Revelation The Times At Hand:

The Time Is at Hand Robert Finley, 2008-11 THE TIME IS AT HAND The Book of Revelation was written in 66 A D to reveal that the time had come for the fulfillment of Christ's prophecies regarding those who condemned Him to death The destruction of Jerusalem which He had foretold was delayed 36 years while He called out an elect remnant of 144 000 Hebrews to give the gospel to other nations The great tribulation occurred 66 70 A D There will be no other comparable to it The falling away of the churches began in the Fourth Century and culminated 500 years later with that man of sin setting himself up in Rome like a god on the earth The first beast of Revelation 13 was the Roman Empire the second was religious Rome The Antichrist came in the Seventh Century not against Christ but as the one who took His place as in anti climax Muhammad's influence has been a thousand times greater than all other antichrists put together past present and future There is no mention of the restoration of Israel as a nation in the New Testament so present day Israel has no prophetic significance Christ will return when He has planted a witness _____

Marshall Allen,Joan deRis Allen,Johann Wolfgang von Goethe,Rudolf Steiner,1996-02 Here is a book about Walden that takes
Thoreau on his own terms Two Fish on One Hook is a transcendental study of Thoreau s transcendental work It offers us the
task of doing as Thoreau does exhorting us to follow the patterns Thoreau sets up in Walden and to approach his work as an
act of communication one that urges us to listen to hear and to act upon what he has to say one that becmes a transformative
experience Thoreau s first step is to remind us of how very idle and blockheaded we are The busy folk mind ing their own
affairs he leaves to their own devices Books about Walden are also obliged to begin on the right note by sounding Thoreau s
stern wake up call Many will find it a jarring note but there is no better way to wake up from the Procrustean sense of men
asleep and to get a sick one to lay down his bed and run into Walden in time It may be wisdom to let the dead bury the dead
but Thoreau is convinced that a man is not requiried to bury himself He therefore begins by asking his readers Why should
they begin digging their graves as soon as they are born Raymond Tripp Dr. Hand's Mind On Dr. Allen Hand,2022-04-15
Every once in a while I get a chance to listen to broadcasts on radio or watch networking on television And the more and
more I do this the more and more I get deeply concerned with the quality of so called religious material presented on such
via comments discussions lectures preachings teachings etc Every so often it is spiritually impressed upon me I get led to
deal with some of the monumental misunderstandings that menaces the messianic ministry mission momentum motion
motive and movement There are two strategies tactics ways to deal with this type of teaching and preaching one is defensive
and one is offensive The offensive tactic strategy way to guard against it is to constantly teach and preach against it thereby
exposing it for what it is and minimizing it if not eliminating it this is referred to as the sword of the Spirit which is the word
of God the defensive tactic strategy way to guard against it is to block or prevent it from entering your mind by literally
putting a spiritual device of some sort over your mind this is referred to as the helmet of salvation The material presented in
this book is just a way to help us fight defensively and offensively by first knowing what we need to fight against As a side
note the state of apostasy of the professing church is the final stage of the religious order just prior to the Rapture which is

phase one of two of our Christ's Second Coming I strongly admonish and request that each believer in Jesus Christ adopt the same attitude and mentality that the church of Berea adopted in the word of God especially when it comes to the word of God

Notes, Explanatory and Practical, on the Book of Revelation Albert Barnes, 1852 **The Time is at Hand!** Yeshayahu (Jesiah) Ben-Aharon, 2024-04-24 The twenty first century is the second middle century of the three centuries of the present age of Michael and it is the most decisive one If humanity again misses Michael's goal it will hardly be possible to recuperate from it and human evolution will be derailed for a long time The present age of Michael can therefore rightly be called the Apocalypse of the age of Michael Yeshayahu Ben Aharon In five lively challenging lectures Dr Ben Aharon offers encouraging perspectives on the apocalyptic challenges facing humanity The key Michaelic task for human beings today he says is to comprehend fully the new revelation of the etheric Christ On the success of this depends humanity's resurrection from the abyss from the grave of civilization However it can still be achieved and the time is at hand The author describes the global School of Spiritual Science's contemporary work to create a path to conscious recognition of the Christ and Michael impulses Offering numerous fresh viewpoints into the trials of our time **The Time is at Hand** is an essential handbook for any serious student of anthroposophy The talks from 2017 and 2022 are titled Ahrimanic Immortality the Matrix and the Technological Singularity Michaelic Immortality The Two Apocalyptic Beasts and the Mystery of the Wound Follow This Star and **The Time is at Hand** **The Time Is at Hand!** Desmond Ford, 2010-01-12 For nearly 2 000 years the book of Revelation has been viewed as the most difficult book in the Bible The hundreds of commentaries in the Library of Congress testify that there is no unanimity about the meaning of the symbols of Revelation And yet this is the only book in the Bible where a special blessing is pronounced on its readers Its a book from Jesus Christ about himself his gospel the future and what will happen to the saints at the end of time Desmond Ford's Introduction to the Book of Revelation is the fruit of decades of study plus research at the University of Manchester under Professor F F Bruce Ford offers a much neglected key this sacred book can only be unlocked by understanding the preceding 65 books of the Bible and in particular the life teachings and death of Jesus The main message of Revelation is that the church is to repeat the experience of its Lord After its final proclamation of the gospel it will be condemned to martyrdom And this climactic sin of the world will precipitate the return of Christ in glory

The End Times Controversy Tim F. LaHaye, Thomas Ice, 2003 The author of the Left Behind series teams up with a noted prophecy expert to provide guidelines for interpreting Bible prophecy in a consistently accurate manner equipping readers with a concise understanding of what the Bible says about the future **Jesus, Revelations, the End Times, and Me** Kevin Dickerson, 2020-08-24 This book is written for the sole purpose of showing people the signs of the times the end times It began as a documentation of the things that Jesus himself has shown and explained to the author The author didn't want to forget these things so right after the visitations he would get up and go to his computer to write these things down He would do so while he could remember every little detail Some of the things in this book would come to pass weeks after

he was shown them and some are still being revealed to him today some twenty five years later This project is not done for book sales or mammon no that is not the Father s purpose The author s purpose is to scream from the roof top to announce his coming to try to get the attention of mankind to warn them To warn them to fear God and to turn to him as He will then turn to them Yes people have been predicting the Father s coming for years claiming earthquakes wars and rumors of wars All these things are true Instead of thirty five volcanos erupting a year thirty five volcanos erupt a day The last of the four world powers Rome has to rise again and even more importantly he said learn the parable of the fig tree These are two unmistakable signs of the times that cannot be duplicated The tribulation period is upon us If you know how to search the heavens you will find wormwood at our doorstep In this book there are pictures of a system of planets that are in our skies today that he believes accompanies Wormwood He would not mislead doctor any pictures for the sake of mammon Jesus said during the end of days man is going to experience a great deception *A Hand to Turn the Time* Theodore D.

Kharpertian,1990 A study of the major fiction of Thomas Pynchon in three contexts Menippean satire post modernism and American writing The critical genealogy of the term satire is discussed and Pynchon s V The Crying of Lot 49 and Gravity s Rainbow are analyzed **The Covenantal Kingdom** Ralph Smith,1996 The Book of Revelation Margaret Jenkins Baker,2014-05-05 The Book of Revelation comes with a blessing to all who read it hear it and do what it says The question is How can we understand it if is presented to us in the form of symbols Symbols can be understood after the prophecy has been fulfilled and believers are encouraged when they look back in history and see what the symbols represented God uses symbols to keep what He has planned a mystery before it takes place that way neither man nor Satan can compromise it Revelation teaches us that God blesses overcomers warns of judgment and tells us what will happen to those who do not listen In The Book of Revelation Satan uses Paganism symbolized by the Dragon The Antichrist symbolized by the Beast and False Doctrine symbolized by the False Prophet to stop the truth of the gospel The reader will learn from the Reformers what each of these systems are how they rose to power how their power was taken away and how they come on the scene again for a little season before the Second Coming of our Lord
