

The background of the slide is dark blue and features several faint, white chemical structures. At the top left is a benzene ring. To its right is a complex polycyclic structure with multiple hydroxyl groups and a methyl group. On the right side, there is a branched alkane chain. Below the main title, there are several other structures, including a five-membered ring with a double bond and a side chain, a bicyclic system, and a benzene ring with a side chain. At the bottom, there is a large, complex polycyclic structure with many functional groups, and to its right is a benzene ring with a side chain.
