

REVISIONING MEN'S LIVES

GENDER, INTIMACY, AND POWER

TERRY A. KUPERS, M.D.

Revisioning Mens Lives Gender Intimacy And Power

John Rowan

Revisioning Mens Lives Gender Intimacy And Power:

Revisioning Men's Lives Terry A. Kupers, 1993-03-26 From childhood men are taught to be tough not to cry or act like sissies and perhaps more important to want to win in whatever they do The rules governing men's behavior first learned in the schoolyard change little during the course of a man's life and are inextricably linked with the values that determine how men judge each other and themselves Over the past 20 years however with heightened interest in male psychology and the emergence of the men's movements greater numbers of men have begun to discover the links between traditional male armoring inclinations toward battles for dominance feelings of inadequacy and isolation and the compensatory tendency to oppress women and gays Today while men believe they must still conform to the dictates of the male role it has become increasingly ambiguous what that role is The groundbreaking book REVISIONING MEN'S LIVES seeks to completely reshape our perspectives on manhood and masculinity It explores the important themes of gender intimacy and power in men's lives in an effort to change for the better our notions about what it means to be a man Combining psychological clinical autobiographical sociological and critical discussions the book describes the deeply divided men's movement and critiques the various approaches that different groups have taken Chapters address individual topics such as fathers and sons homophobia friendships pornography and men in therapy throughout personal and clinical experiences bring the myriad issues of masculinity to life The book concludes with a discussion of the influence of power on men's lives Kupers asserts that what men really want is to feel productive successful loved virile and fully alive Yet men also believe that the only way to achieve these goals is to be powerful and they continue to define power in a very traditional one dimensional way as power over others This definition tends to trap men into lives where they will most probably fear dependency compensate for inadequacies by oppressing others and isolate themselves emotionally in order to avoid betraying themselves as weaklings What this book proposes is a redefinition of power that will allow men to feel powerful through non traditional means most especially through positive non oppressive relationships with their families colleagues and friends Once men have relinquished the idea that power can only be attained at the expense of others men and women will be able to work together to construct new notions of masculinity and greatly improved gender relations REVISIONING MEN'S LIVES is essential reading for everyone who wants a greater understanding of the forces shaping men's lives today Carefully documented clinical and personal experiences are presented in a straightforward and engaging style that is accessible to all Social scientists interested in men's women's and family issues emotion self esteem and gender relations will find the book illuminating This is a fine book the kind which allows the reader to feel he has a comrade and a partner in the arduous gender role journey with which we and our male clients are engaged

Masculinities The Politics of Manhood Michael Kimmel, 2009 A much needed often startling debate on the personal and political dimensions of masculinity [Masculinities](#)

RW Connell, 2020-07-16 When it was first published over a decade ago R W Connell's ground breaking text on the nature and

construction of masculine identity rapidly became a classic In *Masculinities* Connell argues that there is not one masculinity but many different masculinities each associated with different positions of power In a world gender order that continues to privilege men over women but also raises difficult issues for men and boys her account is more relevant than ever before In this new edition Connell discusses the development of masculinity studies in the ten years since the book's initial publication She explores global gender relations new theories and practical uses of masculinity research She also addresses the politics of masculinities and the implications of masculinity research for understanding current world issues Against the backdrop of an increasingly divided world dominated by neo conservative politics Connell's account highlights a series of compelling questions about the future of human society *Masculinities* has been translated into many languages and in 2004 it was voted one of the ten most influential books in Australian sociology This second edition will be essential reading for students taking courses in gender studies and a valuable reference for readers across the humanities and social sciences the fundamental study on masculinity as a formative factor of modern social inequality and also one of the most important books in the social sciences in recent years Professor Ilse Lenz Ruhr University Bochum

Boyz 2 Buddhas David Forbes, 2004 Is conventional masculinity hazardous to young men's health *Boyz 2 Buddhas* proposes that mindfulness meditation can help male teens deal with the unhealthy pressures of growing up today After examining high school football a popular activity that evokes troublesome aspects of male consciousness and behavior David Forbes describes a meditation and discussion group he held with urban high school football players The students meditated in order to play football in the zone a state of higher awareness Along the way they also learned to live their lives in the same manner resulting in a more mindful healthy way of growing up to be men The counseling model illustrated in this book blends popular culture with contemplative practice and addresses young men's need for greater personal meaning

Eroticism Salman Akhtar, Rajiv Gulati, 2019-09-06 With contributions from distinguished scholars and clinicians who view human erotic desire from modern developmental relational societal and cross cultural perspectives *Eroticism Developmental Cultural and Clinical Realms* offers a multifaceted and up to date glimpse into what we find sexually attractive and why While psychoanalysis has unshackled itself from the narrow confines of instinct theory to include ego psychology object relations theory self psychology and the contemporary relational paradigm such heuristic and clinical advance is sorely needed to further our grasp of human eroticism and love Accommodation also needs to be made for the cultural changes that have occurred over the last five or six decades These include the feminist corrective to the phallocentrism of classical psychoanalysis the new insights into human subjectivity and personality development provided by the gay and lesbian movement the contemporary de centering of the essentialist and binary gender formulations and the post colonial voices of the non Western people By providing theoretically anchored clinical guidelines *Eroticism* provides not only an update on the early analytic understanding of human eroticism but advances clinical praxis as well

Reviewing Masculinities Michael Kimmel, 2025-09-09 As a subfield within Gender Studies

Masculinity Studies has identified and interrogated ideas about masculinity and the lives of different groups of men since the late 1970s. From its earliest incarnation within the Social Psychology of Sex Roles to its present sub fields in history sociology anthropology as well as psychology the study of masculinity is now replete with conferences book series at least four encyclopedias handbooks as well as several scholarly journals. Michael Kimmel has been a central figure in the founding and development of Masculinity Studies. Kimmel was the editor of one of the field's first interdisciplinary anthologies *Changing Men: New Directions in the Study of Masculinity* (Sage 1987) followed by co editing the first college level textbook anthology *Men's Lives* (10 editions Pearson) the Sage Series on Men and Masculinities (10 volumes Sage) which culminated in the *Handbook on Studies of Men and Masculinities*. Since 1980 Kimmel has also been a prolific book reviewer of books in the field as it developed with more than 60 reviews of books about men and masculinities. Over the course of nearly five decades these reviews trace the development of the field itself from the early identification of men as a category of analysis and a subject worthy of inquiry to discussions of different groups of men the idea of multiple masculinities organized by race class religion age sexuality to men in different situations institutions and circumstances. This unique collection brought together for the first time charts the development of the field of Masculinity Studies since its inception as a concept. It is a vital addition to any scholarly library which supports research and study of sociology social history culture and gender studies.

Recreating Men Bob Pease, 2000-02-02 One of the most central issues for women's prospects for equality is whether man can and will change. Changing the social relations of gender will involve changing men's subjectives as well as their daily practices. This book asks whether this is possible. Bob Pease examines how men who are supportive of feminism are responding to the feminist challenge through an exploration of their experiences and dilemmas in trying to live out their feminist commitment and resist hegemonic forms of masculinity. The book is driven by practical as well as theoretical concerns and aims to develop strategies that will promote the process of change towards equality in gender relations. Drawing on a critical postmodern theoretical framework Pease argues that it is possible for men to reposition themselves in patriarchal discourses and to reformulate their interests in challenging gender domination. *Recreating Men* is an invaluable reading for academics and students of gender studies and of interest to students of sociology psychology and political sociology.

Hegemonic Masculinities and Camouflaged Politics James W. Messerschmidt, 2015-12-03 Analyzing the speeches of the two Bush presidencies this book presents a new conceptualization of hegemonic masculinity by making the case for a multiplicity of hegemonic masculinities locally regionally and globally. This book outlines how state leaders may appeal to particular hegemonic masculinities in their attempt to sell wars and thereby camouflage salient political practices in the process. Messerschmidt offers a fresh historical perspective on the war against Iraq over an 18 year period and he argues that we cannot truly understand this war outside of its gendered masculine and historical context.

The Multiracial Experience Maria P. P. Root, 1995-11-21 How might a multiracial concept dismantle our negative construction of race? How

do we redefine ethnicity when race is less central to the definition The Multiracial Experience challenges current theoretical and political conceptualizations of race using the multiracial experience of individuals as a tool for examining these and other questions Each contribution opens with a personal sketch of the multiracial experience Topics explored in the book include the differences between race and ethnicity colour gender and sexuality in a multiracial context and ethnicity and its role in identity formation

Prison Masculinities /edited by Don Sabo, Terry A. Kupers, and Willie London Donald F. Sabo, Terry Allen Kupers, Willie James London, 2001 This book explores the frightening ways our prisons mirror the worst aspects of society wide gender relations It is part of the growing research on men and masculinities The collection is unusual in that it combines contributions from activists academics and prisoners The opening section which features an essay by Angela Davis focuses on the historical roots of the prison system cultural practices surrounding gender and punishment and the current expansion of corrections into the prison industrial complex The next section examines the dominant or subservient roles that men play in prison and the connections between this hierarchy and male violence Another section looks at the spectrum of intimate relationships behind bars from rape to friendship and another at physical and mental health The last section is about efforts to reform prisons and prison masculinities including support groups for men It features an essay about prospects for post release success in the community written by a man who after doing time in Soledad and San Quentin went on to get a doctorate in counseling The contributions from prisoners include an essay on enforced celibacy by Mumia Abu Jamal as well as fiction and poetry on prison health policy violence and intimacy The creative contributions were selected from the more than 200 submissions received from prisoners Author note Don Sabo Professor of Social Sciences at D Youville College in Buffalo is author or editor of five books most recently with David Gordon Men s Health and Illness Gender Power and the Body and with Michael Messner Sex Violence and Power in Sports Rethinking Masculinity Sabo has appeared on The Today Show Oprah and Donahue Terry A Kupers M D a psychiatrist teaches at the Wright Institute in Berkeley He is the author of four books editor of a fifth His latest books are Prison Madness The Mental Health Crisis Behind Bars and What We Must Do About It and Revisioning Men s Lives Gender Intimacy and Power Kupers has served as an expert witness in more than a dozen cases on conditions of confinement and mental health services Willie London a published poet is General Editor of the prison publication Elite Expressions He is currently an inmate at Eastern Corrections For nine years he was a prisoner at Attica

Goddesses and Monsters Jane Caputi, 2004 The essays focus upon popular culture as it is informed by ancient and current mythic images narratives personalities icons and archetypes Topics include the cult status of the serial sex killer sexual murder as a contemporary form of religious sacrifice pornography as an everyday narrative underlying not only sexism but also racism homophobia and militarism the relation of incest to nuclearism pornography and the sacred cyborg myth and subtextual presence of ancient goddess figures in contemporary narratives including that of Princess Diana

Femininity and Shame Barbara L. Eurich-Rascoe, Hendrika Vande Kemp, 1997 Femininity is a source of

shame for some men and women Scholarship and therapeutic practice have not reckoned with femininity of its shamefulness in helpful healing ways Thus women and men continue to hide their feminine selves This book asserts the positive worth and power of femininity for men and women men s and women s need for validation of their femininity and the need to create child rearing and therapeutic practices that achieve incorporation of femininity in men s conscious self understanding

Cultures of Peace Elise Boulding,2000-05-01 Renowned sociologist Elise Boulding offers an eminent collection of essays that emphasizes her study of civil society over the past fifty years While most media and academic attention focuses on the extreme violence in today s society Elise Boulding notes an equally significant presence of cultures and societies of peace Here in a volume that represents a life s work she revisits her theme of the connection among family community and government and offers enriching perspectives and advice on how to fuel the process of peace Boulding examines structural violence in terms of the major institutional obstacles to a more peaceful future the tension between the states and the people trapped inside them the tension between the techno sphere and the biosphere and between global systems and local know how She describes social movements around the world that are developing alternative ways of handling the great diversity of human biospheric needs on the planet In addition Boulding brings together her experiences to empower the peace building activities if we are to do better in the twenty first century than we have done in the twentieth century Provided by publisher

Don't Take It Personally Elayne Savage,2016-04-19 Who hasn t felt the sting of rejection It doesn t take much for your feelings to get hurt a look or a tone of voice or certain words can set you ruminating for hours on what that person meant An unreturned phone call or a disappointing setback can really throw you off your center It s all too easy to take disappointment and rejection personally You can learn to handle these feelings and create positive options for yourself Don t Take It Personally explores all forms of rejection where it comes from and how to overcome the fear of it Most of all you ll learn some terrific tools for stepping back from those overwhelming feelings You ll be able to allow space to make choices about how you respond Understand the effect that anxiety frustration hurt and anger have on your interactions with others De personalize your responses and establish safe personal boundaries that protect you from getting hurt Practice making choices about the thoughts you think and the ways you respond to stressful situations Understand and overcome fear of rejection in personal and work relationships Elayne Savage explores with remarkable sensitivity the myriad of rejection experiences we experience with friends co workers lovers and family Because her original ideas have inspired readers around the world Don t Take It Personally has been published in six languages *The Reality Game* John Rowan,2016-05-05 In the years since it was first published *The Reality Game* has become a classic text For all those training and practising in humanistic and integrative psychotherapy it is an essential guide to good practice and an excellent introduction to the skills used in individual and group therapy This new edition has been updated to take into account changes in the field and John Rowan s own work while still providing guidance on establishing and developing the relationship between counsellor and client and

covering assessment the initial interview the opening session aims transference resistance and supervision With the student s needs always at the forefront this extensively revised new edition responds to the questions most often asked by trainees in these disciplines and includes discussions of ethics and new chapters on transpersonal psychology and on dialogical self theory It will be a must read for psychotherapists and counsellors in practice and training especially those involved in humanistic and integrative psychotherapy

Rapprochement Between Fathers and Sons Louis Rothschild,2023-11-23

Following Freud s rather cold conception of fathers and a relative neglect of their role in psychoanalytic theory is a challenge to continue more recent efforts to develop a psychoanalytically affirmative portrait of fatherhood Here fathers are attuned to relational mutuality and intimacy as a source of flourishing Rapprochement is understood as a sub phase of child development marked by a dramatic expression of conflict such as Hear me see me give me space don t give me space In addition rapprochement is considered to characterize conflicts between autonomy and dependency across the lifespan An often muted and subtle tension between holding and letting go persists Working with what is felt entails entering a never fully completed negotiation marked by misreadings bias and illusion Father is understood to be a name pointing to a parenting function With material that includes the grief of failed reunion particular stories are mediated through thinking alongside philosophy and psychoanalytic theory in order to further explore the difficulty of integrating nurturing capacities into conceptions of masculinity As a critique of gendered rigidity a case is made for a social surround that declares mutual vulnerability to exist in a state of permanent inquiry and relational curiosity Such openness can function to aid parents clinicians and respective community members to privilege the development of increased frustration tolerance By extension a good enough father is one who recognizes breakdown a need for refueling and possesses and practices a willingness to encounter uneven rhythms in human dimensions This thoughtful work brings fresh insight into the role of the father and masculinity and is essential reading for mental health professionals

Women, Men, & Gender Mary Roth

Walsh,1997-01-01 Offers pro and con positions on eighteen gender studies issues including research priorities pornography sexual orientation gender impact on knowledge discrimination and working mothers

Men & Masculinities Michael S. Kimmel,Amy B. Aronson,2003-12-11

The first encyclopedia to analyze summarize and explain the complexities of men s lives and the idea of modern manhood The process of making masculinity visible has been going on for over two decades and has produced a prodigious and interesting body of work But until now the subject has had no authoritative reference source Men Masculinities a pioneering two volume work corrects the oversight by summarizing the latest historical biological cross cultural psychological and sociological research on the subject It also looks at literature art and music from a gender perspective The contributors are experts in their specialties and their work is directed organized and coedited by one of the premier scholars in the field Michael Kimmel The coverage brings together for the first time considerable knowledge of men and manhood focusing on such areas as sexual violence intimacy pornography homophobia sports profeminist men rituals

sexism and many other important subjects Clearly this unique reference is a valuable guide to students teachers writers policymakers journalists and others who seek a fuller understanding of gender in the United States Impacts of Racism on White Americans Benjamin Bowser, Raymond G. Hunt, 1996-03-26 Praise for the first edition A welcome addition to the growing sociological literature that looks beyond the circumstances of victims for the solutions to various social problems Contemporary Sociology A clear articulation of a number of historical spatial and international perspectives on race relations The new and novel focus provides fresh insights into a field that has found the development of a unified theory elusive International Social Science Review Challenging the popularly held view that racism is disappearing as a social phenomenon the second edition of Impacts of Racism on White Americans reexamines the questions proposed by its first edition and notes that one decade later little has changed This stimulating collection of original papers focuses on the new ways in which white Americans act out racism and weighs the advantages and disadvantages that whites experience from racism Drawing on evidence from the social and behavioral sciences this timely revision argues that racism is essentially a problem of European Americans and that most whites do not benefit from racism in the long term In addition this volume holds that racism cannot be eliminated until it is viewed as a white problem that seriously compromises the quality of life The concluding chapter of the first edition which summarized the major insights and findings of that edition has been reprinted and in the final chapter of this new edition editors Benjamin P Bowser and Raymond G Hunt expand on recommendations and clearly illustrate how far we've come and most important how far we have to go Sure to follow the success of its first edition Impacts of Racism on White Americans will make a major contribution to our understanding of the impacts of racism while providing students and professionals in race ethnic studies sociology urban studies and social psychology with thought provoking quality material

The Reality Game, second edition John Rowan, 2014-02-04 The Reality Game is for people who are or who want to be counsellors or psychotherapists It is particularly useful for those training in humanistic or integrative psychotherapy and counselling Discussing the skills and techniques used in both individual and group therapy this is an essential guide to good practices for the professional humanistic counsellor or psychotherapist and also responds to the questions most often asked by those training in these disciplines

Revisioning Mens Lives Gender Intimacy And Power Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Revisioning Mens Lives Gender Intimacy And Power PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and

pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Revisioning Mens Lives Gender Intimacy And Power PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Revisioning Mens Lives Gender Intimacy And Power free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Revisioning Mens Lives Gender Intimacy And Power Books
