Revise A2 Physics for AQA A Harvey Cole, 2005-04 We have had lots of students contacting us to say how useful they've found this series of revision guides. So why have they found them so valuable? Students know just what they need to revise for each exam because each guide matches the specification exactly. Information is presented in a straightforward, user-friendly way. Content is organised into double-page spreads to make revision more manageable. Short questions at the end of each section really make students stop and think about the topic. Tips on common pitfalls and advice on how to tackle different types of exam question and exam preparation. Practice exam-style questions are included at the end of each module. The answers to all questions are in the back of the books so students can work on their own. **Revise A2 Physics for OCR A**

Revise AS Physics for Salters Horners Milward, Pauline Anning, 2005-03-21 Part of our hugely successful series of AS and A2 revision guides, this guide will help your students prepare for their exams. The specification-matched guide shows students what they need to revise for each exam. A concept-led approach helps students pull together the physics ideas in the course and apply them to fresh contexts in exam questions. Revision is made manageable: all the concepts are linked to the types of question that students will actually face in the exam. Students gain vital advice on how to answer different types of question and how to avoid common pitfalls. *Revise As/A2 Biology* Senior Lecturer in African History John Parker, HarperCollins UK, 2008-10 Level A Level Subject Biology Revise for AS A2 Biology with confidence.
