*Trimodology* David J. Besley, 2015-08-11 For the first offender the cause of many cases is the confusing of the moral and the legal the public and the private This is not simplistic or making excuses Therefore if the differences could be taught instead of learned from a prosecution it would spare the pain of prosecution and its antisocial consequences This the book attempts to do Having separated the moral and the legal and adding force back gives faith code and force as the three modalities Next is what to do with them Each modus operandi can be singular used and developed separately to produce a skewed adult or generalized in relation to the other two to produce a balanced adult Society's singularizing of faith code and force has resulted in the trilemma presented by law religion and force police and military leaving the citizen a confused victim The generalizing system is pursued through its rules 3 32 33 34 35 and back At 33 3x9 27 rules the master control schedule emerges equilibrating the three modes At 35 the modes become an amorphous henial of

undifferentiated moral material The system is built on a triple of opposites The basic movement of which is from a forward to a reverse to a forward while going one way forward The three modes form six hierarchies of mixes which can be sequenced two ways 1 GCF GCF or GG CC FF Together the two sequences combine to culminate a quadrupedia patterns do any consociate threes This macromodology provides the referent for practical implications and bridges as Part 2 application of the theory to the sex chapters      **This Upside Down in Reverse Conspired Creation in Breach of Original Law** Dillon Swart,2018-10-11 This book is about the original reason for life from the viewpoint of the author The author could not agree with any of the reasons that have historically been given for life He therefore made a decision to research what is written in this book as having been the original reason for life It is the opinion of the author that everybody despite their conditioning has it within themselves to understand the original reason for life Anybody can agree to disagree with the writings in this book They can stay in the comfort of whatever is their own beliefs They could also agree with the writings in this book
