

The background of the book cover is a historical painting depicting a battle scene. In the foreground, soldiers in 18th-century attire are engaged in combat. Some are on horseback, while others are on foot. A large cannon is visible on the right side, with smoke rising from its barrel. The middle ground shows more soldiers and the chaos of battle. In the background, there are buildings and a large plume of smoke or a hill under a dramatic, cloudy sky.

Revolution Remembered Eyewitness Accounts Of The War For Independence:

The Revolution Remembered John C. Dann, 1999-04 A classic oral history of the American Revolution The Revolution Remembered uses 79 first hand accounts from veterans of the war to provide the reader with the feel of what it must have been like to fight and live through America's bloody battle for independence In a book fairly bursting with feats of daring perhaps the most spectacular accomplishment of them all is this volume's transformation of its readers into the grandchildren of Revolutionary War soldiers An amazing gathering of 79 surrogate Yankee grandparents who tell us in their own words what they saw with their own eyes Elaine F Weiss Christian Science Monitor Fascinating The soldiers details fill in significant shadows of history Henry Kisor Chicago Sun Times It's still good fun two centuries later overhearing these experiences of the tumult of everyday life and seeing a front lines view of one of the most unusual armies ever to fight let alone win Richard Martin Wall Street Journal One of the most important primary source discoveries from the era A unique and fresh perspective Paul G Levine Los Angeles Times

The Revolution Remembered John D. Dann, 1998

Children and Youth in a New Nation James Marten, 2009 This book unearths the experiences of and attitudes about children and youth during the decades following the American Revolution Beginning with the Revolution itself the book explores a broad range of topics from the ways in which American children and youth participated in and learned from the revolt and its aftermaths to developing notions of ideal childhoods as they were imagined by new religious denominations and competing ethnic groups to the struggle by educators over how the society that came out of the Revolution could best be served by its educational systems Rooted in the historical literature and primary sources the book is a key resource in our understanding of origins of modern ideas about children and youth and the conflation of national purpose and ideas related to child development

The Book of War John Keegan, 2000-11-01 Acclaimed military historian John Keegan's anthology of war writing from 25 centuries of battle In *The Book of War* John Keegan marshals a formidable host of war writings to chronicle the evolution of Western warfare through the voice of the most eloquent participants from Thucydides classic account of ancient Greek phalanx warfare to a blow by blow description of ground fighting against the Iraqi troops in Kuwait during the Gulf War Keegan gathers more than eighty selections including Caesar's Commentaries on the Roman invasion of Britain the French Knight Jehan de Wavrin at the battle of Agincourt Davy Crockett in the war against the Creek Wellington's dispatch on Waterloo Hemingway after Caporetto and Ernie Pyle at Normandy The best military historian of our generation Tom Clancy A monumental piece of literary military history Chicago Tribune A brilliantly edited and comprehensive anthology The New York Times Book Review

This Fierce People Alan Pell Crawford, 2024-07-02 A groundbreaking important recovery of history the overlooked story fully explored of the critical aspect of America's Revolutionary War that was fought in the South showing that the British surrender at Yorktown was the direct result of the southern campaign and that the battles that emerged south of the Mason Dixon line between loyalists to the Crown and patriots who fought for independence were

in fact America's first civil war. The famous battles that form the backbone of the story put forth of American independence at Lexington and Concord, Brandywine, Germantown, Saratoga, and Monmouth, while crucial, did not lead to the surrender at Yorktown. It was in the three plus years between Monmouth and Yorktown that the war was won. Alan Pell Crawford's riveting new book *This Fierce People* tells the story of these missing three years, long ignored by historians, and of the fierce battles fought in the South that made up the central theater of military operations in the latter years of the Revolutionary War, upending the essential American myth that the War of Independence was fought primarily in the North. Weaving throughout the stories of the heroic men and women, largely unsung patriots, African Americans, and whites, militiamen and irregulars, patriots and Tories, Americans, Frenchmen, Brits, and Hessians, Crawford reveals the misperceptions and contradictions of our accepted understanding of how our nation came to be, as well as the national narrative that America's victory over the British lay solely with General George Washington and his troops.

Renegade Revolutionary Phillip Papas, 2014. In November 1774, a pamphlet to the People of America was published in Philadelphia and London. It forcefully articulated American rights and liberties and argued that the Americans needed to declare their independence from Britain. The author of this pamphlet was Charles Lee, a former British army officer turned revolutionary who was one of the earliest advocates for American independence. Lee fought on and off the battlefield for expanded democracy, freedom of conscience, individual liberties, human rights, and for the formal education of women. *Renegade Revolutionary: The Life of General Charles Lee* is a vivid new portrait of one of the most complex and controversial of the American revolutionaries. Lee's erratic behavior and comportment, his capture and more than one year imprisonment by the British, and his court martial after the battle of Monmouth in 1778, have dominated his place in the historiography of the American Revolution. This book retells the story of a man who had been dismissed by contemporaries and by history. Few American revolutionaries shared his radical political outlook, his cross-cultural experiences, his cosmopolitanism, and his confidence that the American Revolution could be won primarily by the militia or irregulars rather than a centralized regular army. By studying Lee's life, his political and military ideas, and his style of leadership, we gain new insights into the way the American revolutionaries fought and won their independence from Britain.

Women in the United States Military Judith Bellafaire, 2011-01-26. Women's participation in the U.S. Armed Forces has grown over time in response to the national need for their services. Throughout each era of American history, patriotic women volunteered to serve their country in a wide variety of official and unofficially sanctioned capacities. When there was a call to duty, the United States Armed Forces always relied upon women to be a part of the effort. This book provides information to enable students and scholars to understand the effect women have had on wars that have shaped the United States.

Our Threatened Freedom R. J. Rushdoony, 2014-10-20. Far from carrying out its Biblical mandate to be a terror to evildoers, civil government in America has increasingly become a terror to its law-abiding citizens. R. J. Rushdoony's essays seem even more timely today as we are witnessing a staggering display of state intrusion into every

area of life This is the outcome of humanistic thinking It is the end result of political salvation as both Left and Right continue to practice the belief that we can somehow get better or less government by way of politics However Rushdoony's comments are pastoral and theological not political He did not spin the issues for political gain but spoke as a man who feared God and desired to know how God's Word was applicable to our times Throughout these concise insightful essays you will see that true and lasting freedom is the end result of responsible faithful Christians exercising self government in terms of God's Word

A Companion to George Washington Edward G. Lengel, 2012-04-19 Utilizing new primary source material from the Papers of George Washington a documentary editing project dedicated to the transcription and publication of original documents A Companion to George Washington features a collection of original readings from scholars and popular historians that shed new light on all aspects of the life of George Washington Provides readers with new insights into previously neglected aspects of Washington's life Features original essays from top scholars and popular historians Based on new research from thousands of previously unpublished letters to and from Washington

Yankee Doodle and the Redcoats Susan Provost Beller, 2007-07-31 Using excerpts from diaries letters newspaper articles and other primary sources tells of the everyday lives of the soldiers who fought the Revolutionary War for both the British and for the colonies

The United States and the Second World War G. Kurt Piehler, Sidney Pash, 2010 In this text Piehler and Pash bring together a collection of essays offering an examination of American participation in the Second World War including a long overdue reconsideration of such seminal topics as the forces leading the US to enter World War II the role of the American military in the Allied victory and more

Men After War Stephen McVeigh, Nicola Cooper, 2013 This book is an innovative collection of original research which analyzes the many varieties of post conflict masculinity Exploring topics such as physical disability and psychological trauma and masculinity and sexuality in relation to the feminizing contexts of wounding and desertion this volume draws together leading academics in the fields of gender history literature and disability studies in an inter and multi disciplinary exploration of the conditions and circumstances that men face in the aftermath of war

Valley Forge Winter Wayne Bodle, 2010-11-01 Refuting commonly held myths about the American Revolution this comprehensive history of the colonial army's winter encampment of 1777-1778 reveals the events that occurred both inside and outside the camp boundaries discussing interactions between the soldiers and local civilians divisions within the army the political and military strategies of George Washington and their implications in terms of the future of the United States Reprint

A Short History of the American Revolutionary War Stephen Conway, 2013-04-12 The American war against British imperial rule 1775-1783 was the world's first great popular revolution Ideologically defined by the colonists formal Declaration of Independence in 1776 the struggle has taken on something of a mythic character From the Boston Tea Party to Paul Revere's ride to raise the countryside of New England against the march of the Redcoats and from the American travails of Bunker Hill 1775 to the final humiliation of the British at Yorktown 1781 the entire contest is now emblematic of American national identity Stephen

Conway shows that beyond mythology this was more than just a local conflict rather a titanic struggle between France and Britain The Thirteen Colonies were merely one frontline of an extended theatre of operations with each superpower aiming to deliver the knockout blow This bold new history recognizes the war as the Revolution but situates it on the wider global canvas of European warfare

A Respectable Army James Kirby Martin, Mark Edward Lender, 2014-08-26 When the first edition of this highly successful volume appeared in 1982 the proponents of the new military history were just gaining full momentum Their objective was to reach beyond the traditional focus of military studies the flow of guns combat and tactics that influenced the immediate outcome of battles and martial conflicts often with little reference to broader historical contexts Believing that one cannot fully appreciate the Revolution without reckoning with the War for Independence and its effects in helping to shape the new American republic Martin and Lender move beyond the deeply ingrained national mythology about the essence of the war effort so neatly personified by the imagery of the embattled freehold farmer as the quintessential warrior of the Revolution Then they integrate not persist in keeping separate the fascinating history of the real Continental army into the mainstream of writing about the nation making experience of the United States In the process of revising their now classic text Martin and Lender drew on their own work as well as the invaluable outpouring of new scholarship over the last two decades Wherever necessary they questioned previous arguments and conclusions to render a meaningful new edition that is certain to receive the same kind of positive reception and widespread acceptance that its predecessor enjoyed Also new to the second edition is a bank of illustrations a Note on Revolutionary War History and Historiography and a fully revamped Bibliographical Essay making A Respectable Army essential reading for anyone enrolled in the U S survey or specialized courses in colonial or military history or the American Revolution

Fatal Sunday Mark Edward Lender, Garry Wheeler Stone, 2016-04-18 Historians have long considered the Battle of Monmouth one of the most complicated engagements of the American Revolution Fought on Sunday June 28 1778 Monmouth was critical to the success of the Revolution It also marked a decisive turning point in the military career of George Washington Without the victory at Monmouth Courthouse Washington's critics might well have marshaled the political strength to replace him as the American commander in chief Authors Mark Edward Lender and Garry Wheeler Stone argue that in political terms the Battle of Monmouth constituted a pivotal moment in the War for Independence Viewing the political and military aspects of the campaign as inextricably entwined this book offers a fresh perspective on Washington's role in it Drawing on a wide range of historical sources many never before used including archaeological evidence Lender and Stone disentangle the true story of Monmouth and provide the most complete and accurate account of the battle including both American and British perspectives In the course of their account it becomes evident that criticism of Washington's performance in command was considerably broader and deeper than previously acknowledged In light of long standing practical and ideological questions about his vision for the Continental Army and his ability to win the war the outcome at Monmouth a hard fought tactical draw

was politically insufficient for Washington Lender and Stone show how the general's partisans determined that the battle for public opinion would be won in his favor engineered a propaganda victory for their chief that involved the spectacular court martial of Major General Charles Lee the second ranking officer of the Continental Army Replete with poignant anecdotes folkloric incidents and stories of heroism and combat brutality filled with behind the scenes action and intrigue and teeming with characters from all walks of life Fatal Sunday gives us the definitive view of the fateful Battle of Monmouth

American Military History: The United States Army and the forging of a nation, 1775-1917 Richard Winship Stewart, 2009 From the Publisher This latest edition of an official U S Government military history classic provides an authoritative historical survey of the organization and accomplishments of the United States Army This scholarly yet readable book is designed to inculcate an awareness of our nation's military past and to demonstrate that the study of military history is an essential ingredient in leadership development It is also an essential addition to any personal military history library

Washington's Revolutionary War Generals Stephen R. Taaffe, 2019-10-03 When the Revolutionary War began Congress established a national army and appointed George Washington its commander in chief Congress then took it upon itself to choose numerous subordinate generals to lead the army's various departments divisions and brigades How this worked out in the end is well known Less familiar however is how well Congress's choices worked out along the way Although historians have examined many of Washington's subordinates *Washington's Revolutionary War Generals* is the first book to look at these men in a collective integrated manner A thoroughgoing study of the Revolutionary War careers of the Continental Army's generals their experience performance and relationships with Washington and the Continental Congress this book provides an overview of the politics of command both within and outside the army and a unique perspective on how it affected Washington's prosecution of the war It is impossible to understand the outcome of the War for Independence without first examining America's military leadership author Stephen R Taaffe contends His description of Washington's generals who they were how they received their commissions and how they performed goes a long way toward explaining how these American officers who were short on experience and military genius prevailed over their professional British counterparts Following these men through the war's most important battles and campaigns as well as its biggest controversies such as the Conway Cabal and the Newburgh Conspiracy Taaffe weaves a narrative in the grand tradition of military history Against this backdrop his depiction of the complexities and particulars of character and politics of military command provides a new understanding of George Washington the War for Independence and the U S military's earliest beginnings A unique combination of biography and institutional history shot through with political analysis this book is a thoughtful deeply researched and an eminently readable contribution to the literature of the Revolution

The Loyalist Problem in Revolutionary New England Thomas N. Ingersoll, 2016-10-24 A new history of Loyalism using revolutionary New England as a case study

U.S. Leadership in Wartime Spencer C. Tucker, 2009-09-10 A historical study of the relationship between

civilian and military leaders in the United States during wartime from the American Revolution to the Iraq War Now from one of the world's leading publishers of military history comes a breakthrough reference on one of the most important and complex aspects of U.S. national defense U.S. Leadership in Wartime Clashes Controversy and Compromise offers a comprehensive analysis of the characteristics that constitute effective leadership in war and discusses the often contentious relationships between U.S. civilian and military leadership throughout American history U.S. Leadership in Wartime focuses on ten conflicts including the Revolutionary War the Civil War World Wars I and II the Vietnam War the Iraq War and the war in Afghanistan Coverage for each conflict focuses on the dynamics of civilian military relations and their impact on the course outcome and perception of each war under discussion Coverage in each chapter includes an overview essay sidebars and detailed treatments of key engagements and battles as well as detailed biographical essays of important figures not just politicians and generals but also labor leaders business leaders journalists and women

Revolution Remembered Eyewitness Accounts Of The War For Independence Introduction

In the digital age, access to information has become easier than ever before. The ability to download Revolution Remembered Eyewitness Accounts Of The War For Independence has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Revolution Remembered Eyewitness Accounts Of The War For Independence has opened up a world of possibilities. Downloading Revolution Remembered Eyewitness Accounts Of The War For Independence provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Revolution Remembered Eyewitness Accounts Of The War For Independence has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Revolution Remembered Eyewitness Accounts Of The War For Independence. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Revolution Remembered Eyewitness Accounts Of The War For Independence. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Revolution Remembered Eyewitness Accounts Of The War For

Independence, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Revolution Remembered Eyewitness Accounts Of The War For Independence has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Revolution Remembered Eyewitness Accounts Of The War For Independence Books
