Revelation An Exposition:

An Exposition of the Book of Revelation [with Text]. ,1850 *The Book of Revelation* Kevin J. Conner,2001-01-01

Exposition of the Book of Revelation Simon J. Kistemaker,Simon Kistemaker,2001 This clearly communicated evangelical commentary on Revelation confirms that Revelation is indeed a divinely constructed volume in which God shows his handiwork **Revelation** Carroll Gillis,1989-10-01 A Pentecostal Commentary on Revelation Jon K.

Newton,2021-02-15 This new commentary approaches Revelation from a Pentecostal perspective but you may be surprised at what this does and doesn't mean in this case This is a serious commentary based on the Greek text and includes discussion of all the standard topics authorship date audience etc It gives interpretive priority to the original context and audience while also discussing application today Newton eschews all populist interpretations of Revelation and questions many assumptions built on futurist or historicist readings but includes a survey of recent scholarly Pentecostal work on Revelation and an extended discussion of what an authentic Pentecostal reading of Revelation might look like The commentary highlights features of Revelation that Pentecostals often look for such as its pneumatology but also draws attention to features that Pentecostal readers should take more seriously than they often do such as its missional focus the narrative flow intertextual references and the focus on atonement This makes it a more optimistic commentary than many available The commentary interacts in depth with five leading commentaries over the past twenty five years as well as over two hundred other books and articles including the oldest existing commentary on Revelation **Revelation** Jack MacArthur,1975-01-01 **An**

Exposition of the Book of Revelation Odell Furtick Jr.,2018-03-23 Odell Furtick begins this exposition by saying Do you believe Its a question that everyone must answer personally Its been over two thousand years since anyone has seen Jesus on earth after his ascension and now the believers are told to wait for his return Has humanity grown weary in their belief and lost faith in the promises of God Dr Furtick leads his readers through the book of Revelation verse by verse reassuring the readers that Gods final words are reliable and precise The book of Revelation is one of the most neglected books in the Bible because of fear and lack of comprehension of its apocalyptic writings and prophetic symbols This book brings to life a concise knowledge of the mysteries of God concealed in the Old Testament and revealed in the Revelation of Jesus Christ The book of Revelation is relevant in the twenty first century and the world should believe the testimony of the apostle John and believe all the sayings written in the Word of God *Cookbook* ,1994 *The Apocalypse* Joseph A. Seiss, This work affirms the centrality of Jesus and His coming work of retribution and reward as the keys to understanding Revelation **Revelation**

written It seeks to explain the Old Testament eschatological expectations through the structure of New Testament eschatological revelations as expressed through the letter of Revelation This eschatological commentary is an attempt to revisit the biblical historical and orthodox teachings of the church concerning matters of the last days Revelation's Hymns Steven Grabiner,2015-02-26 Revelation s Hymns examines the hymnic pericopes in Revelation in light of the cosmic conflict theme It considers this theme as integral to the development of Revelation s plot Recognizing that critical studies give interpretative primacy to the political realities that existed at the time of Revelation s composition Grabiner responds to the need for an examination of the storyline from the perspective of issues that are of narrative importance Grabiner argues that the cosmic conflict is at the centre of the book s concerns and attempts to determine the function of the hymns with respect to this Previous examinations of the hymns have considered them as a response and or parody to Roman liturgy examples of God s unquestioned sovereignty or expressions of thematic overtones found throughout the book While these approaches make a contribution to a greater understanding of the hymns the relation to the ever present conflict theme has not been explored This study allows the hymnic sections to engage with the larger narrative issue as to who is truly the rightful sovereign of the universe An Exposition of the Book of the Revelation William De Burgh,1857 **The Revelation Explained** Frederick George Smith,1908 **The Revelation of John** Charles Rosenbury Erdman,1944 Auction catalogues of books Puttick and Simpson (messrs.),1846 Exposition of the Book of Revelation, in a Series of Lectures Edward Irving,1831 **Exposition of the Revelation of Jesus Christ** Walter Scott,1986
