Sigrid's first official valkyrie mission sends ripples through the Nine Worlds. She's attracted the wrath of not only the Night Elves but their sinister king who wants nothing more than to bring darkness down on everyone. Worse yet, Loki might just be interfering with the balance of light and dark. When war threatens the shores of Vanaheim and her friends are in danger of being exiled, Sigrid makes a deal with the new queen. She will ride Sleipnir against their enemies and use his might to defeat them, even as he pulls her closer to that line between good and evil. What she becomes will either save everyone or unleash disaster upon them all. The Sigrid and The Valkyries series is best enjoyed in order: Reading Order, Book 1: The Valkyrie's Daughter, Book 2: The Valkyrie's Shadow, Book 3: The Valkyrie's Legacy. **Valley of the Damned** Douglas Laurent, 2018-07-16

Valley of the Damned: Epic Martial Arts Allegorical Life Poem. Close ranks and join in Battle Royal far beyond all human sensibilities with Valley of the Damned as the tenacious tome engages the worldwide Forces of Evil for all of humanity's sake. Valley is an action-adventure martial arts story and is designed as an interactive karate kata, a mirror, a Zen meditative rock garden, a mandala, a guide to the classical Underworld, a strategic soul map, and life labyrinth in which to see yourself and the musings upon humanity of the great and awesome Celestial Powers. That Be Pilgrim if you're going to ride with those three killer phantoms, best saddle up and strap in because they are looking for you. Poem Info: For millennia, Epic poems have been some of the world's most powerful sources of inspiration, capturing the high essence of gods, heroes, romances, glories, tragedies, and monsters. From Homer's Odyssey to The Aeneid, Arthur and Beowulf, and from Gilgamesh to The Mahabharata and The Divine Comedy, these larger-than-life tales transcend time, revealing to humanity our innermost secrets, dreams, and nightmares. Conveying a deep sense of the mystical, Epics carry with them a sweeping sense of life in the fullest measure as men and women of renown stand tall against the backdrop of history and destiny, our present and future being firmly rooted in the past. Valhalla, Norse gods, spirits of war, shades, sword-keteering, pallorous ghost traces, soul-pires, jowling, grunting pigmen, and slaving wolveweres, spectres, wraiths, banshees, and other mind-lacerating, night-haunting creatures of untold dread all come together in this Epic action-packed martial arts adventure never before heard of on earth. The Valley of the Damned: In this the Forgotten tale that no one knows except those who enter therein, all are invited to venture into the exotic, serrating, unseen Netherworld of the dead where fragmented remnants of driven spirits contend with each other for power and control over kingdoms, unspeakable legions of fallen shades, and the most prized possession of all: the immortal human soul. Ride now with three killer phantoms on their quest to pursue the vain, glorious, sneering karate movie superstar Mark Theman for his soul, the despised arrogant human whom all spirits desire to capture for their own sinister purposes. Trail the perpetual teenage Valkyrie Kari, mass battle artist known for her mesmerizing, psychotically poetic sword's kills, and who will confront any and all, never odd or even risks to win. Shadowing her is the jackal-like Angel Heart, amoral sword-slinging duelist who always dogs her, never missing an opportunity to exploit and track with Dark Storm, merciless bounty huntress who will stop at nothing in order to seize the power that Theman possesses. His soul is

*The Real Valkyrie* Nancy Marie Brown, 2021-08-31 In the tradition of Stacy Schiff's Cleopatra Brown lays to rest the hoary myth that Viking society was ruled by men and celebrates the dramatic lives of female Viking warriors Once again Brown brings Viking history to vivid unexpected life and in the process turns what we thought we knew about Norse culture on its head Superb

Scott Weidensaul author of New York Times bestselling *A World on the Wing* Magnificent It captured me from the very first page Pat Shipman author of *The Invaders* In 2017 DNA tests revealed to the collective shock of many scholars that a Viking warrior in a high status grave in Birka Sweden was actually a woman The Real Valkyrie weaves together archaeology history and literature to imagine her life and times showing that Viking women had more power and agency than historians have imagined Nancy Marie Brown uses science to link the Birka warrior whom she names Hervor to Viking trading towns and to their great trade route east to Byzantium and beyond She imagines her life intersecting with larger than life but real women including Queen Gunnhild Mother of Kings the Viking leader known as The Red Girl and Queen Olga of Kyiv Hervor s short dramatic life shows that much of what we have taken as truth about women in the Viking Age is based not on data but on nineteenth century Victorian biases Rather than holding the household keys Viking women in history law saga poetry and myth carry weapons These women brag As heroes we were widely known with keen spears we cut blood from bone In this compelling narrative Brown brings the world of those valkyries and shield maids to vivid life
