Bible Lessons on the Book of Revelation John R. Rice, 2000-08. **Understanding the Book of Revelation** D. Min. David Baxley, 2018-05-14. *The Book of Revelation* has long been thought of as a formidable and confusing work, understandable to only elite Bible scholars. But like its very name, Revelation, understanding of this seemingly complex book is available to all. God has even promised a special blessing to those who read it. David Baxley D. He also includes discussion of sections that are still not fully understood or defined with possible varying interpretations. Revelation readers can get bogged down in the symbolism and sensationalism of the judgment and miss the main message of the book. [The End of the Beginning A Bible Study on the Book of Revelation](#) Virginia Ann Work, 2020-07-18 Is this the end of the world Recent events with the recent COVID 19 pandemic and other catastrophes that have affected the entire world signal that the end days are on our doorsteps The Judge and King Jesus Christ is standing at the door He is ready to come and shake up this world and judge sin What can we do What we should NOT do is give into fear and panic both tools of Satan There should be no room for fear in our lives when we trust the One who died for us and loves us with immeasurable love What we SHOULD do is understand what is happening and will happen in the near future according to God's Word God has graciously explained in great detail what His plan is for the world in the last days The End

of the Beginning Bible Study on the book of Revelation is an in depth Bible study designed to teach the Word of God in a clear understandable way for both individual and group study Each lesson consists of information and questions to be answered from the text both essay and fill in the blank These questions will direct the student into the text and lead them to compare Scripture to Scripture to better understand it Included are 4 chapters from the book of Daniel into this study because Daniel lays a foundation to understand the truths in the book of Revelation This study takes the literal view of Scripture unless the passage clearly states it is a figure of speech I believe in a literal pre tribulation rapture of the church a literal 7 year Great Tribulation with a world dictator called the Antichrist and a literal kingdom age where Christ will rule the world from Jerusalem for 1 000 years The Bible must be taken literally to be understood as God meant it to be and it must be studied diligently and correctly In this study you will compare Scripture to Scripture read the passage in its context and discover the Greek meanings of the words used You will learn the customs of the day in which it was written You will be encouraged to memorize a verse or two of Scripture with each lesson The book of Revelation is told from God s perspective You will be caught up with John to the third heaven and witness the incredible and awesome things God does in these last days Having gained a better understanding of what will happen next you will find hope and peace about God being in control of world events and you will experience joy in your daily walk as you grow in grace and in the knowledge of our Lord and Savior Jesus Christ My prayer is that this Bible study will lead to a deeper passion for God and for His Word and that passion will motivate many to share with those who are lost the hope we have in Christ Jesus What people are saying about the study I loved the thorough research into the passage the questions that caused us to dig deeper and how the study taught me to compare the text with other passages of Scripture to provide clarity Learning the Greek meaning behind the English words was special to me I appreciated the historical background that the study provided and the personal applications I learned so much from this study that I intend to teach others in my church Kathy The lessons were well thought out and well prepared I have confidence in Virginia s knowledge of the Bible She patiently taught helped me understand the Bible better Lois It was a very in depth study and I learned a lot Donna *Divine Revelation explained and vindicated: a course of lectures for the times, delivered in Glasgow in the Spring of 1866, by the Rev. Revelation M.R. DeHaan, 2015-05-07 Blessed is he that readeth and they that hear the words of this prophecy and keep those things which are written therein for the time is at hand Rev 1 3 Behold I come quickly blessed is he that keepeth the sayings of the prophecy of this book Rev 22 7 The author of the book of the revelation is Jesus Christ Rev 22 16 The Lord intended that this book should be read and studied especially by His people Rev 1 3 It is not a sealed book as many suppose but one which is open and easy to understand Rev 22 10 Bearing these facts in mind we find the study of Revelation to be fascinating illuminating and deeply profitable instead of difficult and confusing The messages in this volume constitute thirty five radio sermons which were preached first over the Mutual Network and by foreign and short wave stations around the world from August 1945 to April 1946 The response to these radio messages was so enthusiastic and the evident desire for light on the book of the Revelation so general that we soon decided to print these studies on one volume Hence this book No attempt has been made to present an exhaustive verse by verse exposition of the book but rather we have tried to present the general outline the basic structure and the framework We have dwelt at length on certain passages because they constitute the pillars of the book Our purpose is to present clearly the general outline and structure and then the details will fall naturally into their proper places If certain simple rules are followed in reading and studying it the book of the Revelation becomes clear logical and easily understood We present here a few rules which should be observed before studying the book 1 Revelation is not a dark book It is a revelation 2 It is not necessary for one to understand all the symbols and details if he is

to gain a deeper knowledge of the book as a whole One need not be able to identify every tree in the forest to appreciate the beauty of the forest as a whole 3 Observe the rule of literal interpretation The greatest curse of the Christian Church is the evil of spiritualizing the Bible Although there are many symbols and signs in the book as in every other book and in our daily conversation the context indicates whether a passage is to be interpreted literally or symbolically Interpret literally except where the context or grammatical structure clearly indicates that the reference is a symbol or a sign 4 Approach the Book with a fresh mind Try to forget the views you have held concerning the Book because others have declared it to be mysterious and beyond our understanding Thousands of believers never read Revelation but carefully avoid it simply because someone told them it is a dark book and impossible to understand Study the book for yourself 5 Read the book prayerfully realizing that the Holy Spirit who infallibly inspired the book is also the person Who must illuminate the book Never read a portion of scripture without first asking Him for light and guidance We submit for your help the following simple outline of Revelation Remember these five rules as you study it If you will memorize the outline thoroughly and keep it clearly before your mind you will have no trouble filling in the details Grand Rapids Michigan M R DeHaan **Revelation's Essential Truths** Donald Werner, 2017-10-03 The Book of Revelation is the final book of the New Testament after the rest of the New Testament was written God saw the need for one last book and it is also the last book given by God to give us His final advice instructions encouragements and warnings The Book of the Revelation also contains many apocalyptic visions including the plagues seals bowls etc In this book I will not try to interpret all of the apocalyptic visions because the Book of Revelation has much greater truths that we need to learn first such as Who and what is Babylon How do we get out of Babylon Who are the redeemed and how can we be among them How does a person receive the Seal of God What is the Seal of God How does a person avoid the Mark of the Beast What qualifies a person to enter the New Jerusalem We need to know all of this and more as Judgment Day is fast approaching And what I found in God's last book will take most Christians out of their comfort zones and out of Babylon What I have to share in this book is far more important than endless speculation on the nature timing and sequence of the apocalyptic events with endless speculations as to who is the beast or the false prophets I'm sure that you will be informed warned instructed encouraged and blessed by this book just as I was in writing it
