lord Jesus Christ is worthy to be praised and He is the only one who deserves the attention of this book The Revelation of Jesus Christ Donald William Richardson, 2012-05-01
