Revolution In Russia Reassessments Of 1917:

Revolution in Russia Edith Rogovin Frankel, Jonathan Frankel, Baruch Knei-Paz, 1992-01-30 The Russian Revolution of 1917 continues to be a subject of most intense controversy Eighteen leading specialists from different generations countries and schools of thought accordingly re examine the key issues and events of that crucial year

War and Revolution in Russia, 1914-22 Christopher Read, 2017-07-12 This essential introduction synthesises the wealth of new material available on the Russian Revolution into a clear overview which is ideal for beginners Leading expert Christopher Read treats the period 1914-22 as a whole in order to contextualise and better understand the events of 1917 and their impact

Russia in Revolution Stephen Anthony Smith, 2017 *Russia in Revolution* gives a full account of the Russian empire from the last years of the nineteenth century through revolution and civil war to the brutal collectivization and crash industrialization under Stalin in the late 1920s

Russia's International Relations in the Twentieth Century Alastair Kocho-Williams, 2013-01-04 Russia has long been a major player in the international relations arena but only by examining the whole century can Russian foreign policy be properly understood and the key questions as to the impact of war of revolution of collapse the emergence of the Cold War and Russia's post Soviet development be addressed Surveying the whole of the twentieth century in an accessible and clear manner *Russia's International Relations in the Twentieth Century* provides an overview and narrative with analysis that will serve as an introduction and resource for students of Russian foreign policy in the period and those who seek to understand the development of modern Russia in an international context The volume includes an analysis of the major themes which surrounded Russia's position in world affairs as one of the European Great Powers before the First World War the impact of Revolution and the emergence of Soviet foreign policy with its dual aims of normalization and world revolution the changes wrought to the international order by the rise of Nazi Germany and by the Second World War the origins and development of the Cold War the end of the Cold War and the Soviet collapse how Russia has rebuilt itself as an international power in the post Soviet era An essential resource for students of Russian history and International policy

A Companion to the Russian Revolution Daniel Orlovsky, 2020-08-17 A compendium of original essays and contemporary viewpoints on the 1917 Revolution The Russian revolution of 1917 reverberated throughout an empire that covered one sixth of the world It altered the geo political landscape of not only Eurasia but of the entire globe The impact of this immense event is still felt in the present day The historiography of the last two decades has challenged conceptions of the 1917 revolution as a monolithic entity the causes and meanings of revolution are many as is reflected in contemporary scholarship on the subject *A Companion to the Russian Revolution* offers more than thirty original essays written by a team of respected scholars and historians of 20th century Russian history Presenting a wide range of contemporary perspectives the *Companion* discusses topics including the dynamics of violence in war and revolution Russian political parties the transformation of the Orthodox church Bolshevism Liberalism and more Although primarily focused on 1917 itself and the

singular Revolutionary experience in that year this book also explores time periods such as the First Russian Revolution early Soviet government the Civil War period and even into the 1920 s Presents a wide range of original essays that discuss Brings together in depth coverage of political history party history cultural history and new social approaches Explores the long range causes influence on early Soviet culture and global after life of the Russian Revolution Offers broadly conceived contemporary views of the revolution largely based on the author s original research Links Russian revolutions to Russian Civil Wars as concepts A Companion to the Russian Revolution is an important addition to modern scholarship on the subject and a valuable resource for those interested in Russian Late Imperial or Soviet history as well as anyone interested in Revolution as a global phenomenon Critical Companion to the Russian Revolution, 1914-1921 Edward Acton,V. I. Cherniāev,V. I. Cherniāev,William G. Rosenberg,1997 Essays by 46 historians reflect the impact of the fall of the Soviet Union on the study of the revolution that birthed it including better access to archives and new opportunities for collaborations between Russian and other specialists They cover the revolution as event actors and the question of agency parties movements and ideologies institutions and institutional cultures social groups identities cultures and the question of consciousness economic issues and problems of everyday life and nationality and regional questions Annotation copyrighted by Book News Inc Portland OR

Power and the Sacred in Revolutionary Russia Glennys Young,2010-11 After the 1917 Revolution in Russia the Bolsheviks launched a massive assault on religion Although we know a great deal about how the Bolsheviks went about doing this propaganda persecution of clergy and laity seizing church property scholars have not devoted much attention to the other side of the story the people who were being persecuted and how they responded to their persecutors Glennys Young shows how ordinary Russian peasants devised ways of asserting their religious faith during the difficult period of New Economic Policy 1921-28 when the Party state was ideologically obsessed with eradicating religion Faced with persecution torture and the creation of antireligious organizations such as the League of the Godless Orthodox clergy and laity organized themselves against the Bolsheviks They revived factional politics even using the village soviets the intended cornerstone of Soviet power in the countryside to defend their religious interests When they achieved some degree of success in their resistance the Bolsheviks were forced to respond and adapt their strategies a conclusion that scholars have not put forward previously Based on extensive research in archives and published sources Young s book will force historians of Soviet Russia to confront religious issues as central to rural politics Her work also draws upon cultural anthropology and theories of peasant politics making it of great interest to any scholars studying the processes of secularization and desacralization in other cultures *Revolutionary Russia* Rex A. Wade,2004 Presenting major writings on the revolution and its context bringing together key texts to illustrate interpretive approaches and covering the central topics and themes this volume forms a coherent representation of both the events and the theories and debates that relate to them

The Bloomsbury Handbook of the Russian Revolution Geoffrey Swain,Charlotte Alston,Michael C. Hickey,Boris

Kolonitskii, Franziska Schedewie, 2022-12-15 Through 30 interpretative essays *The Bloomsbury Handbook of the Russian Revolution* sees an international team of leading scholars comprehensively examine Russia's revolutionary years. In the wake of the 2017 centenary, this handbook is the first reference point for anyone wishing to learn more about the changes which took place in Russia between 1917 and 1921 and subsequently the 20th century. Split into six sections covering political crises, politicians and parties, social groups, identities, regions and peoples, and civil war, the volume covers the collapse of Tsarism and the February Revolution, the emergence of the Provisional Government, and major historical figures such as Lenin, Kerensky, and the Socialist Revolutionary leader Viktor Chernov. It also explores the events surrounding the Bolshevik seizure of power in October 1917, the first year of Soviet Government until the Bolshevik dictatorship was established, and the impact on Russia of the subsequent civil war. The focus is broader than these issues of high politics, however, since this handbook also considers events in the provinces as well as revolutionary Petrograd and examines the social impact of the revolution in terms of class, gender, age, and culture. [The Russian Revolution, 1905-1921](#) Mark D. Steinberg, 2016-11-17 *The Russian Revolution 1905-1921* is a new history of Russia's revolutionary era as a story of experience of people making sense of history as it unfolded in their own lives and as they took part in making history themselves. The major events, trends, and explanations reaching from Bloody Sunday in 1905 to the final shots of the civil war in 1921 are viewed through the doubled perspective of the professional historian looking backward and the contemporary journalist reporting and interpreting history as it happened. The volume then turns toward particular places and people: city streets, peasant villages, the margins of empire, Central Asia, Ukraine, the Jewish Pale, women and men, workers and intellectuals, artists and activists, utopian visionaries and discontents of all kinds. We spend time with the famous: Vladimir Lenin, Lev Trotsky, Alexandra Kollontai, Vladimir Mayakovsky, Isaac Babel, and with those whose names we don't even know. Key themes include difference and inequality, social, economic, gendered, ethnic power, and resistance, violence, and ideas about justice and freedom. Written especially for students and general readers, this history relies extensively on contemporary texts and voices in order to bring the past and its meanings to life. This is a history about dramatic and uncertain times and especially about the interpretations, values, emotions, desires, and disappointments that made history matter to those who lived it. **Historical Dictionary of the Russian Civil Wars, 1916-1926** Jonathan D. Smele, 2015-11-19 This book is a detailed reference of the twentieth-century struggles that were waged across and beyond the decaying Russian Empire at the end of the First World War as tsarism and democratic alternatives to it collapsed and the world's first Communist state, the Union of Soviet Socialist Republics, was born. At the same time, it is a necessary corrective to studies that have viewed events of the time as a unitary Russian Civil War that sprang from the Russian Revolution of 1917. Instead, it contributes to the ongoing process of integrating the civil wars into a continuum of crises that wracked the Russian Empire and its would-be successor states across a prolonged period. *The Historical Dictionary of the Russian Civil Wars 1916-1926* covers the history of this period.

through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has almost 2 000 cross referenced entries on individuals political and governmental institutions and political parties and military formations and concepts as well as religion art film propaganda uniforms and weaponry This book is an excellent access point for students researchers and anyone wanting to know more about the Russian Civil War *Arms and the People* Mike Gonzalez,Houman Barekat,2012-12-10 This collection examines the relationship between mass movements and the military Some argue that it is impossible to achieve and protect a revolution without the support of the army but how can the support of the army be won *Arms and the People* explores the impact of social extremes on the solidarity within the state s military and on the changing loyalties of these soldiers The authors examine a series of historical moments in which a crisis in the military has reflected deep instability in the wider world including Russia in 1917 Egypt during the Arab Spring the Paris Commune as well as long standing instability in Venezuela and Indonesia amongst many others Including a range of international authors who have either studied or been directly involved in such social upheavals *Arms and the People* is a pioneering contribution to the study of revolutionary change *The Age of the Dictators* D.G. Williamson,2013-11-05 *The Age of the Dictators* presents a comprehensive survey of the origins and interrelationship of the European dictatorships All the regimes are addressed with ample coverage of the period 1939 45 and analysis of the Soviet government up to Stalin s death in 1953 Exploring their ideological and political roots and the role of the First World War in their rise to power David Williams identifies the dictatorships as products of their time He examines the Soviet Italian Fascist and Nazi dictatorships as well as the authoritarian regimes in Spain Portugal Eastern Europe and the Balkans providing an analysis of each as an entity of how they evolved and related to one another and to what extent they were a common response to life after the First World War Mindful of historiographical issues the textbook attends to the arguments of key historians and includes a list of relevant sources to assist students in their study of the period Combining an accessible succinct writing style with a broad historical scope *The Age of the Dictators* is an illuminating and thorough account of a fascinating period in world history

Lenin and Revolutionary Russia Stephen J. Lee,2008-01-28 *Lenin and Revolutionary Russia* examines the background to and the course of the Russian Revolution of 1917 and Lenin s regime It explores all the key aspects such as the development of the Bolsheviks as a revolutionary party the 1905 Revolution the collapse of the Tsarists the Russian Civil War and historical interpretations of Lenin s legacy to Russian history *Writing History in the Soviet Union* Arup Banerji,2017-08-18 The history of the Soviet Union has been charted in several studies over the decades These depictions while combining accuracy elegance readability and imaginativeness have failed to draw attention to the political and academic environment within which these histories were composed *Writing History in the Soviet Union Making the Past Work* is aimed at understanding this environment The book seeks to identify the significant hallmarks of the production of Soviet history by Soviet as well as Western historians It traces how the Russian Revolution of 1917 triggered a shift in official

policy towards historians and the publication of history textbooks for schools In 1985 the Soviet past was again summoned for polemical revision as part and parcel of an attitude of openness glasnost and in this literary figures joined their energies to those of historians The Communist regime sought to equate the history of the country with that of the Communist Party itself in 1938 and 1962 and this imposed a blanket of conformity on history writing in the Soviet Union The book also surveys the rich abundance of writing the Russian Revolution generated as well as the divergent approaches to the history of the period The conditions for research in Soviet archives are described as an aspect of official monitoring of history writing Another instance of this is the manner by which history textbooks have through the years been withdrawn from schools and others officially nursed into circulation This intervention occasioned in the present circumstance by statements by President Putin himself in the manner in which history is taught in Russian schools continues to this day In other words over the years the regime has always worked to make the past work Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh Sri Lanka

Stalin Stephen Kotkin, 2015-10-13 In his biography of Stalin Kotkin rejects the inherited wisdom about Stalin's psychological makeup showing us instead how Stalin's near paranoia was fundamentally political and closely tracks the Bolshevik revolution's structural paranoia the predicament of a Communist regime in an overwhelmingly capitalist world surrounded and penetrated by enemies At the same time Kotkin posits the impossibility of understanding Stalin's momentous decisions outside of the context of the history of imperial Russia

The Bolsheviks and the Russian Empire Liliana Riga, 2012-11-12 This book offers a new interpretation of the Russian Revolution finding that nearly two thirds of the Bolsheviks were ethnic minorities

[A HISTORY OF MODERN RUSSIA](#) Robert Service, 2013-02-04 Russia had an extraordinary twentieth century undergoing upheaval and transformation Updating his acclaimed History of Modern Russia Robert Service provides a panoramic perspective on a country whose Soviet past encompassed revolution civil war mass terror and two world wars He shows how seven decades of communist rule which penetrated every aspect of Soviet life continue to influence Russia today This new edition takes the story from 2002 through the entire presidency of Vladimir Putin to the election of his successor Dmitri Medvedev

The "Russian" Civil Wars, 1916-1926 Jonathan Smele, 2016-01-15 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR profoundly affecting the history of the twentieth century Indeed the reverberations of those decade long wars echo to the present day not despite but because of the collapse of the Soviet Union which re opened many old wounds from the Baltic to the Caucasus Contemporary memorialising and de memorialising of these wars therefore form part of the book's focus but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve or even expand the territory of the tsars overlain with examinations of the attempts of many non Russian national and religious groups to divide the former empire The reasons why some of the latter were successful Poland and Finland for example while others Ukraine Georgia

and the Muslim Basmachi were not as much the author's concern as are explanations as to why the chief victors of the Russian Civil Wars were the Bolsheviks. Tellingly the work begins and ends with battles in Central Asia a theatre of the Russian Civil Wars that was closer to Mumbai than it was to Moscow.

Russian Colonial Society in Tashkent, 1865--1923 Jeff Sahadeo, 2007-02-07 This intensively researched urban study dissects Russian Imperial and early Soviet rule in Islamic Central Asia from the diverse viewpoints of tsarist functionaries Soviet bureaucrats Russian workers and lower class women as well as Muslim notables and Central Asian traders. Jeff Sahadeo's stimulating analysis reveals how political social cultural and demographic shifts altered the nature of this colonial community from the tsarist conquest of 1865 to 1923 when Bolshevik authorities subjected the region to strict Soviet rule. In addition to placing the building of empire in Tashkent within a broader European context Sahadeo's account makes an important contribution to understanding the cultural impact of empire on Russia's periphery.

Revolution In Russia Reassessments Of 1917 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Revolution In Russia Reassessments Of 1917 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Revolution In Russia Reassessments Of 1917 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Revolution In Russia Reassessments Of 1917 free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Revolution In Russia Reassessments Of 1917. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu,

provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Revolution In Russia Reassessments Of 1917 any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Revolution In Russia Reassessments Of 1917 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Revolution In Russia Reassessments Of 1917 is one of the best book in our library for free trial. We provide copy of Revolution In Russia Reassessments Of 1917 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Revolution In Russia Reassessments Of 1917. Where to download Revolution In Russia Reassessments Of 1917 online for free? Are you looking for Revolution In Russia Reassessments Of 1917 PDF? This is definitely going to save you time and cash in something you should think about.
