Bible Prophecy Under Siege Ron Rhodes, 2024-02-13 Understanding and Answering False Claims about Prophecy Many people today cast doubt on the promises God gives his church in Bible prophecy as predicted by Scripture itself Scoffers will come in the last days with scoffing following their own sinful desires They will say Where is the promise of his coming 2 Peter 3 3 4 Bible Prophecy Under Siege provides a thorough survey of the misunderstandings and misguided thinking people sometimes have about the last days Prophecy expert Ron Rhodes offers you careful guidance through these differing viewpoints and you will learn the ways Bible prophecy is under siege and how to respond to false claims biblically gain helpful historical insights about the rapture and other prophetic issues be emboldened to hold firmly to prophetic biblical truth during trying times be encouraged to live with conviction rooted in God s Word With a perspective grounded in the Bible you will be equipped to discern flawed views on prophecy rest secure in immovable truth and grow in anticipation of the day when Christ will make all things new **If Not “Pre-Trib Rapture,” Then What?** Teri Sue Riddering TH.D., 2020-01-22 This book is a careful attempt to explore and fill in the picture of the eschatological puzzle using the entire Biblical Scripture cohesively within a conceptual framework of two peoples Jew and Christian who are His people of the New Covenant Jer 31 31 Matt 2 28 united under one Messiah as one new man Eph 2 15 Using solid hermeneutical practices the author attempts to disprove some major aspects of the Pretribulational Rapture theory because it produces a distorted picture of future events regarding the relationship between Jews and Christians She has organized prophetic past present and future events into a logical and coherent sequence that more closely resembles historical reality and God s eternal plans At the end she highlights some of the similarities between Christian and Jewish eschatologies and then describes the final outcome of God s purposes with mankind while offering some suggestions as to what Christians can do as they await victoriously for the converging of both eschatologies and the fulfillment of all things *Harbingers of Hope* William E. Hull, 2007-11 Words to inspire and live by from a preeminent theologian and educator **Matters of Consequence** Dr. Rick

Young,2018-02-22 Matters of Consequence Critical Eschatological Issues Impacting Endtime Preparation is the authors dissertation for a doctor of philosophy in eschatology from the Luder Wycliffe Theological Seminary Endicott New York Dr Rick Young applies the proven methods of emergency preplanning and crisis management to better prepare Christians for the prophetic end time events foretold in the Bible By means of developing the worst case scenario concept he challenges the reader to think through countermeasures for that vital preparation In this way eschatology actually becomes practical

The Mystery of Prophecy: Volume 1, The Secrets of Daniel Harlan Legare,2018-10-31 Forty years ago the Holy Spirit told Harlan Legare If you study I will teach you With that promise came a great love for God s prophetic word The teaching of the Holy Spirit began with an understanding of the prophecies of Daniel the key to understanding the words of many of the other prophets especially those of Zachariah and those of John in the book of Revelation Here are just a few of the many mysteries of prophecy revealed in *The Mystery of Prophecy The Secrets of Daniel* that were revealed to Harlan by the Holy Spirit through those years The time of the Rapture within the schedule of events of the coming days The marvelous truth of the days of 1335 the beginning of birth pangs of the rebirth of the nation of Israel The real identity of the infamous head of the beast that was wounded unto death by the sword Proof that the Antichrist will not rule the world The key to the mystery of Babylon the Great and the scarlet colored beast she rides The origin of the Antichrist The true purpose for the existence of the Red Dragon with seven heads and ten horns A complete interpretation of the Beast from the Sea with its seven heads and ten horns The exact date of the crucifixion of Jesus The exact day of Artaxerxes s command to restore and to build Jerusalem The very place where Israel was to flee for the 1 260 days of protection Revealing of the identity of the coming King of the North The event that begins the 2300 evenings and mornings Why God sealed the book of Daniel *Conspiracy Films* Barna William Donovan,2014-01-10 For many years conspiracy theories have been among the most popular story elements in Hollywood films According to the conspiracy culture Government Big Business the Church even aliens all of which bundled together comprise the ubiquitous Them are concealing some of the biggest secrets in American and world history From *The Manchurian Candidate* 1962 to *JFK* 1991 *The Matrix* 1999 to *The Da Vinci Code* 2006 this decade by decade history explores our fascination with paranoia The work paints a vivid picture of several of the more prevalent conspiracy theories and the entertainment they have inspired not only in theatrical films but also in such television series as *The X Files* *Lost* and *V* **A Wedding Made in Heaven** Sherry England,2006-07 Many Christians are not familiar with ancient Jewish customs and so they can sometimes miss what the Bible says Jesus told the people of his day God s plan of salvation through their wedding customs What if Jesus told the plan of salvation as though it were a wedding of today How would it affect believers **Social Issues** **A MURDER OF CROWS** CHARLES E. CROCKETT,2012-07-18 **BACK COVER** Detailing the far right s attempts to alter the American political and economic landscape to satisfy its national ambitions **A MURDER OF CROWS** identifies over 100 people and organizations who would seek to turn back America to a time of little governmental participation lower tax

rates for the wealthy and a closely held corporate and personal control of society's functions and finances. It exposes the real desires and naked zeal of those who would place property rights over the rights and the needs of the average American citizen. The text is well documented and provides a scathing indictment of those on the right who would wish to alter America's future to serve only a very prosperous few.

The Apocalypse Is Everywhere Anne Rehill, 2009-11-12 This wide ranging exploration of the apocalypse in Western culture seeks to understand how we have come to be so preoccupied with spectacular visions of our own annihilation offering abundant examples of the changing nature of our imagined destruction and predisposing readers to discover many more all around them. **The Apocalypse Is Everywhere: A Popular History of America's Favorite Nightmare** explores why apocalyptic thinking exists how it has been manifested in Western culture through the ages and how it has woven itself so thoroughly into our popular culture today. Beginning with contemporary apocalyptic expressions the book demonstrates how surprisingly widespread they are. It then discusses how we inherited them and where they arose. Author Annie Rehill surveys the ancient belief systems from which Christianity evolved including ancient Judaism and other faiths. She explores the vision outlined in the Book of Revelation and traces the apocalyptic thread through the Middle Ages across the Reformation and Enlightenment and to the Americas. Finally to prove that the Apocalypse is indeed everywhere Rehill returns to the present to consider the idea of apocalypse as it occurs in movies books comics and graphic novels games music and art as well as in televangelism and even presidential speeches. Her fascinating scholarship will surely have readers looking about them with new eyes.

The Oxford Handbook of Eschatology Jerry L. Walls, 2007-12-03 Eschatology is the study of the last things death judgment the afterlife and the end of the world. Through centuries of Christian thought from the early Church fathers through the Middle Ages and the Reformation these issues were of the utmost importance. In other religions too eschatological concerns were central. After the Enlightenment though many religious thinkers began to downplay the importance of eschatology which in light of rationalism came to be seen as something of an embarrassment. The twentieth century however saw the rise of phenomena that placed eschatology back at the forefront of religious thought. From the rapid expansion of fundamentalist forms of Christianity with their focus on the end times to the proliferation of apocalyptic new religious movements to the recent and very public debates about suicide martyrdom and paradise in Islam interest in eschatology is once again on the rise. In addition to its popular resurgence in recent years some of the world's most important theologians have returned eschatology to its former position of prominence. The Oxford Handbook of Eschatology will provide an important critical survey of this diverse body of thought and practice from a variety of perspectives biblical historical theological philosophical and cultural. This volume will be the primary resource for students scholars and others interested in questions of our ultimate existence.

Mass Market Medieval David W. Marshall, 2007-04-11 Beginning in 1976 with the first issue of the journal *Studies in Medievalism* all things medieval and the concept of medievalism became a hot topic in culture studies. Medievalism examines how different groups individuals or

eras use and shape the image of the Middle Ages differentiating between historical knowledge of the Middle Ages and what we have made the period out to be The 13 essays in this book explore the medieval invasion of today's media and consider the various ways from film and print to websites and video games that the Middle Ages have been packaged for consumption Essays encompass diverse theoretical perspectives and are grouped loosely around distinct functions of medievalism including the exposure of recent social concerns the use of medieval images in modern political contexts and the medieval's influence on products of today's popular culture The legitimization of the study of medievalism and the effect of medievalism on the more traditional subject of medieval studies are also discussed Instructors considering this book for use in a course may request an examination copy here *The Time Is Near* Ian Foley, 2014-10-02 Evidence is accumulating that the current global civilization we enjoy is rapidly moving toward a crisis of expensive resources water security global warming and potential military conflict centred in the Middle East The Bible suggests that God anticipated the situation we see today as an inevitable outcome of our selfishness and greed In this first of two volumes author Ian Foley proposes the idea that the decline and collapse of this civilisation is part of the end time picture that the Bible gives The Old Testament book of Daniel lays out the first half of this picture starting from the Jewish exile to Babylon at the beginning of the sixth century BC and tracing the rise and fall of ancient empires It then introduces the founder of the final empire which will be completed when Jesus returns Through all this history Daniel depicts the tiny nation of Israel surviving exactly as the prophet Jeremiah predicted Like an unfolding detective story God's drama is revealed piece by piece so that we gradually come to understand up until the fall of the Roman Empire with the final exciting revelation in Daniel 11-12 completing the picture This study begins to reveal why there is so much confusion with our end time theologies and suggests a new revelation that is clearer and less ambiguous integrating the books of Daniel and Revelation into a single unambiguous message [Bible Prophecy for Everyone](#) Tim LaHaye, 2016-03-01 This book by bestselling author Tim LaHaye is a popular prophecy resource with nearly 140 000 copies sold It's a great starting point for anyone who wants to build a strong and foundational understanding of what Bible prophecy is all about In this guide originally titled *Understanding Bible Prophecy for Yourself* you'll find all the essential building blocks for understanding prophecy and more step by step examples of how to interpret Bible passages on the rapture second coming and millennial kingdom charts that present a clear outline of the future exercises to help you get a precise understanding of key Bible prophecies a comprehensive overview of God's plan for the future With world events guiding us ever closer to the Lord's return this vital resource will help you navigate the exciting and challenging days to come *Reclaiming the Bible from the Enlightened* Doug McNaught, 2007-11 Should Christians concede ground as far as the Bible is concerned Do the enlightened experts have a mortgage on the truth or can Christians simply believe the Bible in confidence *Reclaiming the Bible from the Enlightened* gives each Christian confidence to believe and obey the Bible knowing that they are remaining true to their own God and Saviour We don't have to give ground to

unbelievers or feel that our minds are inferior **The Posttribulational Rapture of the Church** Bruce Tucker, 2001-12-17

There are numerous texts written about the rapture and the end times. A brief excursion to your local Christian bookstore will provide ample evidence of the interest in this topic. From time to time people will attempt to give their text a twist or a slant in order to make their text different from the others. Nevertheless, most books about the rapture present the standard pretribulational argument and their unique nesses rest primarily in the contemporary issues which have stimulated the renewed discussion. New developments in the Middle East will usually generate a new set of books. Today the New World Order, Y2K, and even El Nino have provided fresh grist for predicting an imminent rapture. The interest, enthusiasm, publications, and even movies about the rapture are still increasing. A series of fictional novels about the tribulation period are cranked out monthly. Recent Hollywood motion pictures including *Left Behind* are based upon this. This book is different for several reasons. It does not emphasize any contemporary issue or current events which relate to the pretribulational scenario. Instead, it will spend its energies on specific biblical principles and doctrines and leave the application of those doctrines to the reader. What is more unique is that this book promotes a posttribulational rapture, a position which is different from most of the other books, and it critiques the theology of the pretribulational rapture which is the foundation for most of the other texts. Books which promote a posttribulational rapture are few indeed, and they are often too technical for the average lay person. There is a need for a book which is a comprehensive look at the rapture question and yet attempts to keep the language more understandable. To achieve the goal of being comprehensive, this book is divided into three parts: 1. a critique of the major arguments for a pretribulational rapture; 2. an analysis of the major biblical sections which discuss the rapture; and 3. a selective commentary on the Book of Revelation. The first section defines and evaluates the major pretribulational arguments. These arguments are repeated time and again in books promoting a pretribulational rapture. They are significant because they either help sustain a pretribulational rapture if justified, or they weaken it significantly if not. The church is not destined for wrath. The rapture must be imminent. The distinction between the church and Israel. The posttribulationists spiritualize the Bible. The types and parables teach a pretribulational rapture. The differences between the rapture and second coming. The second part of the book is an exposition of the major sections of the Bible which discuss the rapture. As the first part writes from the perspective of systematic theology, the second part deals with biblical theology. The Bible is evaluated independently from a system of theology and attempts to interpret the major texts on the rapture. Here are the passages to be addressed: The rapture passages in the Gospels; The rapture passages in First and Second Thessalonians; The rapture passages in First Corinthians; The rapture passages in Second Peter. The third part focuses upon the Book of Revelation. No discussion of the issue of the rapture or eschatology could be complete without including a discussion on this book. This book is both complicated and controversial, and my intent is not to write a complete commentary about Revelation, but only to discuss what is necessary to End Times Fiction Gary DeMar, 2001-11-06. Tim LaHaye contends that his

bestselling Left Behind series with Jerry Jenkins is the first fictional portrayal of prophetic events that are true to the literal interpretation of Bible prophecy Gary DeMar takes issue with this bold claim contending that the theological premise the series is based upon is only one interpretation of the book of Revelation DeMar examines the series in four distinct sections The Left Behind Sensation Putting Tim LaHaye s Literalism to the Test the Theology Behind Left Behind and What Does it Mean and What Does it Matter Readers will learn to develop a simple method of Bible interpretation and to assess the impact of Left Behind on the future of the church and our society
