Revitalizing Socialist Enterprise A Race Against Time:

Revitalizing Socialist Enterprise John Heath,1993 Revitalizing Socialist Enterprise John Heath,2002-01-31

Following the collapse of socialism in Eastern Europe immediate concerns for the former socialist states have been largely economic However whilst much has been written about government policies relatively little has addressed change at the enterprise level This book does this by means of case studies and careful cross country comparisons **The American**

Bibliography of Slavic and East European Studies Patt Leonard,Rebecca Routh,2020-02-27 This bibliography first published in 1957 provides citations to North American academic literature on Europe Central Europe the Balkans the Baltic States and the former Soviet Union Organised by discipline it covers the arts humanities social sciences life sciences and technology Restructuring of Enterprises R. Jayashankar,2016-01-01 The book on Restructuring of Enterprises A Practical

Approach has an applied orientation and provides a step by step hands on approach for carrying out comprehensive restructuring of enterprises public private utilities An exhaustive view of restructuring is presented including its rationale mechanism of restructuring design and development of restructuring programmes and development of an action plan for restructuring *Living with Environmental Change* W. Neil Adger,P. Mick Kelly,Nguyen Huu Ninh,2012-12-06 Vietnam and the neighbouring countries of Southeast Asia face diverse challenges created by the rapid evolution of their social economic and environmental systems and resources Taking a multidisciplinary perspective this book provides a comprehensive assessment of the Vietnamese situation identifying the factors shaping social vulnerability and resilience to environmental change and considering prospects for sustainable development *Shareholding System Reform in China* Shuyun

Ma,2010-01-01 This insightful book demonstrates how China has emerged as one of the world s largest privatizing countries within a decade Since the 1980s there has been a global wave of transfer of state assets to private hands China is a relatively late participant in this worldwide trend yet in the last decade it has emerged as one of the largest privatizing countries Shu Yun Ma argues that China s privatization is not based on any grand blueprint rather it is privatization by groping for stones to cross the river a well known metaphor often attributed to Deng Xiaoping meaning that the reform simply proceeds on a trial and error basis without being guided by any theory With original case studies including one on China s first industrial shareholding enterprise this informative book will be of great interest to the academic community China observers and policymakers as well as financial analysts **F. W. Taylor** John Cunningham Wood,Michael C. Wood,2002 Following the

volumes on Henri Fayol this next mini set in the series focuses on F W Taylor the initiator of scientific management Taylor set out to transform what had previously been a crude art form in to a firm body of knowledge **Comparative Economics in**

a Transforming World Economy, third edition J. Barkley Rosser, Jr.,Marina V. Rosser,2018-01-26 An approach to comparative economic systems that avoids simple dichotomies to examine a wide variety of institutional and systemic arrangements with updated country case studies Comparative economics with its traditional dichotomies of socialism versus

capitalism private versus state and planning versus market is changing This innovative textbook offers a new approach to understanding different economic systems that reflects both recent transformations in the world economy and recent changes in the field This new edition examines a wide variety of institutional and systemic arrangements many of which reflect deep roots in countries cultures and histories The book has been updated and revised throughout with new material in both the historical overview and the country case studies It offers a broad survey of economic systems then looks separately at market capitalism Marxism and socialism and new traditional economies with an emphasis on the role of religions Islam in particular in economic systems It presents case studies of advanced capitalist nations including the United States Japan Sweden and Germany alternative paths in the transition from socialist to market economies taken by such countries as Russia the former Soviet republics Poland China and the two Koreas and developing countries including India Iran South Africa Mexico and Brazil The new chapters on Brazil and South Africa complete the book s coverage of all five BRICS nations the chapter on South Africa extends the book s comparative treatment to another continent The chapter on Brazil with its account of the role of the Amazon rain forest as a great carbon sink expands the coverage of global environmental and sustainability issues Each chapter ends with discussion questions
