Revisiting The Civil War By Hokanson Wilmer

William Archibald Dunning

Revisiting The Civil War By Hokanson Wilmer:

Revisiting the Civil War Wilmer Hokanson, 1990-03-01 **Forthcoming Books** Rose Army, 1990 **Paperbound Books in Print** , 1991 **New Perspectives on the Civil War** John Y. Simon, Michael E. Stevens, 2001-12

As the American Civil War recedes into the past popular fascination continues to rise Once a matter that chiefly concerned veterans separately organized North and South who gathered to refight old battles and to memorialize the heroes and victims of war the Civil War has gradually become part of a collective heritage Issues raised by the war including its causes and consequences reverberate through contemporary society Family and community connections with the war exist everywhere as do battlefields memorials and other physical reminders of the conflict We as Americans are fascinated by the sheer magnitude of the war fought over thousands of miles of American soil and resulting in awesome casualties It was a gigantic national drama enacted by people who seem both contemporary and remote Here for the first time leading Civil War scholars gather to sort out the fact and fiction of our collective memories Contributors include Pulitzer Prize winner Mark E Neely Jr Alan T Nolan John Y Simon James I Bud Robertson Jr Gary W Gallagher Joseph T Glatthaar and Ervin L Jordan Jr **New Perspectives on the Civil War** John Y. Simon, Michael E. Stevens, 2003-06-05

As the American Civil War recedes into the past popular fascination continues to rise Once a matter that chiefly concerned veterans separately organized North and South who gathered to refight old battles and to memorialize the heroes and victims of war the Civil War has gradually become part of a collective heritage Issues raised by the war including its causes and consequences reverberate through contemporary society Family and community connections with the war exist everywhere as do battlefields memorials and other physical reminders of the conflict We as Americans are fascinated by the sheer magnitude of the war fought over thousands of miles of American soil and resulting in awesome casualties It was a gigantic national drama enacted by people who seem both contemporary and remote Here for the first time leading Civil War scholars gather to sort out the fact and fiction of our collective memories Contributors include Pulitzer Prize winner Mark E Neely Jr Alan T Nolan John Y Simon James I Bud Robertson Jr Gary W Gallagher Joseph T Glatthaar and Ervin L Jordan Jr **The Enduring Civil War** Gary W. Gallagher, 2020-09-02

In the seventy three succinct essays gathered in *The Enduring Civil War* celebrated historian Gary W Gallagher highlights the complexity and richness of the war from its origins to its memory as topics for study contemplation and dispute He places contemporary understanding of the Civil War both academic and general in conversation with testimony from those in the Union and the Confederacy who experienced and described it investigating how mid nineteenth century perceptions align with or deviate from current ideas regarding the origins conduct and aftermath of the war The tension between history and memory forms a theme throughout the essays underscoring how later perceptions about the war often took precedence over historical reality in the minds of many Americans The array of topics Gallagher addresses is striking He examines notable books and authors both Union and Confederate military and civilian famous and lesser known

He discusses historians who though their names have receded with time produced works that remain pertinent in terms of analysis or information. He comments on conventional interpretations of events and personalities challenging among other things commonly held notions about Gettysburg and Vicksburg as decisive turning points. Ulysses S. Grant as a general who profligately wasted Union manpower. The Gettysburg Address as a watershed that turned the war from a fight for Union into one for Union and emancipation. and Robert E. Lee as an old fashioned general ill suited to waging a modern mid nineteenth century war. Gallagher interrogates recent scholarly trends on the evolving nature of Civil War studies addressing crucial questions about chronology, history, memory and the new revisionist literature. The format of this provocative and timely collection lends itself to sampling and readers might start in any of the subject groupings and go where their interests take them.

Living Hell Michael C. C. Adams, 2014-03-15. A senior military historian presents an unflinching account of the human costs of the Civil War. Many Americans, argues Michael C. C. Adams, tend to think of the Civil War as more glorious, less awful than the reality. Millions of tourists flock to battlefields each year as vacation destinations; their perceptions of the war often shaped by reenactors who work hard for verisimilitude but who cannot ultimately simulate mutilation, madness, chronic disease, advanced physical decay. In *Living Hell*, Adams tries a different tack, clustering the voices of myriad actual participants on the firing line or in the hospital ward to create a virtual historical reenactment. Perhaps because the United States has not seen conventional war on its own soil since 1865, the collective memory of its horror has faded so that we have sanitized and romanticized even the experience of the Civil War. Neither film nor reenactment can fully capture the hard truth of the four year conflict. *Living Hell* presents a stark portrait of the human costs of the Civil War and gives readers a more accurate appreciation of its profound and lasting consequences. Adams examines the sharp contrast between the expectations of recruits versus the realities of communal living: the enormous problems of dirt and exposure, poor diet, malnutrition and disease. He describes the slaughter produced by close order combat, the difficulties of cleaning up the battlefields where tens of thousands of dead and wounded often lay in an area of only a few square miles, and the resulting psychological damage survivors experienced. Drawing extensively on letters and memoirs of individual soldiers, Adams assembles vivid accounts of the distress Confederate and Union soldiers faced: daily sickness, exhaustion, hunger, devastating injuries, and makeshift hospitals where saws were often the medical instrument of choice. Inverting Robert E. Lee's famous line about war, Adams suggests that too many Americans become fond of war out of ignorance of its terrors. Providing a powerful counterpoint to Civil War glorification, *Living Hell* echoes William Tecumseh Sherman's comment that war is cruelty and cannot be refined. Praise for *Our Masters the Rebels: A Speculation on Union Military Failure in the East, 1861-1865*. This excellent and provocative work concludes with a chapter suggesting how the image of Southern military superiority endured in spite of defeat. *Civil War History*. Adams's imaginative connections between culture and combat provide a forceful reminder that Civil War military history belongs not in an encapsulated realm with its own categories and arcane language but at the

center of the study of the intellectual social and psychological currents that prevailed in the mid nineteenth century Journal of American History Praise for The Best War Ever America and World War II Adams has a real gift for efficiently explaining complex historical problems Reviews in American History Not only is this mythologizing bad history says Adams it is dangerous as well Surrounding the war with an aura of nostalgia both fosters the delusion that war can cure our social ills and makes us strong again and weakens confidence in our ability to act effectively in our own time Journal of Military History

The Civil War and Reconstruction Stanley Harrold,2007-11-28 This new volume deals with two momentous and interrelated events in American history the American Civil War and Reconstruction and offers students a collection of essential documentary sources for these periods Provides students with over 60 documents on the American Civil War and Reconstruction Includes presidential addresses official reports songs poems and a variety of eyewitness testimony concerning significant events ranging from 1833 1879 Contains an informative introduction focused on the kinds of materials available and how historians use them Each chapter ends with questions designed to help students engage with the material and to highlight key issues of historical debate Essays on the Civil War and Reconstruction William Archibald

Dunning,2017-10-12 Excerpt from Essays on the Civil War and Reconstruction And Related Topics OF the essays included in this volume all but one that on The Process of Reconstruction have been published before during the last eleven years four in the Political Science Quarterly one in the Yale Review and one in the Papers of the American Historical Association For the purpose of their present appearance all have been subjected to revision which has resulted in some cases in considerable modifications The first five essays are devoted immediately to various phases of the Civil War and Reconstruction The last two while not concerned exclusively with those topics have nevertheless such a relation to the legal and political questions treated as to justify their inclusion in the volume About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Empire and Liberty** Virginia

Scharff,2015-04-09 Empire and Liberty brings together two epic subjects in American history the story of the struggle to end slavery that reached a violent climax in the Civil War and the story of the westward expansion of the United States Virginia Scharff and the contributors to this volume show how the West shaped the conflict over slavery and how slavery shaped the West in the process defining American ideals about freedom and influencing battles over race property and citizenship This innovative work embraces East and West as well as North and South as the United States observes the 2015 sesquicentennial commemoration of the end of the Civil War A companion volume to an Autry National Center exhibition on the Civil War and

the West Empire and Liberty brings leading historians together to examine artifacts objects and artworks that illuminate this period of national expansion conflict and renewal

Steppingstones to the Civil War Charles C. Finn, 2008-02-01

Slavery and the Civil War what is the connection and does it matter From the view point of the book in your hands the connection is absolute and it matters greatly Steppingstones to the Civil War invites readers to revisit American history especially those believing that the devastation costing 600 000 lives think on that figure and shaking to the foundations the American experiment was at root about states rights economy and Northern imperialism and only incidentally about slavery As the chapters on John Calhoun Alexander Stephens Jefferson Davis and the Commissioners from the first seven seceding states marshalling their strongest arguments to convince other slaveholding states to join the Confederacy attest Southern politicians before the war broke out proudly and defiantly agreed that the bone of contention the states right the institution worth fighting over even if it meant the dissolution of the Union was slavery and the racial and economic order it established and perpetuated As soon as the fighting was over however in order to salvage Southern honor and effect reconciliation between once warring whites a different story was constructed the cause though lost was in fact noble since primarily about independence states rights and justifiable protection of hearth and home against invasion This denial of slavery's centrality not only distorts history but for those whose ancestors were so long abused literally adds insult to injury If there is ever to be genuine healing between the races in this country it will begin with facing and accepting painful truth which alone can set us free The cancer infecting the vitals of America compromised into its very founding in order that there could be an America despite inspiring efforts of a brave minority over many decades was virulent enough to resist every effort short of the radical surgery of civil war The tragic story can yet set us free if with courage we face the truth of it

The American Civil War Philip D. Dillard, 2022

The American Civil War A Racial Reckoning provides a concise but comprehensive overview of the American Civil War placing race at the center of the war and Reconstruction experience The book discusses the sectional crisis and the expansion of slavery into new territories as precipitating events that lead many Americans to see slavery as the most important issue facing the nation Political developments and the military struggle are addressed in detail as well as the dramatic social and political changes that occurred as slavery and plantation societies crumbled The author addresses the creation of Confederate monuments the denial of the centrality of slavery in the conflict and other efforts to redeem and memorialize the Confederacy as key components of the Lost Cause as well as enduring reminders that the issues of white supremacy and racial inequality have yet to be resolved Placing the Civil War and Reconstruction into the context of the nation's continuing struggle for true equality this text provides students a thoughtful analysis of the war's long term impacts An array of primary documents supports the text together with a chronology glossary and Who's Who guide to key figures This book will be of interest to students of the Civil War and those on more general American history courses

The Civil War and Reconstruction James Garfield Randall, 1943

Civil War and Reconstruction Gideon Welles, 2011-10

Revisioning the Civil War James C. Bresnahan, 2006 This alternative history examines key events and decisions of the Civil War giving some of the subject's foremost experts a chance to reflect on what could have and could not have happened

Provided by publisher **Essays on the Civil War and Reconstruction** Irwin Unger, 1982-06-01 *Race and Reunion*

David W. Blight, 2003 *The Legacy of the Civil War* Robert Warren, 1998 **ESSAYS ON THE CIVIL WAR AND RECONSTRUCTION** WILLIAM ARCHIBALD. DUNNING, 2018

Revisiting The Civil War By Hokanson Wilmer Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Revisiting The Civil War By Hokanson Wilmer PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Revisiting The Civil War By Hokanson Wilmer PDF books and manuals is

convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Revisiting The Civil War By Hokanson Wilmer free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Revisiting The Civil War By Hokanson Wilmer Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Revisiting The Civil War By Hokanson Wilmer is one of the best book in our library for free trial. We provide copy of Revisiting The Civil War By Hokanson Wilmer in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Revisiting The Civil War By Hokanson Wilmer. Where to download Revisiting The Civil War By Hokanson Wilmer online for free? Are you looking for Revisiting The Civil War By Hokanson Wilmer PDF? This is definitely going to save you time and cash in something you should think about.
