## **Revelation Spanish Version:**

Apocalypse Randal S. Chase, 2016-10-31 Apocalypse The Great Day of the Lord for the Righteous is a positive look at the positive events of the Apocalypse Just saying the word brings to mind the idea of mass destruction Many think of a fiery end to life on earth or of zombies shuffling ominously through the streets Focusing on the negative makes it an unpleasant subject Contrary to these ideas this book on the Apocalypse focuses on the great blessings that the righteous will receive when the Lord comes a great and glorious day with no fear of the destruction that will simultaneously come down upon the heads of the wicked For the wicked it will indeed be a dreadful day and they will call upon the mountains and rocks to hide them when the full fury of the Lord's anger is poured out upon them see Revelation 6:16 For the righteous it will be a day of unimaginable joy a day of resurrection of peace of safety and of living under the rule of our Eternal King the Lord Jesus Christ If we remember this we can more fully appreciate the great day aspect of the Second Coming of Christ as opposed to a fearful approach That is the purpose of this book so that we along with the Apostle John on the Isle of Patmos will feel to say Even so come Lord Jesus Revelation 22:20 The cover features a stunning image of the Lord descending through the clouds of glory as painted by Del Parson The History of the Reina-Valera 1960 Spanish Bible Calvin George, 2004 A fully documented comprehensive history of the events and the men behind the noble revision that became the common Spanish Bible of multiplied millions of Spanish speaking Christians around the world *The Alabados of New Mexico (Spanish and English Edition)* Thomas J. Steele, 2005-09 The sacred hymns of New Mexico compiled by the expert on church literature in a handsome bilingual volume *Gog and Magog* Georges Tamer, Andrew Mein, Lutz Greisiger, 2023-12-31 The tale of a collective evil force known as Gog and Magog has occupied the imagination of Jews Christians and Muslims for millennia finding expression in literary and scholarly works and other cultural artifacts This book gathers the papers from two conferences at the University of Erlangen Nuremberg by scholars ranging from history to religious studies to art history and is the most thorough work on the subject to date Biblical Studies on the Internet Roland H. Worth, Jr., 2008-09-18 The new edition includes more than 4 800 resources available at more than 10 000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages audio translations of the Bible in English and other languages commentaries dictionaries and other resource materials including ones in Greek Hebrew and other ancient languages The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself In cases when ten or more resources are listed on a single web page the author has assigned the web page a three digit code The code is used to identify this web page as a major resource within the main text while any needed instructions for use of the site are cross referenced separately in the final chapter In adopting this concise method the author was able to add hundreds of additional or updated web resources a surprising number of which can be downloaded onto a hard drive for immediate and continued

Portuondo,2019-03-22 In this book historian Mar a M Portuondo takes us to sixteenth century Spain where she identifies a community of natural philosophers and biblical scholars They shared what she calls the Spanish Disquiet a preoccupation with the perceived shortcomings of prevailing natural philosophies and empirical approaches when it came to explaining the natural world Foremost among them was Benito Arias Montano Spain s most prominent biblical scholar and exegete of the sixteenth century He was also a widely read member of the European intellectual community and his motivation to reform natural philosophy shows that the Spanish Disquiet was a local manifestation of greater concerns about Aristotelian natural philosophy that were overtaking Europe on

the eve of the Scientific Revolution His approach to the study of nature framed the natural world as unfolding from a series of events described in the Book of Genesis ultimately resulting in a new metaphysics cosmology physics and even a natural history of the world By bringing Arias Montano s intellectual and personal biography into conversation with broader themes that inform histories of science of the era *The Spanish Disquiet* ensures an appreciation of the variety and richness of Arias Montano s thought and his influence on early modern science
