Revelations Of Harmonial Life:

Harmony of Some Revelations in Nature and in Grace John Jabez Lanier, 1908 **Kinship of God and Man: Harmony of some revelations in nature and in grace** John Jabez Lanier, 1909 **Sacred Cosmogony; or, Primitive Revelation demonstrated by the harmony of the facts of the Mosaic history of the Creation with the principles of general science. Translated from the French** L. A. SORIGNET, 1862 *Sacred incidents; or, The harmony subsisting between the Book of revelation and the volume of nature* Psychologist (pseud.), 1850 *Creation's Beauty as Revelation* L. Clifton Edwards, 2014-03-05 With an interdisciplinary approach Edwards utilizes literature aesthetics world religions and continental philosophy as avenues into the theology of natural beauty This is an epistemological look at our aesthetically charged knowing of God through nature Emphasizing our embodied experience of the world Edwards examines the phenomenon of perceptual beauty while questioning traditional notions of God's metaphysical beauty Drawing upon Michael Polanyi's philosophy of science Edwards explores the human aesthetic and religious interface with the natural world This philosophical approach is then linked to the poetic Polanyi's tacit knowledge and Jean Luc Marion's saturated phenomena give support to Wordsworth's pregnant vision of the natural world This approach culminates in a re-envisioning of John Ruskin's typology of natural beauty Ruskin's vision of the world can be adapted toward an understanding of natural revelation Edwards brings this Romantic theology back across the Atlantic in dialogue with American nature writers and the uniquely American experience of wilderness and frontier *Sexual Identity: The Harmony of Philosophy, Science, and Revelation* John D. Finley, PhD, Cara Buskmiller, MD, Paul W. Hruz, MD, PhD, Patrick W. Lappert, MD, Andrew Sodergren, PsyD, Lawrence J. Welch, PhD, 2022-07-01 Have man and woman become meaningless categories Public promotion of transgender identities same sex marriage and surrogate parenthood indicate that we no longer view male and female as central to human flourishing Perhaps man and woman amount to nothing more than one's own self-expression Many intuitively resist such a view but feel unable to respond in light of woke rhetoric from media-driven voices carrying the apparent blessings of science We need to recall who and what we are Sexual Identity The Harmony of Philosophy Science and Revelation takes up anew the questions What is a man and What is a woman Taking a holistic approach the book is co-authored by experts from different fields philosophy obstetrics and gynecology endocrinology psychology plastic surgery and theology For the sake of accessibility the style is thoughtful but not academic Each chapter includes review points along with suggestions for further reading The authors include recognized practitioners in their fields who have spoken nationally and internationally to audiences concerned with today's crisis over the meaning of sexuality Sexual Identity assembles these voices into a coherent whole Written by experts for non-specialists it offers a comprehensive vision of the human sexual identity male and female It offers much needed wisdom to see through the deceptions that afflict our time Contributors Cara Buskmiller MD John D. His Book of Revelation** Christopher Fung,2017-09-11

Intuitive logical thinking would suggest that Revelation should be
One biblically coherent and complete narration That uses only natural and biblical symbols To retell God s consistent work
from beginning to end That reveals Jesus and his resurrection as the focus To call for decisive response from every person
For the creation which God loves and will glorify To close God s written oracle to humankind But almost no one has been able
to demonstrate these Through the lens of God bringing his created order from the beginning to his final Sabbath in Jesus
Christ and noticing an overlooked peculiarity of Revelation chapter 20 is glaringly different to the rest of the chapters the
mysteries of Revelation are shown to be plainly manifested truths already in the Bible rather than esoteric and hidden
teachings still to be deciphered Centering Jesus in all things Revelation filters out inconsequential and errant teachings and
highlights the essential core of Judeo Christianity to prompt a response from every person made in God s image Poignantly it
shines a light on the current global crises environmental political religious and economic This book s common sense context
first exegesis sets it apart from most other Revelation commentaries on the market *The Harmony and Unity of the
Kingdom of God* John Coutts,1922 *From the Mysteries* Hermann Beckh,2020-06-03

In the early part of the last century
Professor Hermann Beckh began a search to discover the truth about the Mystery wisdom of antiquity As a recognized
authority on Buddhist texts he knew that complete knowledge of such Mysteries was not to be found within the limitations of
waking consciousness sense perception and logic Beckh was already aware that Gautama Buddha had indicated the stages of
higher knowledge Furthermore his studies of Rudolf Steiner s anthroposophical teachings revealed that such knowledge
could be experienced directly given disciplined meditation Clairvoyant cognition included the conscious penetration of sleep
consciousness the dream state and an experience of pre natal consciousness Both the Mysteries and Rudolf Steiner s major
books he concluded were founded on the same perceptions Beckh a worldwide expert on Tibetan Sanskrit Pali and Avestan
texts quickly became disenchanted with Madame Blavatsky s Theosophy as it displayed little precise academic knowledge of
primary records At the same time university departments showed scant trace of understanding the texts they analysed
through philology and sociology Thus based on comprehensive studies and personal experience he resolved to present his
own perceptions and vision to the public The results are to be found in this invaluable book bringing together for the first
time in English three groundbreaking publications Our Origin in the Light Genesis 1 9 1924 Zarathustra 1927 and From the
World of the Mysteries 1927 as well as five of Beckh s articles from contemporary periodicals **Mark's Gospel** Hermann

Beckh,2021-05-17 Hermann Beckh s masterful study of Mark s Gospel offers much more than scholarly argument It is the work of a true visionary who allows his readers to discover the meaning of the Earth and of humanity for themselves Beckh was in the forefront of entirely new research and recovery of the Gospel writing more for the future than for his own time It is not uncommon for biblical scholars to view St Mark s Gospel as little more than an assemblage of fragmentary sources and a copy of uncertain early memories The Gospel is said to have little historical veracity harmony or guiding structure Beckh s contemporary the German writer Arthur Drews even argued that the text was nothing more than a simplistic solar myth wherein another Sun hero pursued his way around the Greco Roman constellations Mark s Gospel The Cosmic Rhythm is a response to such twentieth century materialistic thinking He was asked to write the book in the 1920s by the leaders of The Christian Community who sought to rescue the desecrated Gospel from its opponents Inspired by Rudolf Steiner and a vast knowledge of ancient languages Tibetan Sanskrit Pali and Avestan along with Hebrew Greek and Latin the Rev Professor Hermann Beckh perceived how the Gospel reflects God s Everlasting Covenant and meticulously expressed its aesthetic unity the consonance of its parts and its consequent radiant clarity His far reaching understanding of sacred texts in the original languages always associated with the disciplined meditation he had attained from anthroposophy led to unprecedented insight This new edition of his classic study has been revised and redesigned

The Revelation of the Seven Words from the Cross. A Series of Addresses John Henry Lester,1885 **Spiritual Revelations of the Bible** Brown Landone,1996-09 **A Harmony of the Apocalypse; or, Book of Revelation: being also a revised English translation of the same, with notes. By Chr. Wordsworth ... Second edition, with additions** ,1852 How real is the DIVINE REVELATION? J.U. CHOWDHURY,2025-01-25 This is a research work on religion that claims to have originated in the heaven and brought down on earth through Revelation using a kind of invisible creatures called angels The scriptures are also claimed as the words of the Lord Affords have been made to assess this claim against a scientific background by insensibly going through the verses of the Quran and some Islamic Hadiths The work combines a short history of recent Astrophysical development along with some extracts from English literature The information contained in the book is in no way aimed at maligning any religion or persons connected to divinity
