Revolt In The Desert 1st Edition:

The Revolt in the Desert Rituparna Ray Chaudhuri, 2022-11-03 Choosing words with confidence in form of uniqueness is a kind of playing chess at Literature King queen bishop rook and pawn have their known capacities but the possibilities of combination are infinite and unpredictable Perception on same words from several essays speaking or thinking at various temperaments and circumstances to the hearer and listener proportionately makes the same human mind to act with different physiology To achieve a move is always to solve a problem and is an essentially a creative art As the waves make towards the pebbled shore The work of art in existing book has a personal and literary style progressed with visual image and determined with emotions and self analysis also written very distinctly on human works of immortal beauty and works of nature An eminent reader of the book with manner of expression must act sometimes as a thoughtful human with his general intelligence of his age the spectacle is the collective life of humanity No human being knows the whole about himself It reminds on the Browning s fine poem How it Strikes a Contemporary who walked about took note of everything looked at the new house building and poked his stick into the mortar

Schwarzkopf They include such diverse figures as Napoleon Bonaparte commanders on both sides of the Civil War William Tecumseh Sherman and Stonewall Jackson German and American World War II generals Rommel and Patton a veteran of the Arab Israeli wars Moshe Dayan and leaders from both sides of the Vietnam War Vo Nguyen Giap and Harold Moore What they have had in common is an unrivaled understanding of the art of command and a willingness to lead from the front All earned the respect and loyalty of those they led and moved them to risk death The practices of these commanders apply to any leadership situation whether military business political athletic or other Their words reveal techniques for anticipating the competition leading through example taking care of the troops staying informed turning bad luck to advantage improvising and making bold decisions Leader after leader emphasizes the importance of up front muddy boots leadership and reveals what it takes to persevere and win Identifying a pattern of proven leadership this book will benefit anyone who aspires to lead a country a squadron a company or a basketball team It is a unique distillation of two and a half centuries of military wisdom The Publishers Weekly ,1932-10 **Book Auction Records** ,1914 *Publishers' Circular* ,1936
