Revelation The Bible:

A Bible Handbook to Revelation Mal Couch, Foreword by John F Walvoord Leading evangelical educators discuss the text of Revelation and the issues that most interest twenty first century readers and students Includes a verse by verse explanation and background analysis **The Book of Revelation Made Easy** Kenneth L. Gentry, 2008 **Revelation Bible Study The Last Seven Years** Kathleen Dalton, 2015-07-02 My goal for this chapter by chapter Bible study in Revelation is that we will be overtaken with that sitting in the back seat are we there yet longing that will only go away once we see the arrival of Jesus Christ into our world for the second time in history The first time He came as a baby The second time oh my Let s think of world history as a stage and imagine there are a series of curtains on that stage curtains that are fairly see through so that as each curtain is removed the one person standing on the stage gets easier and easier to see That may help us realize what has been happening since the creation of the world and what will be happening as the events of Revelation unfold Every event points to Jesus Every mercy every disaster every judgment every moment of grace all of them reveal Jesus to us more and more and more until finally we see Him clearly in Revelation Chapter 19 mounted on a white horse returning to be King over the world that was made for Him **The Book of Revelation** Thomas Nelson, 2010-01-31 The Book of Revelation is God s message to all who are concerned about the future No Bible guide makes Revelation more understandable than The Smart Guide to the Bible The Book of Revelation You ll grasp the meaning of each verse you ll understand every important symbol and you ll get the big picture of all that God has promised for those who believe in Him The Smart Guide to the Bible is a series of simplified commentaries designed to uncomplicate God s word for everyday Bible readers Every page contains handy features or learning aids like these Cross references to other Scriptures Brief commentaries from experts Points to ponder The big picture of how passages fit with the entire Bible Practical tips for applying biblical truths to life Simple definitions of key words and concepts Interesting maps charts and illustrations Wrap ups of each biblical passage Study questions Whether you re new to the Bible a long time student of Scripture or somewhere in between you ll appreciate the many ways The Smart Guide to the Bible The Book of Revelation goes far beyond your typical Bible study tool The practical relevant helps on each page lead you to get the most out of God s word *Revelation Revealed* Dr. Paul A Vallee, 2019-11-22 In popular culture the focus of the biblical book of Revelation has been on the identity of the antichrist and the end of the world Though Revelation speaks to these issues the book is primarily about Christ and how he addresses humanity s enemies including our greatest enemy death Revelation Revealed is an expository commentary that pushes through popular misconceptions and explains Revelation in a clear and engaging manner Often viewed as a confusing book that is difficult to understand filled with all kinds of incredible imagery Revelation actually brings a message of hope in times of perplexity and crisis In Revelation Revealed Dr Paul A Vallee addresses the cultural background in which the ancient readers understood the text and shows the relevancy of that message to today s readers This book is the

culmination of forty years of biblical study The content was originally presented to a live audience over the course of twenty six weeks The response encouraged Dr Vallee to put into print what the audience described as a positive message clarifying and removing misunderstandings and fear by instilling hope in a world that like the book of Revelation itself is often confusing and overwhelming

Revelation John Stott,2008-06-06 John Stott presents twelve studies on the book of Revelation

Revelation J.E. Gulbrandsen,2019-05-15 Revelation is possibly the most controversial book in the bible Some famous theologians have even suggested to remove it from the bible cannon because it is so hard to understand I will argue it is not that difficult to make sense of as long as we manage to place it on Gods timeline in history and understand Gods relation and reaction to an unrepentant Israel If we allow the bible text to be our theology in stead of trying to fit the bible into our theology it all comes together nicely It is Jesus speaking in Revelation It is not a book to be ignored but to be studied diligently It helps us understand where we are in history on Gods timeline The book in front of you is a commentary to the essential message chapter and verses in the biblical book Revelation You can not fully understand who Jesus is until you understand Revelation Suddenly the overall message of the bible comes together Exciting This book is for bible readers that would like to be challenged and to understand the bigger picture of what God is trying to teach us through his word If you on the other hand have a theology cemented in cherry picked bible verses and religious denominational tradition this book most likely is not for you

Revelation R. Berning,D. McMurdo,2007-10 What does Revelation really mean Writers in the past have tried to use their own understanding to explain Revelation instead of using the Bible The result is complicated confusing and difficult to understand The explanation in this book relies on the scriptures There are no complicated verses to connect together no going here and there for answers This book puts the scriptures right in front of you so you can see for yourself if what is said is right

The Book of Revelation Ed Griffiths,2017-01-04 The Revelation of Jesus Christ which GOD gave unto Him to show unto His servants things which must shortly come to pass This book is structured for a personal study and a way to encourage others to spend time investigating the treasures awaiting all of us in the WORD If events in Revelation are not explicitly delineated in Revelation the meaning is found in other books of the bible This is the only book in the Bible that carries its own blessing for all who read and study this book Blessed is he that reads and they that hear the words of this prophecy and keep those things which are written therein for the time is at hand

book of Revelation is the most prominent book in the Bible when it comes to revealing the events of the end times Revelation has been misunderstood by ministers and laymen alike since its canonization in the Bible It has been interpreted in so many ways that it is confusing to the average Bible student therefore many today make very little or no attempt to understand its truths This book however uses a different method of interpreting the Revelation It uses the 39 books of the Old Testament and 27 books of the New Testament in the Bible to interpret the book of Revelation Scripture interpreting Scripture You see God has hidden the symbols and mysteries of Revelation within the Bible itself When we make this amazing discovery we will have more Understanding Revelation the title of this book Jack Hilliard received his BS and MBA from California Coast University He has been a student of the Bible since his salvation experience in 1978 He has taught a class in Revelation a walk through the Old and New Testament of the Bible Teaching teachers etc He has served the Lord in many ways since 1978 including service as a Sunday School Teacher Chairman of the Personnel Committee Member of the Finance Committee Deacon and Chairman of the Deacons etc He retired in 2005 after serving 35 years in the utility industry where he received many awards and commendations from superiors and peers Jack heard the calling from the Holy Spirit approximately 7 years ago to write a book on Revelation This book is an answer to that call Within the Bible are passages from the Old and New Testament that reveals the mysteries and symbols of the book of Revelation There are many of those passages defined in this book

Understanding the Book of Revelation Dr. Gordon L. Boggs, 2019-03-06 The Book of Revelation has been a mystery to many people for many years One of the basic roadblocks to understanding the Book of Revelation has been the fact that there is no Temple in Jerusalem The Temple was destroyed in AD 70 so for almost two thousand years since the Book of Revelation was written there has been no Temple in Jerusalem Nevertheless John the author of Revelation was instructed to Measure the Temple Revelation 11 1 8 Daniel spoke of how the Anti Christ would Stop the Daily Sacrifices at the Temple Daniel 12 4 13 Paul spoke of how the Anti Christ would sit as God in the Temple of God and proclaim that he was

God 2 Thessalonians 2 1 5 Jesus spoke of the coming Tribulation and mentioned the Abomination of Desolation which occurs inside the Temple Mathew 24 15 21 Mark 13 14 19 But from AD 70 until May 1948 Neither the Temple nor the Nation of Israel existed This book will walk you through the exact Sequences of when each Biblical Event occurs and give you the exact Bible References so that you can see the actual Biblical Sequence of Events for yourself The First Chapter will close with a List of 12 Events all in Sequence all with actual Bible References The Final Chapter will close with a List of over 100 Events all in Sequence all with actual Bible References If you ever wanted to know for sure What Does the Bible Say Then this book is for you **Revelation** The Navigators,2019-01-15 Engage Your Imagination Gain insight into one of the Bible s most confusing and controversial books See how John s first readers would have understood his apocalyptic visions as well as how others have interpreted these throughout church history Trace Revelation s expansive allusions throughout the Old and New Testaments so you can decide what you believe about the letter s end times signs and symbols In the end walk away with a clearer understanding of how John s images bolstered the faith of the churches he loved and how they can fortify your own faith today LifeChange LifeChange Bible studies will help you grow in Christlikeness through a life changing encounter with God s Word Filled with a wealth of ideas for going deeper so you can return to this study again and again Features Cover the entire book of Revelation in 15 lessons Equip yourself to lead a Bible study Imagine the Bible s historical world Study word origins and definitions Explore thoughtful questions on key themes Go deeper with optional projects Find the flexibility to fit the time you have Revelation Explained At Last Enoch Amor,2021-07-13 If we did not realize already that it takes a lifetime to understand the Bible and that s a good thing the point is driven home when we get to the last book in the Bible Revelation It starts out simply enough it is a revelation in Greek apocalypse from Jesus Christ it is a prophecy and it comes as a letter to seven churches Fair enough but then come to the angels beasts earthquakes horses and riders wars thrones and much more What are we to make of all this The author is a pastor and Bible teacher whose New Testament studies have impacted many around the world In this book he tackles one of its toughest books taking the mystery out of what has become a complicated approach to Revelation Examining what the book meant to the early churches to which it was sent he presents a verse by verse study that exalts the Lord Jesus Christ as King over all philosophies dictators and false gods By uncovering its significance to early believers The Revelation Project provides valuable lessons for modern readers as well It reclaims the last book as one of wonder and victory that will enhance your devotional life and improve your understanding not only of Revelation but of the entire Bible as well Whether you read one study every week for a year or choose to go more slowly or more quickly this is a book that will give you the confidence that God s mysteries are not mysteries at all but subtle truths He wants you to understand for your everyday life and work **A Primer on the Book of Revelation** Ted Noel,2010-01-01 Revelation is sooo complicated Wait a minute If a Jewish fisherman understood what his Rabbi showed him then it shouldn t be hard for us either We just need his tools Fortunately God left them for us in the same place John found them the Bible This

Primer uses the rest of the Bible to explain Revelation in plain language We ve banned the big words professors use We ve thrown out their multi part sentences and we don t waste time explaining why we disagree with somebody Instead we try to let the text speak for itself When you read this Primer you ll see that it was written for you with great respect for God s word By the way Revelation isn t that complicated After all it s the revealing of Jesus Christ **The Revelation of Jesus** Larry W. Wilson,1992-10
