Reverend Devil Master Criminal Of The Old South:

Reverend Devil Ross Phares, 1974 The Blood of Heaven Kent Wascom, 2013-06-04 The work of a young writer with tremendous ambition a bildungsroman of religion and revolution set during an obscure chapter of American history The Washington Post A powerful and impressive debut novel from the winner of the Tennessee Williams New Orleans Literary Festival Prize for fiction first in the Woolsack family saga that continues with *Secessia* and *The New Inheritors* The Blood of Heaven is the story of Angel Woolsack a preacher's son who flees the hardscrabble life of his itinerant father falls in with a charismatic highwayman then settles with his adopted brothers on the rough frontier of West Florida where American settlers are carving their place out of lands held by the Spaniards and the French The novel moves from the bordellos of Natchez where Angel meets his love Red Kate to the Mississippi River plantations where the brutal system of slave labor is creating fantastic wealth along with terrible suffering and finally to the back rooms of New Orleans among schemers dreamers and would be revolutionaries plotting to break away from the young United States and create a new country under the leadership of the renegade founding father Aaron Burr The Blood of Heaven is a remarkable portrait of a young man seizing his place in a violent new world a moving love story and a vivid tale of ambition and political machinations that brilliantly captures the energy and wildness of a young America where anything was possible It is a startling debut Wascom is a craftsman and each of his lengthy winding sentences shimmers with the tang of blood and bone and sweat and the archaic splendor of his language The Boston Globe **Always for the Underdog** Keagan LeJeune, 2010 Drawing from newspapers court records and a decade of interviews and observation LeJeune offers a penetrating examination of the interplay between legend and place exploring Smith's own life this unique historical moment and the place's mysterious landscape The book also considers how contemporary festivals and other forms of cultural heritage employ the legend as a cultural recourse To stay vibrant and meaningful culture constantly re makes itself here the outlaw occupies a vital role in the re creation Book Jacket The Governors of Texas Ross Phares, 1999-04-30 The state of Texas holds an interesting and important place in the history of the United States and this volume explores those men and women who have helped to shape the course of the state by serving as governor For example Miriam V Ferguson 1925 1927 1933 1935 was the first woman governor of the state She won the governorship by promising that she would work with her husband former Texas governor James E Farmer Jim Ferguson 1915 1917 assuring Texans that they would have two governors for the price of one As in the story of the Fergusons The Governors of Texas offers political and biographical information on each Texas governor from the period of French control through 1973 Thus the progression towards statehood and beyond is clearly visible in this history of the individuals who took great pride in serving as their state's chief executive officer For quick reference a roster of governors is also provided giving full names and the dates in which each individual held office Also included are pictures of most of the governors so that these men and women may be more vividly brought to life *Cavalier in the Wilderness* Ross

Phares,1999-04-30 For the greater part of the first half of the eighteenth century Louis Juchereau de St Denis was the guiding force on the Louisiana Texas frontier It is probable that no other man exercised such a determining influence over so long a period in the early affairs of Louisiana and Texas His rare talents served a vital and peculiar need for colonial France in a critical and most formative period Published accounts of St Denis have been as inconsistent as the documents of his lifetime and by their very nature as prejudiced Interpretations of him have run the gamut from patriot to traitor from saint to scoundrel This was a period of heated rivalries The French slanted their records according to their purposes and prejudices The Spanish with equally human weaknesses and zeal did likewise Furthermore the commercial company which administered the affairs of the Louisiana colony was often at variance with the home government St Denis on the author s first study of conflicting records appeared to be a most puzzling and inconsistent character operating against an unintelligible background However after many years of research and study on the subject the author sees him as a character of rather consistently fixed purposes and principles from the Preface *Louisiana History* ,1985 Le Sang des cieux Kent Wascom,Eric Chedaille,2024-05-02 La vie aventureuse et romanesque d un jeune pr dicateur sur la Fronti re de Floride au d but du XIXe si cle Peu apr s l Ind pendance des tats Unis le jeune Angel Woolsack grandit sous la f rule d un p re pr dicateur fanatique au sein d une communaut mis rable de l Ohio Samuel le fils un peu plus g d un autre religieux devient comme son fr re Tous deux s enfuient vers les marches de la Floride sur la piste du grand fr re de Samuel Reuben qui s y serait fait un nom Sur ce territoire espagnol et encore sauvage tout semble possible pour un jeune ambitieux comme Angel port par une foi fervente et une absence totale de scrupules C est le d but d une pop e sauvage inspir e du destin extraordinaire des fr res Kemper
