Court, 1994-03-01 The first question is Should Revelation be studied at all Is it monopolised by fundamentalists or of such a minority interest that it doesn't belong in the New Testament This study guide introduces the text anew by a series of thematic readings The text is seen to deal with essential themes God and Christ the Church in the World Creation and the end of the Universe Politics and Rival Powers and the Future Hope Special attention is paid to the living traditions within which Revelation is interpreted including art literature and music Not only does this guide seek to orientate the reader within the whole range of the text and its traditions it also focusses discussion in three substantial chapters dealing in turn with the key literary historical and theological issues raised How can one describe Revelation's literary character From what historical and social context did it come What are its abiding theological values and doctrines This study is set in the context of modern approaches to the biblical text and is supported by selected bibliographies and recommendations for further reading **The Revelation of John, Volume Two** William Barclay, 2004-04-01 Here the reader meets many of the picturesque images that are identified with Revelation the four horses and their riders the antichrist the woman clothed with the sun the beast with his number Armageddon William Barclay helps the reader understand and interpret these and many other images drawn from Revelation that have so seized hold of the world's imagination For almost fifty years and for millions of readers the Daily Study Bible commentaries have been the ideal help for both devotional and serious Bible study Now with the release of the New Daily Study Bible a new generation will appreciate the wisdom of William Barclay With clarification of less familiar illustrations and inclusion of more contemporary language the New Daily Study Bible will continue to help individuals and groups discover what the message of the New Testament really means for their lives **The Revelation of John** Edward Clarence Farnsworth, 1919 **A Commentary on the Revelation of John** George Eldon Ladd, 1972-01-10 In this widely praised exposition of Revelation George Eldon Ladd treats the Apocalypse as a true prophecy one that reflects the situation of the church when the book was written as well as the situation the church will face at the time of the consummation of God's redemptive plan Revelation John F. MacArthur, 2006-09-03 The book of Revelation unveils Jesus Christ in glory Written by the apostle John Revelation was a letter to churches in Asia Minor who were feeling the overwhelming effects of persecution from all sides This book was a reminder that encouraged them to remain faithful Through vivid imagery John writes Revelation to reveal the end of human

history the return of Christ and the establishment of a new heaven and a new earth Revelation message of hope assures Christians that God is in sovereign control of all past present and future events and that Jesus Christ will judge the lost and rule in ultimate victory over all human and demonic opposition The Mac Arthur Study Guide Series provides a twelve week verse by verse examination of the books of the New Testament This revised and updated series continues to be one of the best selling study guides currently available for individuals or small groups Features Include Twelve week study Thought provoking questions Verse by verse commentary Space provided for note taking      **Revelation** John Stott,2008-06-06 John Stott presents twelve studies on the book of Revelation      **Thoughts on Revelation** John Campbell,2024-01-12 Reprint of the original first published in 1874      **The Revelation of John** John Cochran,1860      [The Revelation of St John the Divine](#) G. H. S Walpole,2014-08 Originally published in 1911 for use in schools this book contains the Revised Version text of the Book of Revelation with critical annotations by the then Bishop of Edinburgh George Walpole Walpole s introduction also provides the reader with some historical background on the authorship and writing of the book as well as a list of recommended books for further study This volume will be of value to anyone with an interest in Christianity      [The Revelation of John](#) James L. Resseguie,2009-04-01 As the only book of its kind in the New Testament Revelation can be difficult to understand and for readers without specialized training the historical critical approach used in many commentaries can provide more complication than illumination Here James Resseguie applies the easily understandable tools introduced in his primer on narrative criticism to this challenging book He shows how Revelation uses such features as rhetoric setting character point of view plot symbolism style and repertoire to construct its meaning This literary approach draws out the theological and homiletical message of the book and highlights its major unifying themes the need to listen well an overwhelmingly God centered perspective and the exodus to a new promised land Here is a valuable aid for pastor and serious lay reader alike      *The Revelation of John* Charles Rosenbury Erdman,1944      **Revelation: A Book Of Symbols Made Easy** John Addicks,2015-01-28 Author John T Addicks Jr paints a grim but realistic picture of what is to come on this earth based on what is written in the book of Revelation the Rapture the Tribulation and the second coming of our Lord Jesus Christ As a tool used by God to help everyone prepare for the end times John presents us with facts gathered from the Bible to convince us to choose what is right and to walk the right path to God He shows us what will happen and it will happen to everyone on this earth and no one will be spared And only God knows when this will happen John also shows us through a short story probable situations that might happen once these events will occur His one goal for all this is to save everyone from meeting this dire and horrible fate He wants all of us to realize the error of our ways and repent and ask forgiveness from God before it s too late      *The Revelation of John, Volume 2* William Barclay,1976 The author presents many picturesque images of Rome as it was under the early Caesars      [The Revelation of Jesus Christ to John: Using the Bible to Interpret the Bible](#) Jeffrey J. Harrison,2023-04-17 How did the early Messianic believers understand the book of

Revelation How did they understand its often strange and bewildering symbols The answer is surprisingly simple they used the Bible to interpret the Bible Modern scholars have long noted the similarities between the images of Revelation and those found elsewhere in the Bible But rarely has this been used as a method to interpret Revelation s meaning By reviving this ancient method Pastor Jeff Harrison brings clarity to John s visions and makes their message make sense to us today Harrison claims no privileged knowledge of the future but restricts himself to the text of the Bible in the original languages Jewish culture and religion and well known facts of history The message that emerges is a challenging one encouraging Christians to faithfulness and devotion in these dangerous last days The Revelation of Jesus Christ to John is one of Pastor Harrison s most popular seminars It has been presented to thousands of students in the U S Canada the Philippines and Taiwan It reflects his study with some of the top Israeli archeologists and Christian scholars in Jerusalem and is enriched by his years as a study tour teacher in Israel This published version includes not only the same fresh translation of Revelation used in the seminars but also a new literal translation of all supporting scripture verses from the original languages The second edition includes several small changes including a larger font size improved clarity at various points in the explanation and additional references to support assertions made in the text

*THE BOOK OF REVELATION of St. John the Divine* King James, St John the Divine, 2024-05-21 This keepsake hard cover edition of THE BOOK OF REVELATION of St John the Divine was taken from the King James translation of the Bible The King James Translation is a masterwork of style and the most important book in the English language it has been the driving force in shaping the English speaking world for hundreds of years In The Book of Revaluation St John the Divine describes the end days and the return of Jesus Christ the Savior
