Revelation

Revelation
The revelation of Jesus Christ, which God
gave him to show his servants what must
take place. He made it known by sending
his servant John, ²who testifies to
all that he saw—that is, the word of God
and the prophecy of Jesus Christ. ³Blessed is
the one who reads the words of this prophecy
and the ones who hear it and who keep
the things written in it, because the time is
near.

The creation of a woman was the best thing that happened to divinity and humanity which the devil has twisted to his advantage His lies have bullied women on their place of assignment and left them disoriented about who they are Because of insecurities women have settled for less trying to prove their value and validate their identity This identity crisis has caused tragic breakdowns economically socially culturally morally ecclesiastically and spiritually leaving a human race a victim of this fate because a woman is a key player in this game of life This book is a great mirror for every woman who wants to see the real image of who she was created to be and how vital her existence is to divinity and humanity It redefines who she is her value her purpose what she represents the divine mysteries hidden in her and how she affects the totality of human life Today it is imperative that every woman rediscovers God's original blueprint for her life in order to maximize her potential and preserve life in her domain Everything about within without and around a woman is connected Therefore she cannot be defined by one title She is plural She is on a mission as an undercover agent hired by God licensed by Jesus Christ and empowered by the Holy Spirit

Revelation's Great Love Story Larry L. Lichtenwaller, 2008 The Book of Revelation The Apocalypse Words that often call to mind bizarre creatures strange seals dreadful plagues and a slew of other mystifying symbols Most of us approach this last book of the Bible with forebodings rather than hope To us John s vision seems more like a nightmare But the elderly apostle begins with a statement that doesn t seem to fit the rest of the book The revelation of Jesus Christ Apparently he intends to unveil something tremendously important about Jesus Something life changing Something we can t afford to miss Larry Lichtenwaller explores a side of Revelation seldom portrayed Christ s passionate love for humanity This recurring theme subtly appears in the imagery and symbolism throughout John s vision The slain Lamb The divine protective sealing The blood bleached white robes The heart wrenching prayer of the saints Without Christ s love these scenes and symbols would mean nothing Ultimately John s vision reveals the extraordinary love of our Savior for His rebellious undeserving children and the incredible reasons we can love Him in return

Unholy Allegiances David A. DeSilva, 2022-05-03 Amidst the fervor for popular apocalyptic books and unfounded end times theology New testament scholar David deSilva has written a book to help readers thoughtfully and properly approach Revelation as it was intended to be read A very helpful treatise deSilva s Unholy Allegiances Heeding Revelation s Warning explores the world of first century Roman Asia the context in which Revelation was written explaining why John wrote such a graphic and startling message to the people of God While many books today offer innovative decodings of Revelation deSilva reminds us that John s letter is in fact not a historical blueprint for prophecy and prognosticism but a letter about the dangers that the church faced under the rule of Rome following the resurrection of Jesus a warning that is apt today as it was almost two thousand years ago The true power of the book of Revelation is not in a mystical unfolding of the future but in its confrontation with the unholy allegiances already at work in the world It s time to pay attention without playing ender s games It s time to take Revelation seriously
