The Revelation of John James L. Resseguie,2009-04-01 As the only book of its kind in the New Testament Revelation can be difficult to understand and for readers without specialized training the historical critical approach used in many commentaries can provide more complication than illumination Here James Resseguie applies the easily understandable tools introduced in his primer on narrative criticism to this challenging book He shows how Revelation uses such features as rhetoric setting character point of view plot symbolism style and repertoire to construct its meaning This literary approach draws out the theological and homiletical message of the book and highlights its major unifying themes the need to listen well an overwhelmingly God centered perspective and the exodus to a new promised land Here is a valuable aid for pastor and serious lay reader alike Revelation Craig R. Koester,2014-09-30 In this landmark commentary Craig R Koester offers a comprehensive look at a powerful and controversial early Christian text the book of Revelation The author provides richly textured descriptions of the book s setting and language making extensive use of Greek and Latin inscriptions classical texts and ancient Jewish writings including the Dead Sea Scrolls Rather than viewing Revelation as world negating Koester focuses on its deep engagement with social religious and economic issues while addressing the book s volatile history of interpretation The result is a groundbreaking study that provides bold new insights and sets new directions for the continued appreciation of this text *Increase Your Anointing* Bill Vincent,2023-03-16 God said that we are to do greater works Most ministries are not even doing the works of Jesus Things are about to change God has spoken that what I have discovered is being made available so that we can all attain the prize of our high calling It is time for us to flow in miracles signs and wonders I m talking about even in the local Church Get ready for an increase of the anointing Remember it is going to cost you something but it will be worth it You are about to discover three life changing types of anointing There is the revelatory the breaker and the kingly anointing This is the most important things I discovered that brought a higher level anointing

Discovering the Seer in You James W. Goll,2011-07-28 This book will help you find and release the special gifts God has given to you Exploring Your Prophetic Gifts focuses on dreams visions and open heavens it reveals how you can cultivate this realm of the prophetic in your life and grounds you in the Word of God concerning prophetic gifts Author James Goll has been involved in the prophetic movement for years and is known for adding depth of biblical content church and Jewish historical perspectives and contemporary experience to all of his books and teachings Discovering the Seer in You Exploring Your Prophetic Gifts provides the banks needed so the river of the prophetic anointing can continue to advance **Revelation: Tribulation and Triumph** Practical Christianity Foundation,2022-09-08 The Book of Revelation rings with familiar imagery

and verses but what does it tell us about the last days Despite the countless interpretations available it often seems as though understanding the last days has never been more difficult Now through this easy to read devotional commentary Revelation will come alive as you venture into the powerful and dynamic message of this prophecy and diligently study the Second Coming of Jesus Christ *Heaven and Hell: Are They Real?* Christopher D. Hudson, 2014-02-18 It can be said that the words heaven and hell are thrown around flippantly these days It seems they have become part of our vernacular without much thought or concern about what they really mean The reality of heaven and hell is a hotly debated topic spurring countless conversations books and sermons It s fashionable to have an opinion about the reality of heaven and hell but what does the Bible really say Heaven and Hell Are They Real discusses what Scripture really says about these mysterious places giving you real solid reliable information The book includes scripture quotes that capture the current interest in the reality of heaven and hell while offering readings on heaven and hell Also included are quotes and insights from trusted authors including Billy Graham Randy Alcorn C S Lewis and more For the curious reader looking for more information on heaven and hell Heaven and Hell Are they Real is the perfect choice Features include Readings on heaven and hell Questions for digging deeper Additional content from trusted contemporary and ancient scholars Scripture from the NIV Topics in the Book of Revelation William R. Horsley, 2017-03-06 Topics in the Book of Revelation by William R Horsley What is the Book of Revelation Is it a prophecy foretelling the end of the world Is it a vision of the apocalypse If Hollywood and a certain subset of preachers are to be believed John s final message to Christians is one only of doom and destruction But what if the real message was one of hope What if Revelation was less foresight and more history How would you look at the final book of the Bible if you could read it and feel overjoyed rather than frightened In Topics in the Book of Revelation William R Horsley presents definitive arguments for a reinterpretation of John s writings Rather than a warning meant to resound throughout history Horsley shows that John was writing primarily to the early church and its people using language and symbols that would have been familiar to them Revelation carries a message of hope to all Christians Horsley sees lessons to Christians to be encouraged faithful and victorious to the end The way is right and worthy is the Lamb **Lectures on the Book of Revelation** George ROGERS (Minister of Albany Chapel, Camberwell.), 1847 **Revelation 1-11 (ITC)** Peter J. Leithart, 2018-02-22 The Book of Revelation is the last book in the canon of the New Testament and its only apocalyptic document though there are short apocalyptic passages in various places in the gospels and the epistles This first of two volumes on Revelation offers systematic and thorough interpretation of the book of Revelation Revelation brings together the worlds of heaven earth and hell in a final confrontation between the forces of good and evil Its characters and images are both real and symbolic spiritual and material and it is frequently difficult to know the difference between them Revelation s cryptic nature has ensured that it would always be a source of controversy This commentary focuses on the theological content gleaned the best from both the classical and modern commentary traditions and showing the doctrinal development

of Scriptural truths Scholarship on the book of Revelation has nonetheless not only endured but even captured the imagination of generations of Bible students both professionals and laypeople alike Through its focus on the message of the book through scholarly analysis this International Theological Commentary reconnects to the ecclesial tradition of biblical commentary as an effort in ressourcement though not slavish repetition *The Revelation to John* Stephen S. Smalley, 2012-07-05 Stephen S Smalley demonstrates the fruitfulness of reading John's Apocalypse like a two act drama with a marked sevenfold patterning His theological and literary analysis of the Greek text puts Revelation squarely in the hands of contemporary readers demonstrating its power to transcend barriers of culture and history Now in paperback **Knocking on Heaven's Door** David Crump, 2006-09-01 How are we to understand petitionary prayer This is a key question for any thoughtful believer who desires to take both the Bible and experience seriously Some believe God answers any prayer as long as the one praying has enough faith and or persistence Others conclude from experience that prayer is really for our benefit and has no impact on God's actions According to David Crump both views are extreme and potentially harmful While books that deal with prayer from a devotional or experiential perspective have their value *Knocking on Heaven's Door* takes a different approach Crump carefully studies every New Testament passage that has to do with petitionary prayer and draws conclusions that are both theological and pastoral to help us understand the great mystery of prayer *101 Answers to Questions About the Book of Revelation* Mark Hitchcock, 2012-11-01 Who are the 144 000 in Revelation 7 1 8 Are the trumpet judgments literal or symbolic Revelation 8 11 What is the mark of the beast Revelation 13 18 Readers who have questions about the book of Revelation usually don't want to wade through pages of commentary to find their answers Prophecy expert Mark Hitchcock offers a helpful solution in this concise Q A format Questions are grouped in broad categories that focus on interpretation background information Jesus Christ and the letters to the churches A final category The Consummation is further divided into subparts that address the tribulation the second coming the millennium and more These easy to find and easy to understand responses to the most commonly asked questions about the book of Revelation will empower readers to mine its riches and stand strong in their faith **Holman New Testament Commentary - Revelation** Kendell H. Easley, 1999-01-01 One in a series of twelve New Testament verse by verse commentary books edited by Max Anders Includes discussion starters teaching plan and more Great for lay teachers and pastors alike
