Understanding the Bible Jerry Ruff, Sr., 2008. *Understanding the Bible: A Guide to Reading the Scriptures* will inform your reading and enrich your understanding of the Bible from historical, literary, and faith perspectives. It is ideal for use regardless of your background, your beliefs, your questions, or the Bible translation you are reading. Inside are articles that explore the Bible in its faith, historical, and cultural contexts. The Bible is looked at as literature too, its genres and literary forms. There are articles introducing the Old and New Testaments, specifically the Pentateuch, the Historical Books, the Wisdom and Poetry Books, the Prophets, the Gospels, and the Acts of the Apostles, the Letters, and Revelation. The history and differences of translations are discussed, and other tools to help you unlock the Bible are introduced. Additional aids include maps, charts, a timeline, and a glossary. Together, these aids further investigate the Bible and the world in which it was written, as well as the progression of scholarship that helps us understand the Bible today. **Family Bible Study Series** Eric C. Bible Lessons on the Book of Revelation John R. Rice, 2000-08. **Understanding the Book of Revelation** D. Min. David Baxley, 2018-05-14. *The Book of Revelation* has long been thought of as a formidable and confusing work, understandable to only elite Bible scholars. But like its very name, Revelation, understanding of this seemingly complex book is available to all. God has even promised a special blessing to those who read it. David Baxley, D. Min., has broken down the perceived barriers and written a simple verse-by-verse commentary that is understandable to even beginning Bible students. It includes maps, a chronology of end-time events, and wars, definitions, and cross-references to Old Testament scriptures that point to the time of the end. He also includes discussion of sections that are still not fully understood or defined with possible varying interpretations. Revelation readers can get bogged down in the symbolism and sensationalism of the judgment and miss the main message of the book. It's a book of hope in the return of Jesus Christ and His perfect rule that will bring an end

to evil and injustice and believers will live with God forevermore A bible student for over 50 years and pastor for over 40 Dr David Baxley has studied and taught the Book of Revelation extensively While in the hospital recovering from a heart transplant he realized that the sequence of end time events was still not clear in his mind so he spent the next two years in intense study This book is the result of that study **THE ENCYCLOPEDIA OF CHRISTIAN APOLOGETICS** Edward D. Revelation's Essential Truths Donald Werner,2017-10-03 The Book of Revelation is the final book of the New Testament after the rest of the New Testament was written God saw the need for one last book and it is also the last book given by God to give us His final advice instructions encouragements and warnings The Book of the Revelation also contains many apocalyptic visions including the plagues seals bowls etc In this book I will not try to interpret all of the apocalyptic visions because the Book of Revelation has much greater truths that we need to learn first such as Who and what is Babylon How do we get out of Babylon Who are the redeemed and how can we be among them How does a person receive the Seal of God What is the Seal of God How does a person avoids the Mark of the Beast What qualifies a person to enter the New Jerusalem We need to know all of this and more as Judgment Day is fast approaching And what I found in God s last book will take most Christians out of their comfort zones and out of Babylon What I have to share in this book is far more important than endless speculation on the nature timing and sequence of the apocalyptic events with endless speculations as to who is the beast or the false prophets I m sure that you will be informed warned instructed encouraged and blessed by this book just as I was in writing it

Divine Revelation Explained and Vindicated; a Course of Lectures ... Divine revelation,Revelation,1866 **Revelation** M.R. DeHaan,2015-05-07 Blessed is he that readeth and they that hear the words of this prophecy and keep those things which are written therein for the time is at hand

Rev 1 3 Behold I come quickly blessed is he that keepeth the sayings of the prophecy of this book Rev 22 7 The author of the book of the revelation is Jesus Christ Rev 22 16 The Lord intended that this book should be read and studied especially by His people Rev 1 3 It is not a sealed book as many suppose but one which is open and easy to understand Rev 22 10 Bearing these facts in mind we find the study of Revelation to be fascinating illuminating and deeply profitable instead of difficult and confusing The messages in this volume constitute thirty five radio sermons which were preached first over the Mutual Network and by foreign and short wave stations around the world from August 1945 to April 1946 The response to these radio messages was so enthusiastic and the evident desire for light on the book of the Revelation so general that we soon decided to print these studies on one volume Hence this book No attempt has been made to present an exhaustive verse by verse exposition of the book but rather we have tried to present the general outline the basic structure and the framework We have dwelt at length on certain passages because they constitute the pillars of the book Our purpose is to present clearly the general outline and structure and then the details will fall naturally into their proper places If certain simple rules are followed in reading and studying it the book of the Revelation becomes clear logical and easily understood We present here a few rules which should be observed before studying the book 1 Revelation is not a dark book It is a revelation 2 It is not necessary for one to understand all the symbols and details if he is to gain a deeper knowledge of the book as a whole One need not be able to identify every tree in the forest to appreciate the beauty of the forest as a whole 3 Observe the rule of literal interpretation The greatest curse of the Christian Church is the evil of spiritualizing the Bible Although there are many symbols and signs in the book as in every other book and in our daily conversation the context indicates whether a passage is to be interpreted literally or symbolically Interpret literally except where the context or grammatical structure clearly indicates that the reference is a symbol or a sign 4 Approach the Book with a fresh mind Try to forget the views you have held concerning the Book because others have declared it to be mysterious and beyond our understanding Thousands of believers never read Revelation but carefully avoid it simply because someone told them it is a dark book and impossible to understand Study the book for yourself 5 Read the book prayerfully realizing that the Holy Spirit who infallibly inspired the book is also the person Who must illuminate the book Never read a portion of scripture without first asking Him for light and guidance We submit for your help the following simple outline of Revelation Remember these five rules as you study it If you will memorize the outline thoroughly and keep it clearly before your mind you will have no trouble filling in the details Grand Rapids Michigan M R DeHaan *Divine Revelation explained and vindicated: a course of lectures for the times, delivered in Glasgow in the Spring of 1866, by the Rev.
