McRay,2014-06-05 Down through the ages the religious world has tried to determine who had or will have the number of 666 that is mentioned in the book of Revelation Many have tried to determine the meaning of the number or used creative ways to make a name add up to 666 In recent times some have employed computer programs to decipher who he might be Many have dared to put forth names varying from religious leaders to kings governments political figures and even unbelieving diabolical men but each has failed to be revealed as the man whose number is six hundred and sixty six Church going people everywhere have been taught to fear the beast and the mark that could be placed on their bodies They have been told that unsuspecting people will be deceived into accepting the mark and thereby sealing their fate However you are about to discover the answer to this great mystery in plain detail The Bible reveals the answer and it is much different than you have imagined Dr Ron McRay in his usual style of writing has once again found a gem hiding in plain sight He states the solution is simple natural and meets all the circumstances of the case You will soon know more about the antichrist and the number 666 than most pastors scholars theologians and Bible commentators Equipped with this knowledge you may find yourself questioning the teachings of your church for it may open your mind to Bible truths never before revealed This book will surely shake the religious stronghold and bring peace and understanding to confused and mislead groups of people This is truly an exciting time in history to finally have a Biblical answer to the nagging questions of the antichrist and the number 666 **The Mark of the Beast** Godfrey Godfrey,2015-06-03 The Scriptures is full of codes which have been placed for

human identification and gain The problem often is that man does not always have the resources to unlock these codes While acquisition of the keys to these codes is within human grasp most men have not disposed themselves to seeking the truth of the Lord God and getting the corresponding benefit that is promised man Much of the time we read the genealogies of Bible characters with the lethargy of reading a very uninteresting subject Much of the time we glance past many of these convinced there is nothing relevant in them for the modern man However there is a lot to learn and to uncover in the Bible Some of the greatest secrets and the most sought after secrets are actually cached in the supposed boring genealogies The

Scriptures is replete with numbers. Often these numbers have overwhelming value and significance. One number that has continued to hold a mysterious grip on many and defy explication is the number 666. There can be no doubt that numbers in the Scriptures need to be studied. Numbers are signs. A survey of signs of the Lord easily reveal that most signs of the Lord God are revealed to the beneficiaries being almost always the people that the signs are meant for. Thus studying a number or group of numbers should not be limited to scholastic approach. There is a need to incline or dispose oneself to the Lord for the necessary revelation. Anything short of this may lead to conjecture and wrong assumptions which may not stand rigorous empiricism. The one Book of the Scriptures that holds information relating to the mark of the Beast is the Book of Revelation. The interesting thing about the Book of Revelation as it concerns this number is that it was never supposed to defy interpretation. It is the wisdom of the Lord God that this code be used and it is also the understanding that the Lord God Himself gives that can break this code of a number. Rev 13:18 Here is wisdom. Let him that hath understanding count the number of the beast for it is the number of a man and his number is Six hundred threescore and six. We can see from verse 18 just above that 666 is the number of a man. This is a bit ambiguous. Most persons have misinterpreted it to be the number of a man's identification card or credit card. When the Scriptures talk of a man in this case it is generalizing meaning generic man and not a specific person. Thus we can see that the beast is actually human. In actuality the beast is both spirit and man. It is the product of a fusion of a spirit and a human female. The product is conspicuously a man but latently a spirit. It is man that has degenerated to a sub human level. The beast does not have the number of a beast or the attributes of a beast but that of a man. This is because the beast is actually human. It is redolent of the analogy of defining the Devil as a Serpent. Thus instead of saying Devil the Scripture also uses Serpent while we are actually dealing with a being that is not a snake. He is supposed to have been one of the best in Heaven. Serpent is only used in analogy. In the same vein beast is only a satirical application to a man who has refused to identify with the Lord God. The Devil himself was the first beast the beast of Eden. He came to the first people like a beast that is a serpent. That is why he is known as the Serpent. The anti Christ being one with the devil comes in the image and spirit of his father the Devil. That is why he is equally known and addressed as the Beast. The mark of the Beast is not placed on animals but on man. It is a sign which incorporates the numbers of the Living God and the number of the Devil. It is an unholy alliance which is detested by the Lord God and cursed. Read this book and understand without the least ambiguity what the Mark of the Beast is really all about. You shall have your money refunded if you have a better explanation to this and can prove it. Wealth, the Name and Number of the Beast, 666, in the Book of Revelation

The 666 Theory Proved Bernard Nwaokeleme PhD,2020-09-18 This book attempts to use the encouragement given in Revelation 13 18 where it is clearly implied that the identity of the Beast Antichrist is embedded in the number 666 which requires wisdom and understanding for its interpretation Hence the number 6 that stands as the common feature of the identity of the Beast is used as a base value in the mathematical calculation Following the results obtained whereby it was proved mathematically in the book that the Beast Antichrist will be A Cloned Human the authors now appear to have removed all doubts based on the previous conceptions people had of The 666 Theory interpreted as being represented by historical personages and dignitaries Lots of obstacles were experienced during the composition of this corpus Severally important written manuscripts disappeared and attempts were made by unknown forces to cancel or efface the drawings stored in the memory of the computer Prayers were often said over the lost manuscripts and some were recovered after These obstacles did prolong the publication of this work However the obstacles do prove the reality of the existence of the Devil and his hordes of evil angels who had tried everything possible to stop the research work The attention of world governments have been drawn in the book to the imminent dangers that would face our world if the Antichrist were allowed to surface from either the sea or land as suggested in the Book of Revelation The actual probable date of 2012AD for the birth of the Antichrist has been worked out mathematically as implied in the Revelation Text 13 18 The authors therefore warn all governments that the greatest world enemy is about to come through human cloning science The most needful war to be launched and fought must be the war against human cloning If this is not done the Antichrist must surface from a colony of human clones in a few years ahead If this war against human cloning is not launched now the world should get ready to face a very severe war of the Antichrist as from the year 2042 AD when the Antichrist would have grown into maturity as a world Dictator This book cautions that all hands must be on deck to fight the battles of this imminent war If you want to be a soldier in this crusade war this book is your armour and weapon I recommend this book to Governments Institutions Churches and families because it will likely serve as a deterrent to the menace the Devil is planning to usher into the world in the near future
