The flames are bright orange and yellow, with dark smoke rising from them. The background is dark, making the fire and the book stand out. The text is overlaid on the upper part of the image.

Revival Fire:

Revival Fire Wesley L. Duewel, 1995 *Revival Fire* provides a history of what God has done by means of revival and a promise of what God can do today *Revival's Fire* Bill Vincent, 2024-03-06 *Revival's Fire* is more than a book it's a journey towards spiritual awakening calling believers to reignite their passion for God and embrace the fullness of what it means to be a follower of Jesus Christ *Revival's Fire Embracing True Discipleship in the Midnight Hour* is a stirring call to authentic faith and deep rooted commitment in a time of spiritual upheaval Through a series of powerful sermons this book challenges readers to examine their relationship with God urging them to move beyond superficial practices into a genuine life altering encounter with Jesus Christ The book opens with Introduction setting the stage for a revival deeply anchored in the true gospel It emphasizes the importance of miracles as God's pathway to salvation and the urgency of the times we live in *Midnight Hour* further delves into the symbolism of the current times as the last hour before Christ's return calling for awareness and preparedness *Fanning the Flame* and *Paying the Price* confront the lukewarm attitudes prevalent in many believers These sections challenge the reader to consider the cost of true discipleship contrasting it with the ease of passive faith *Becoming a Real Follower* serves as the heart of the book It focuses on the life of Apostle Peter as a blueprint for transformation from a mere admirer of Christ to a true follower It juxtaposes Peter's initial denial of Jesus with his ultimate transformation symbolizing the potential for change in every believer Throughout the book interweaves biblical narratives with contemporary applications making it a compelling read for those yearning for a deeper more committed spiritual life It's a wake up call to the church and individuals alike pressing the importance of a genuine relationship with Christ in these crucial times *Revival's Fire* is more than a book it's a journey towards spiritual awakening calling believers to reignite their passion for God and embrace the fullness of what it means to be a follower of Jesus Christ in an era that desperately needs authentic witnesses of His power and love **Revival Fire** Wesley L. Duewel, 2010-08-03 Fire blazes from heaven and a stone altar erupts in flame So begins a spiritual awakening the kindling of a revival fire still burning today Beginning with Elijah and God's tremendous one day revival of Israel Wesley Duewel tells stories of revivals spanning the globe from America to China to Africa all brought by obedience and heartfelt prayer He illustrates how God has used revival fire through the centuries to revive the church and reveal the glorious presence of the Holy Spirit Revival Fire Matthew H Strong, 2020-12-02 *Revival Fire* is a heart cry for spiritual Revival a season of great spiritual awakening The words in these pages are energized by the Spirit to quicken men both to pray and to earnestly seek for this mighty move of God's Spirit We need God's divine intervention in our dying world today a great revival And why is this revival being delayed and what can be done to draw down this mercy and power of God on men Pick up this book and experience the great transformation You will understand from this book that God does not work through systems but through men men on fire of the Holy Spirit Whenever God want to birth new things on earth he looks for men At the wake of the Gospel we read There was a man sent from God

whose name is John 16:13 Men are vice regent of God Holy men are God's mighty agents of revival and you too can be one Order a copy of this book today and experience God's mighty hand in your life **Revival Fire, 150 Years of Revivals, Spiritual Awakenings and Moves of the Holy Spirit** Mathew Backholer, 2018-02-01 Updated in 2020 Revival Fire 150 Years of Revivals features twelve of the most potent heaven sent revivals that the world has seen in the past one hundred and fifty years Including the Prayer Meeting Revival of 1857 that reverberated around the world the Azusa Street Revival that ushered in the modern Pentecostal movement the Pyongyang Great Revival where the Korean church less than a generation old swept the country the Gold Coast Revival on the west coast of Africa and the Shillong Revival in India of the twenty first century Discover how Christians prayed the Scriptures that they pleaded the challenges faced and how they saw the blessing of God in their towns and cities as the Holy Spirit came down and convicted saints converted sinners and transformed lives unto the praise and glory of God The author makes many references to other lesser known revivals and brings facts to life through the use of detailed descriptions statistics interviews and eye witness accounts coupled with his broad and extensive knowledge of revival church history makes this book informative and a truly inspirational read Learn from the past be challenged for the present and be inspired for the future **Fire of Revival** Ryan LeStrange, 2012-01-24 What is Revival It is the absolute manifestation of the presence of God Almighty in the midst of His people Revival is a wave that overtakes churches cities and regions with the power of God When revival rushes into a community it turns things upside down and ushers hearts back into the deeper things of God Revival is a city shaking **Igniting Revival Fire Everyday** Todd Smith, 2020-10-20 Featuring powerful Holy Spirit filled entries by Top Revival Leaders including Randy Clark John and Carol Arnott Dr Michael L Brown James W Goll Pastor John Kilpatrick David Hogan Ward Simpson Let your heart be ignited afresh for Awakening by some of the world's top voices of revival The nations are in an Letters on Revival Charles G. Finney, 1845 Revivals of religion have been gradually becoming more and more superficial All the phenomena which they exhibit testify to this as a general fact There is very much less deep conviction of sin and deep depth of humility and much less strength in all the graces exhibited by converts in late revivals than in the converts from the revivals which occurred about 1830 and 1831 and for some time previous I have observed as have others also that revivals are of much shorter duration and that a reaction comes on much more suddenly and disastrously than formerly Also that fewer of the converts make stable and efficient Christians that those who do persevere appear to have less of the Spirit of Christ than in former revivals not so much of the spirit of prayer and are not so modest and humble In short all the phenomena of the more recent revivals judging from my own experience and observation and from the testimony of other witnesses show that they have at least very extensively taken on a much less desirable type than formerly Christians are much less spiritual in revivals much less prevalent in prayer not so deeply humbled and quickened and thoroughly baptized with the Holy Ghost as they were formerly These statements I do not suppose to be universally applicable to modern revivals but I do believe them to be

applicable generally As revivals now exist I believe ministers are not nearly as desirous of seeing them in their congregations as they formerly were nor have they good reason to be Those ministers who have witnessed none but the later revivals of which I speak are almost afraid of revivals They have seen the disastrous results of modern revivals so frequently that they honestly entertain the doubt whether they are upon the whole desirable Those as I have good reason to know who saw the revivals which occurred ten or twenty years ago greatly prefer revivals of that type They are distressed with the superficiality of many recent revivals I make this as a general not a universal remark and state only my own opinion of public sentiment I have often heard it said both among ministers and private Christians we long to see the days return when we shall have such revivals as we saw years ago I have been anxiously watching the progress of things in this direction and inquiring as carefully and prayerfully as I could into the causes which are operating to produce these results If I am not misinformed and have not greatly misapprehended the case the following will be found among them
