Revelation The Coming King:

Revelation Robert Edward Harlow, 1984 Much of Scripture cannot be understood without the book of the Revelation Harlow opens it in a way that any believer can understand **Apocalypse...the Unveiling of Jesus Christ "Coming King" in the Book of "REVELATION"** Gary Eldridge, 2010 A Synopsis of Bible Teaching Encouraging Spiritual Growth c Over the past half century I have been reading and summarizing the following books of the 66 Bible books 63 books of the Pseudepigrapha Dead Sea Scrolls 14 books of the Apocrypha Writings of Josephus plus other miscellaneous books and thinking of early church fathers I have found that many Bible believers do not have the time or wherewithal to research and compile God's information understanding small snippets for ones ingesting I have over the years have taken the Bible and other supporting information spinning a web of digestible bites to ponder and meditate Revelation is a comprehensive commentary on the Book of Revelation There are approximately extra 51 indexed supplements to further explain the topics in the main text ABOUT the AUTHOR Pastor Gary has taught at the Monterey Peninsula College for 28 years taught classes at the Naval Postgraduate School in Monterey and an engineering class at San Jose State University He is an author of a book on Geometric Analysis on Electronic Circuitry trained in Education Engineering Other Credentials are as follows Life credentials in Ca Teaching and Community Colleges in Supervising Related Areas Engineering Industrial Held 1st Class Electronics w radar endorsement Awarded three patents in the field of fluidics Held position as elder in 6 different churches Taught Theology at 10 different churches Was Ordained as a Master Fellow Reverend Was certified by UACCCI United Association of Christian Chaplain Counselor Awarded the title of Professor Emeritus Founded church planting in the Berean Bible Fellowship Senior Pastor Written various papers some are Commentary Book of Revelation Manuscripts 13 Theological Topics 6 Volumes on Spiritual Growth *The Coming King* James Edson White, 1911 **Understanding Revelation** Malcolm Hedding, 2013-01-30 The Book of Revelation is often polarizing Many choose to avoid the work altogether declaring it to be unknowable or intimidating Others maintain a fascination with the images and characters of the prophetic pictures of Revelation Malcolm provides a remarkable perspective on the Book of Revelation He invites the reader into the text providing a devotional approach to the truth presented His insights help illuminate the promises and warnings of God His combination of scholarship and pastoral concern are very helpful in sorting through the complexities of Revelation and therefore his discussion of the temporal eternal and eschatological aspects of Revelation constitutes very helpful distinctions Malcolm does a remarkable job of introducing the reader to Jesus throughout the Book of Revelation It is after all a Revelation of Jesus Christ **A Glimpse of the Coming King** Richard J. Hill, 2018-04-26 In A Glimpse of the Coming King author Richard J Dick Hill explores what the Word of God teaches about the second coming of the Lord Jesus Christ He invites believers to consider many biblical passages that predicted Christ's first coming and then those that describe His second coming The Bible student can look to the prophetic words of the Bible and get a glimpse of our coming King and

reflect on how He will return triumphant and victorious ushering in a new epoch on this earth This will be the time when the King of this entire universe the Lord Jesus Christ will return to this earth and be crowned King over all His created order This small planet so seemingly unimportant will become the center of God s amazing plan for this universe By preparing spiritually now and studying the prophetic Word of God we will treasure this magnificent kingdom and delight in the coming days of the King

The End Mark Hitchcock,2012-07-06 A Comprehensive Guide to Bible Prophecy and the End of Days The end times have seen a great amount of interest within the last two decades but there hasn t been a comprehensive overview of biblical prophecy and eschatology for more than five decades Mark Hitchcock s book is a thorough resource for the twenty first century The End will do for eschatology what Randy Alcorn s Heaven did for people s understanding of heaven It will provide a solid biblical foundation for Christians to explore the essential truths around this topic the end of the world In a clear and understandable way The End lays out How to interpret Bible prophecy The key prophecy passages in Scripture What you need to know about the Tribulation the Antichrist and signs of the last days The strengths and weaknesses of the different views on the Rapture the Millennium and the chronology of the end times events The book of Revelation doesn t need to feel daunting The End will give you confidence in and hope for the future as it points you toward the second coming of Christ

The Antichrist and the Second Coming Duncan W. McKenzie,2012-04 What if the commonly held beliefs concerning the Antichrist are mistaken The Antichrist and the Second Coming looks at the Antichrist and the Second Advent of Christ from a preterist i e past fulfillment perspective and provides a unified interpretation of the little horn the prince to come the king of the North the man of lawlessness and the beast This is the second in a two volume set on the Antichrist it focuses on the book of Revelation This edition stands on its own and is recommended reading even if you have not read the first volume which focuses on Daniel and 2 Thessalonians McKenzie shows how the Antichrist was ultimately a spiritual ruler from the abyss Rev 11 7 that worked through Titus in his three and a half year destruction of the Jewish nation AD 67 70 cf Dan 9 26 This spirit of Antichrist was about to come out of the abyss in the first century Rev 17 8 NASB and was destroyed by the Second Advent of Jesus in AD 70 a spiritual event Continue reading to see how McKenzie convincingly makes the biblical case for this fascinating and controversial position and what it means for us today Dr Duncan McKenzie is a licensed psychologist Ph D in psychology who lives in Los Angeles California He has been studying Bible prophecy for the past twenty five years and has been researching and writing this two volume set for the last twelve years

Martin Luther King's Biblical Epic Keith D. Miller,2011-11-15 In his final speech I ve Been to the Mountaintop Martin Luther King Jr delivered his support of African American garbage workers on strike in Memphis

Although some consider this oration King's finest it is mainly known for its concluding two minutes wherein King compares himself to Moses and seems to predict his own assassination. But King gave an hour long speech and the concluding segment can only be understood in relation to the whole. King scholars generally focus on his theology not his relation to the Bible or the circumstance of a Baptist speaking in a Pentecostal setting. Even though King cited and explicated the Bible in hundreds of speeches and sermons, Martin Luther King's Biblical Epic is the first book to analyze his approach to the Bible and its importance to his rhetoric and persuasiveness. Martin Luther King's Biblical Epic argues that King challenged dominant Christian supersessionist conceptions of Judaism in favor of a Christianity that affirms Judaism as its wellspring. In his final speech, King implicitly but strongly argues that one can grasp Jesus only by first grasping Moses and the Hebrew prophets. This book also traces the roots of King's speech to its Pentecostal setting and to the Pentecostals in his audience. In doing so, Miller puts forth the first scholarship to credit the mostly unknown but brilliant African American architect who created the large yet compact church sanctuary which made possible the unique connection between King and his audience on the night of his last speech. *The King Is Coming!* Elizabeth Smith, 2020-04-07. This Bible study is a layman's exposition of Revelation. It is delivered as a simple, timely look at historical events that have already happened, those occurring now, and the prophetic soon return of our great God and King Jesus. *The Soon Coming King* Maureen Mataranyika, 2018-11-26. This is a serious message to the church. The Lord gave this deep revelation of the heavenly home and his desire to take us there just after getting rid of Judas. This message was meant to be a comfort to the remaining disciples who had been true to him while he walked on earth. Jesus does not share deep secrets with everyone. He gives all men a chance to choose him, but he does not force himself on any man. Judas had walked with the Lord for three and a half years. He had seen all the miracles and when he was sent out to cast out demons, he also had demonstrated power under special grace, but he made a choice to walk away from that grace and betray the King of kings. He is one man who kissed the door to heaven but still went to hell. How sad.

High Priest and Coming King Maurice Hoppe, 2009-09-16. Since we have a great high priest who has gone through the heavens, Jesus the Son of God, let us hold firmly to the faith we profess. For we do not have a high priest who is unable to sympathize with our weakness, but we have one who has been tempted in every way, just as we are, yet was without sin. Let us then approach the throne of grace with confidence, so that we may receive mercy and find grace to help us in our time of need. We do have such a high priest who sat down at the right hand of the throne of the Majesty in heaven, and who serves in the sanctuary, the true tabernacle set up by the Lord, not by man.
