**Mediator in Matthew** Craig D. Saunders,2021-03-01 What is a consistent theological meaning of the Son of Man in the Gospel of Matthew For a suitable response it is essential to analyze all thirty Son of Man logia in their relative literary contexts and in relationship to the gospel as a whole Also to bring out the uniqueness in Matthew s portrayal of the Son of Man a comparison with the other Synoptic Gospels aids the investigation This work argues that the answer lies in the role of the Son of Man in the first Gospel In Matthew Jesus the Son of Man functions as mediator of God s will to his genuine disciples As the Son of Man journeys through his earthly life climaxing in his death and resurrection Jesus mediates God s will through his message and works and by exhibiting active obedience to his Father in the heavens Jesus s genuine disciples learn how to emulate the Son of Man s character and ministry enabling them to continue it in their future mission At his parousia the Son of Man will mediate God s promised vindication and reward for his genuine disciples who have proven their fidelity to Jesus and God s will     **You Can Avoid Physical Death** Robert E. Pettit,2009-02 There is a place you can go that is free from sickness crime and war That place is not here on this Earth Instead it is on the New Earth And you can choose to obtain a new body and go there Drawing upon thirty three years of University research and fifteen years of Subtle Energy manipulations Dr Pettit discusses relationships between life sciences and spirituality By understanding the concept ask and you can receive he outlines the questions to ask and your responsibilities to create a new body for ascending to the New Earth around 2012 Ascension is available for those who choose to move out of duality consciousness with suffering and pain into a new reality of Unity Consciousness with unfathomed joy and peace Dr Pettit explains how you can achieve this incredible gift with the following concepts Making a choice to ascend with your physical body Knowing who you are and why

you are on Earth Shifting your dimensional state of consciousness Avoiding fear accept change understand time space

*My Cosmic Trigger* Matt Vaughn,2024-07-11 High strangeness denotes happenings so uncanny they are deemed utterly absurd It involves the intersection of multiple paranormal phenomena revealing an eerie undergirding of reality MY COSMIC TRIGGER is a deep dive into the subject covering its history theories and notable researchers analyzing mechanisms behind this cosmic enigma The author s personal experiences provide a penetrating understanding of the phenomenon by demonstrating how and why extramundane weirdness manifests on a personal level helping people navigate their own synchromystic initiation with a sense of clarity fostering a constructive relationship with odd occurrences not a destabilizing one and enabling readers to successfully pull their own cosmic trigger      Commentary on Matthew Saint Hilary (Bishop of Poitiers),2012 When the writing of Latin biblical commentaries was still in its infancy a young bishop from Poitiers in Gaul penned a passage by passage exposition on the Gospel of Matthew It is the first of its kind to have survived almost completely intact Published now for the first time in English translation Hilary s commentary offers a close look at Latin theology and exegesis before the Nicene Creed was considered the sole standard of orthodoxy Likely the earliest of Hilary s writings this commentary has none of the polemic against the Arians that figured so prominently in most of his later works Nonetheless there exists in this text an oft stated concern with those who interpreted the Incarnation as grounds for construing Christ as only a man rather than professing Christ as God and man Other noteworthy features of the commentary include Hilary s interest in the relation between Law and Gospel and his articulation of a Pauline based view of justification by faith In his view the importance of the Law before the Gospel was indisputable and necessary For Jews it was considered the way of redemption With the advent of Christ it became an eschatological guide directing all future believers into the grace that comes by faith Hilary s emphasis on God s righteousness conferred on a helpless race represents a far more pronounced application of Paul s thought than in any previous Latin writer ABOUT THE TRANSLATOR D H Williams is professor of patristics and historical theology at Baylor University His publications include books and articles on early Christian thought and literature as well as studies that seek to integrate the ancient Christian legacy with contemporary theology He is the editor of The Church s Bible Commentary on Matthew      Physical Body Ascension to the New Earth Robert E. Pettit,2010-06-01 There is a place you can go that is free from sickness crime and war That place is not here on this Earth Instead it is on the New Earth And you can choose to obtain a new body and go there Drawing upon thirty three years of University research and fifteen years of Subtle Energy manipulations Dr Pettit discusses relationships between life sciences and spirituality By understanding the concept ask and you can receive he outlines the questions to ask and your responsibilities to create a new body for ascending to the New Earth around 2012 Ascension is available for those who

choose to move out of duality consciousness with suffering and pain into a new reality of Unity Consciousness with unfathomed joy and peace Dr Pettit explains how you can achieve this incredible gift with the following concepts Making a choice to ascend with your physical body Knowing who you are and why you are on Earth Shifting your dimensional state of consciousness Avoiding fear accept change understand time space Releasing false beliefs sickness and pain Understand your Mer Ka Ba Energy Field Universal Laws related to your spirituality The End Times The Shift and Photon Belt      **Gaia Luminous** Kiara Windrider,2023-08-19 his is the most comprehensive book on planetary shift I have ever read The physical realities cosmic perspectives and dynamics involved are all addressed Rapid climate changes galactic and solar cycles volcanism ice ages and magnetic reversals are touched upon in a rich and concise way Gaia Luminous goes to the very heights and depths of what this great change is all about Barry Martin Snyder Birthing the Luminous Self This remarkable book showcases Kiara s extraordinary ability to integrate summarize and structure a vast range of topics from deeply spiritual teachings to the latest discoveries in science Kiara brilliantly and eloquently connects the dots and presents clear and practical solutions for these complex and precarious times Yves Nager Find your Life Purpose For those who are consciously aware of the challenging implications of these times and seek both cosmic perspectives and spiritual guidance Gaia Luminous is an invaluable resource of scholarly and balanced investigation combined with profound personal experience Simon Peter Fuller Rising out of Chaos Kiara Windrider serves up a full course of scientific inquiry evolutionary thinking and sacred insights from a wide variety of traditions This thrilling read feeds our sense of the possible and activates our commitment to a bold new vision for humanity James O Dea The Conscious Activist      **Revelation (THNTC)** John Christopher Thomas, Frank D. Macchia ,2016 The book of Revelation is perhaps the most theologically complex and literarily sophisticated text in the New Testament In this commentary John Christopher Thomas and Frank Macchia make the brilliant but challenging text of Revelation more accessible and easier to understand on its own terms rather than as a futuristic prophecy In addition to their literary exegetical and theological analysis of the text they offer sustained theological essays on the book s most significant themes and issues accenting especially the underappreciated place of the Holy Spirit in the theology of the book      **The Truth of Revelation, Demonstrated by an Appeal to Existing Monuments, Sculptures, Gems, Coins, and Medals** John Murray,1831      *Revelation of Jesus Christ* Grace Chung,2024-11-19 This book is the words of God explaining about the book of Revelation and about the end time It gives us the God s explanation about each chapter of the book of Revelation explaining about the seven churches in Asia and about the plagues of seven seals This book will tell us in detail about how we should believe in Jesus in order to be saved out of hell fire and out of all the plagues that will strike the earth in the upcoming future The messages of this book must be the warning signals of God that He wants to send to all of His churches and to all the people who live in the end time of the world Once Jesus showed me what will happen in the very end of the world I saw the people who will be left behind on earth being flown away by the huge fiery tempest since

heaven and earth will flee away and all the gravity on earth will disappear in the end of the world In 2 Peter 3 10 12 it says But the day of the Lord will come as a thief in the night in which the heavens will pass away with a great noise and the elements will melt with fervent heat both the earth and the works that are in it will be burned up Therefore since all these things will be dissolved what manner of persons ought you to be in holy conduct and godliness looking for and hastening the coming of the day of God because of which the heavens will be dissolved being on fire and the elements will melt with fervent heat This book is the first volume of the messages of the book of Revelation that I have translated Soon there will be the second and third volume of the messages of the book of Revelation coming out In the second and the third volume of the messages of the book of Revelation there will be explanations in detail about the plagues of seven trumpets the plagues of seven bowls the white throne judgment and heaven I wish you will all read these books and get an insight into what will happen in the close future in the world and prepare yourselves to be saved out of upcoming punishment of God that will befall earth and enter into heaven in the end God bless you all

### **Uncovering the Secrets of Bible Prophecy** Jeff

Kinley,2018-11-06 Can I know for sure what s in store for the future With so much hype about the signs of the times it s more important than ever to know what God really said was going to happen It s not enough to take someone else s word for it You must know how to uncover prophetic truths in the Bible for yourself In this easy to read yet extremely helpful guide to

understanding the nature and purpose of the prophetic passages in Scripture Jeff Kinley will show you the five biggest mistakes people make when it comes to Bible prophecy how to sort fact from fiction and spot false prophets the major views and interpretive principles you need to know the difference Bible prophecy makes in your life right now The future may seem like one big mystery but it doesn't have to be God has made His plans evident to all And when you know what He has revealed you can face the last days with a confident assurance of His provision and victory     The Presence of the Future George Eldon Ladd, 1996-07-29 After surveying the debate of eschatology Ladd discusses the promise of the kingdom the fulfillment of the promise and the consummation of the promise Throughout the book he develops his thesis that the kingdom of God involves two great movements fulfillment within history and consummation at the end of history     **The Revelation (New Revised Edition)** Bodo Balsys, 2022-09-06 This book presents basic postulates concerning many esoteric concepts These include the concept of God what constitutes evil the nature and function of karma the manifestation of energy from the subtle planes of perception the nature of manifest Divinity as veiled by the concept of the Christ in the Bible and the mysteries of Being The analysis moves from my earlier Buddhist writings to focus upon the information in the Bible especially in relation to the nature of the reappearance of the Christ which here is equated with the externalisation process of the Hierarchy of Enlightened Being This doctrine concerns the mode of the evolution of transcendent perception by humanity The awakening of higher spiritual perceptions via the enlightenment path and the understanding of the psychic constitution of the n s and chakras are also explained A syncretic approach is therefore espoused through the comparison between Eastern doctrines and the presented esoteric Christianity In doing so many of the veiled hidden mysteries in the Gospel story and the book of Genesis are revealed The text shows how these religions are but aspects of one fundamental religious evolution of the historical development of what is known in the East as the dharma and in the Western tradition as the Law of God     *Commentary on the New Testament, Intended for Popular Use: Titus-Revelation* Daniel Denison Whedon, 1880
