Revelation Vision Of A Just World:

Her Master's Tools? Caroline Vander Stichele, Todd C. Penner, 2005 **Priesthood and Temple in John's Apocalypse** Timothy B. Tse, 2024-12-12 Timothy B Tse argues that while John uses language drawn from the Hebrew Bible's descriptions of YHWH's dwelling place scholarship has overlooked the importance of his spatial transformation of that language Tse thus uses theories relating to Relevance Resistance Theory Critical Space Theory and Conceptual Metaphor to demonstrate that a significant part of John's apocalyptic strategy of resistance is to re-present his vision to his audience spatially so that they can experience a divinely ordained alternative to the world in which they live Tse first demonstrates John's attempts to relegate his audience's experience of space to his own revelation John's description of the visionary world creates the metaphors the earth is a Sanctuary and the Saints are its priests Tse argues that under this view life on earth must be evaluated according to the concerns of the Sanctuary which by definition requires the removal of everything impure and the Saints namely all Christians in both the historic and visionary worlds must take priestly responsibility for the earth John therefore portrays the Saints joining in the removal of all impurity upon the earth by fighting as priests in God and the Lamb's war against Satan Babylon and all her impurities Tse concludes that overall John means to realign the church's experience of space so that they understand themselves as priests of the Sanctuary and live according to that reality The Nonviolent Apocalypse Jeffrey D. Meyers, 2021-11-08 Revelation is resistance literature written to instruct early Christians on how to live as followers of Jesus in the Roman Empire The Nonviolent Apocalypse uses modern examples and scholarship on nonviolence to help illuminate Revelation's resistance arguing that Revelation's famously violent visions are actually acts of nonviolent resistance to the Empire The visions form part of Revelation's proclamation of God's way as a just and life-giving alternative to the system constructed by Rome Revelation urges its readers to pursue this radical form of living engaging in nonviolent resistance to all that stands in the way of God's vision for the world *Revelation* Elisabeth Schüssler Fiorenza, 1993-01-01 **Three Views on the Millennium and Beyond** Zondervan, 2010-08-10 Is there biblical evidence for a thousand year earthly kingdom the Millennium ruled by Christ before the fulfillment of the new heaven and new earth Revelation chapter 20 seems to suggest so but few books of the Bible are so difficult to interpret And a discussion of the Millennium branches out into many other theological questions about the end times eschatology Are these the last days What must happen before Jesus returns What part does the church play This Counterpoints volume compares three views of the Millennium Premillennial Christ will come again before this kingdom is established Postmillennial our present age represents that kingdom and that the church is and must move toward the fulfillment of this kingdom Amillennial a future Millennium is not a literal kingdom and when Christ returns he will usher in an immediate new heaven and new earth Robert B Strimple Kenneth L Gentry Jr and Craig A Blaising offer their perspectives giving their exegetical reasoning Each of them then responds to the views held by their peers in a respectful and informative setting making it easy for you to compare their beliefs and gain a better understanding of how this

aspect of Christianity's great hope the return of Jesus is understood by the church. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text. Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion.

Uneasy Neighbors Walter E. Pilgrim, What does the New Testament have to say about the attitude of Christians and the church toward those who exercise political authority? Few topics have caused more controversy in the history of the church than the relationship between church and state from the first century to the present. Pilgrim offers an analysis of the various attitudes of New Testament writers on this difficult subject ranging from submission to overt resistance by the church. The volume also excurses on Church and State in Luke Acts and a concluding chapter on hermeneutics.

Revelation for the Rest of Us Scot McKnight, Cody Matchett, 2023-02-28 See how the Book of Revelation can be read as a book of discipleship challenging Christ followers everywhere to live as hopeful agents of resistance and transformation. The last book of the Bible frustrates and frightens many people with its imagery and apocalyptic tone. Popular interpretations rely on fear and politicization and often lead to pride and alienation of others. Is this really how we were intended to read John's Revelation? In *Revelation for the Rest of Us* Scot McKnight with Cody Matchett explore the key message of Revelation and how it calls us to be faithful and hopeful witnesses to Jesus. Stimulates our imagination to see the world through the eyes of God and excite our faith. Challenges us to stand against the militarism economic exploitation oppression and injustice of worldly authorities. McKnight addresses the popular misconceptions about the book explaining what John means in his use of the images of dragons lambs and beasts and how the symbolism of Revelation spoke in the days of Rome and still speaks powerfully to the present day though not in the way most people think. You'll learn to see the Book of Revelation in a fresh and hopeful new way. Drawing from the latest scholarship the authors present an understanding of Revelation for anyone interested in deepening their personal study of the Bible and strengthening their faith as dissident disciples who can discern the presence of Babylon in our world and learn to speak up speak out and walk in the way of the Lamb.

Religion and Female Body in Ancient Judaism and Its Environments Géza G. Xeravits, 2015-04-24 The volume publishes papers read at the ninth International Conference on the Deuterocanonical Books Budapest 2012. The title of the conference and the issuing volume covers an on the one hand extremely important and on the other hand regrettably neglected aspect particularly of the ancient Jewish and Christian traditions. Traditional manifestations of both Judaism and Christianity are predominantly masculine theological constructions. Despite their harsh masculine orientation however neither Judaism nor Christianity lacks elaboration on the female principle. When an ancient author chooses female imagery in order to make his message more emphatic the female body as such forms an integral part of their metaphors. The contributions in this volume explore this phenomenon within the literature of early Judaism and within its broad environments.

Holy War Discourses in 1QM and John's Apocalypse David Chapman Harris, 2024-02-28 This study

offers an in depth examination of the Qumran War Scroll 1QM alongside John s Apocalypse which takes the concept of Holy War into consideration It delineates between ancient Jewish and nascent Christian apocalyptic and theological sensibilities and breaks the conventional barrier between Qumran studies and New Testamen The People of God in the Apocalypse Stephen Pattemore,2004-06-17 Stephen Pattemore examines passages within Revelation 4 1 22 21 that depict the people of God as actors in the apocalyptic drama and infers what impact these passages would have had on the self understanding and behaviour of the original audience of the work He uses Relevance Theory a development in the linguistic field of pragmatics to help understand the text against the background of allusion to other texts Three important images are traced The picture of the souls under the altar 6 9 11 is found to govern much of the direction of the text with its call to faithful witness and willingness for martyrdom Even the militant image of a messianic army 7 1 8 14 1 5 urges the audience in precisely the same direction Both images combine in the final image of the bride the culmination of challenge and hope traced briefly in the New Jerusalem visions Rooted and Grounded Ryan D. Harker,Janeen Bertsche Johnson,2016-01-28 For many of us the

connection between the ecological crisis and humanity s detachment from the land is becoming increasingly clear In biblical terms adam humanity has severed itself from the adamah soil and we creation are reaping the consequences This collection of essays and the conference from which it took shape calls the church to root itself more deeply in the agrarian biblical text and ecclesial tradition in order to remember and freshly imagine ways of living on and with the land that are restorative reconciling and faithful to the triune God s invitation to new life in Christ When we listen attentively to and patiently learn from the biblical text church history and theology the land itself can become a conversation partner and we are summoned to recognize that the gospel is reserved not simply for humanity but for the whole of creation **Common Worship**

Lectionary Austin Farrer,Leslie Houlden,2024-05-16 Since the Common Worship Lectionary first came into use many short preaching aids have been published They have ranged from brief notes to almost complete sermons This new companion offers an understanding of some points of significance in each lection for every Sunday and for other major days It combines the latest scholarship with the conviction that the text should address today s world squarely facing up to the difficulties that some passages may present to modern congregations It does not aim to provide a substitute for sermon preparation but to stimulate reflection among those engaged in this work This is a serious academic commentary on the readings by scholars who are also aware of the demands and purposes of preaching The book provides the academic background knowledge essential for interpreting the texts does not shirk difficult questions stimulates the prospective preacher to see new ways of reading the text covers the Anglican variations not dealt with in American commentaries **Apocalypse and Millennium** Kenneth G. C. Newport,2000-08-10 Apocalypse and Millennium argues that far from being a random sequence of bizarre statements millennial schemes including the setting of dates for the second coming of Christ are more often characterised by highly complex and internally consistent interpretations of scripture Such interpretations do not always result in positive

outcomes As an example the work of David Koresh is examined at length Koresh styled by some the Wacko from Waco clearly had views which some would find odd However his interpretation of scripture did not lack system or context and to see him in that light is to begin to understand why his message had appeal particularly to those of the Seventh day Adventist tradition The final three chapters in this book outline Koresh s thinking on end time events and trace the line of his interpretative tradition from nineteenth century Millerism through Seventh day Adventism and Davidianism which began in 1929

BOOK JACKET **Eco-Reformation** Lisa E. Dahill, Jim B. Martin-Schramm, 2016-10-31 In 2017 Christians around the world will mark the five hundredth anniversary of the Reformation In the midst of many appeals for reformation today a growing number of theologians scholars and activists around the world believe Reformation celebrations in 2017 and beyond need to focus now on the urgent need for an Eco Reformation The rise of industrial fossil fuel driven capitalism and the explosive growth in human population endanger the fundamental planetary life support systems on which life as we know it has evolved The collective impact of human production consumption and reproduction is undermining the ecological systems that support human life on Earth If human beings do not reform their relationship with God s creation unspeakable suffering will befall many especially the weakest and most vulnerable among all species The conviction at the heart of this collection of essays is that a gospel call for ecological justice belongs at the heart of the five hundredth anniversary observance of the Reformation in 2017 and as a if not the central dimension of Christian conversion faith and practice into the foreseeable future Like Luther s Ninety Five Theses this volume brings together critical biblical pastoral theological historical and ethical perspectives that constructively advance the vision of a socially and ecologically flourishing Earth

Christ, Shepherd of the Nations Jon Morales, 2017-12-28 Does John s Apocalypse envision destruction or salvation for the nations of the world Scholarly views on this issue range from extreme total destruction to extreme universal salvation Jon Morales maintains that the question must be reframed to highlight not only the destiny of the nations but also their dilemma within the drama of world history Using narrative methodology Morales asks four key questions concerning the nations What is John s story of the nations How does he tell this story What is John s message to the nations And what is his message to the church concerning the nations Literary characters cannot be understood in the abstract but must be rather discovered sequentially in the development of an entire narrative The nations in Revelation are no exception Understanding that previous studies have neglected to situate the nations within Revelation s larger plot or in interaction with other narrative characters Morales concludes that John s purpose is to show that the nations belong to God John achieves his purpose in part by deploying a novel metaphor virtually unexplored until now Christ shepherd of the nations

[Picturing the Apocalypse](#) Natasha O'Hear, Anthony O'Hear, 2015-06-25 The book of Revelation has been a source of continual fascination for nearly two thousand years Concepts such as The Lamb of God the Four Horsemen the Seventh Seal the Beasts and Antichrist the Whore of Babylon Armageddon the Millennium the Last Judgement the New Jerusalem and the ubiquitous Angel of the Apocalypse

have captured the popular imagination One can hardly open a newspaper or click on a news web site without reading about impending financial or climate change Armageddon while the concept of the Four Horsemen pervades popular music gaming and satire Yet few people know much about either the basic meaning or original context of these concepts or the multiplicity of different ways in which they have been interpreted by visual artists in particular The visual history of this most widely illustrated of all the biblical books deserves greater attention This book fills these gaps in a striking and original way by means of ten concise thematic chapters which explain the origins of these concepts from the book of Revelation in an accessible way These explanations are augmented and developed via a carefully selected sample of the ways in which the concepts have been treated by artists through the centuries The 120 visual examples are drawn from a wide range of time periods and media including the ninth century Trier Apocalypse thirteenth century Anglo Norman Apocalypse Manuscripts such as the Lambeth and Trinity Apocalypses the fourteenth century Angers Apocalypse Tapestry fifteenth century Apocalypse altarpieces by Van Eyck and Memling D rer and Cranach s sixteenth century Apocalypse woodcuts and more recently a range of works by William Blake J M W Turner Max Beckmann as well as film posters and stills cartoons and children s book illustrations The final chapter demonstrates the continuing resonance of all the themes in contemporary religious political and popular thinking while throughout the book a contrast will be drawn between those readers of Revelation who have seen it in terms of earthly revolutions in the here and now and those who have adopted a more spiritual otherworldly approach
