

Revolution France 1794

J. MacDonald

Revolution France 1794:

Revolution Sarel Eimerl,1967 **The Press in the French Revolution** John Thomas Gilchrist,1971 Last Letters Olivier Blanc,1987 **The French Revolution** Neal Ascherson,1975 A brief sketch of the first French revolution, 1789-1794 J. MacDonald,1886 **The Thermidorean Regime and the Directory, 1794-1799** Denis Woronoff,1984 This translation by Julian Jackson offers a succinct and comprehensive introduction to five quixotic years of struggle and uncertainty which led into the age of Napoleon **American press reports of the French Revolution, 1789-1794** Beatrice Fry Hyslop,1958 **Library of Congress Subject Headings** Library of Congress,2013 French Revolutionaries and English Republicans Rachel Hammersley,2005 Following the cataclysmic events of 1789 some of those involved in the Revolution began to take seriously the possibility of a French republic Various ideas developed about the form this should take and the models on which it could be based from those of ancient Greece and Rome to modern republics such as Geneva or the United States of America However a small number of thinkers centred around the radical Paris based Cordeliers Club looked to the writings of seventeenth and eighteenth century English republicans for guidance about realising ancient republican ideals in the modern world This book offers an intellectual history of the Club through a close analysis of texts and the relationships between their authors Its main focus is on individual club members and their translations of and borrowings from the works of such thinkers as Marchamont Nedham James Harrington Algernon Sidney and Thomas Gordon the author shows how the Cordeliers adapted and developed those ideas so as to make them serve contemporary circumstances and concerns and demonstrates that even after the establishment of a French republic in 1792 members of the Cordeliers Club continued to make use of English republican ideas in order to respond to key constitutional and political questions Rachel Hammersley is Senior Lecturer in History at Newcastle University **The Oxford Handbook of the French Revolution** David Andress,2015-01-22 The Oxford Handbook of the French Revolution brings together a sweeping range of expert and innovative contributions to offer engaging and thought provoking insights into the history and historiography of this epochal event Each chapter presents the foremost summations of academic thinking on key topics along with stimulating and provocative interpretations and suggestions for future research directions Placing core dimensions of the history of the French Revolution in their transnational and global contexts the contributors demonstrate that revolutionary times demand close analysis of sometimes tiny groups of key political actors whether the king and his ministers or the besieged leaders of the Jacobin republic and attention to the deeply local politics of both rural and urban populations Identities of class gender and ethnicity are interrogated but so too are conceptions and practices linked to citizenship community order security and freedom each in their way just as central to revolutionary experiences and equally amenable to critical analysis and reflection This Handbook covers the structural and political contexts that build up to give new views on the classic question of the origins of revolution the different dimensions of personal and social experience that illuminate the political moment of 1789

itself the goals and dilemmas of the period of constitutional monarchy the processes of destabilisation and ongoing conflict that ended that experiment the key issues surrounding the emergence and experience of terror and the short and long term legacies for both good and ill of the revolutionary trauma for France and for global politics [Library of Congress Subject Headings](#) Library of Congress. Cataloging Policy and Support Office,2009 [Revolutionary France's War of Conquest in the Rhineland](#) Jordan R. Hayworth,2019-02-06 Shows how revolutionary France s war for liberty in the Rhineland was transformed into a war for conquest [Library of Congress Subject Headings](#) Library of Congress. Office for Subject Cataloging Policy,1991 [The French Revolution 1787-1804](#) P. M. Jones,2016-08-19 P M Jones The French Revolution now in its third edition is an authoritative survey of events in France from 1787 as the power of the ancien r gime began to crumble until 1804 and the demise of the Republic It provides a balanced and accessible account of the dramatic events of the intervening years including the fall of the Bastille the months of the Terror and the journey towards the creation of the First French Empire are analysed along with an assessment of the wider significance of the revolutionary decade This new edition has been fully revised and updated to include new material on citizenship gender equality and legal reforms and the imperial dimension of the Revolution The historiographical debate is brought right up to date taking into account the most recent scholarship on the Revolution The narrative is supported by a selection of original documents which shed light on events of the period from the perspective of those who lived through it With supplementary materials including a chronology who s who glossary and guide to further reading this book remains an invaluable resource for students of the French Revolution [The Sans-Culottes](#) Albert Soboul,2024-05-14 A riveting portrait of the radical and militant partisans who changed the course of the French Revolution A phenomenon of the preindustrial age the sans culottes master craftsmen shopkeepers small merchants domestic servants were as hostile to the ideas of capitalist bourgeoisie as they were to those of the ancien r gime that was overthrown in the first years of the French Revolution For half a decade their movement exerted a powerful control over the central wards of Paris and other large commercial centers changing the course of the revolution Here is a detailed portrait of who these people were and a sympathetic account of their moment in history **Provincial Politics in the French Revolution** Paul R. Hanson,1989-01-01 [A Social History of France 1780-1914](#) Peter McPhee,2017-03-03 This volume provides a lively and authoritative synthesis of recent work on the social history of France and is now thoroughly updated to cover the long nineteenth century from 1789 1914 Peter McPhee offers both a readable narrative and a distinctive coherent argument about this remarkable century and explores key themes such as Peasant interaction with the environment The changing experience of work and leisure The nature of crime and protest Changing demographic patterns and family structures The religious practices of workers and peasants The ideology and internal repercussions of colonisation At the core of this social history is the exercise and experience of social relations of power not only because in these years there were four periods of protracted upheaval but also because the history of the workplace of

relations between women and men adults and children is all about human interaction Stimulating and enjoyable to read this indispensable introduction to nineteenth century France will help readers to make sense of the often bewildering story of these years while giving them a better understanding of what it meant to be an inhabitant of France during that turbulent time

The French Revolution, a Short History R. M. Johnston, 2014-09-17 Citizens did you want a revolution without a revolution Maximilien Robespierre As one of the seminal social revolutions in human history the French Revolution holds a unique legacy especially in the West The early years of the Revolution were fueled by Enlightenment ideals seeking the social overthrow of the caste system that gave the royalty and aristocracy decisive advantages over the lower classes But history remembers the French Revolution in a starkly different way as the same leaders who sought a more democratic system while out of power devolved into establishing an incredibly repressive tyranny of their own once they acquired it The height of Republican France s tyranny came during a 10 month period forever known as the Reign of Terror the most notorious and arguably most memorable part of the French Revolution One of the first victims of the Reign of Terror was its most famous former French Queen Marie Antoinette But Antoinette was followed by thousands more including everyone from aristocrats to clergy to prostitutes and even instrumental revolutionaries like Danton Desmoulins and most notably Robespierre It was Robespierre whose position on the Committee of Public Safety made him the Reign of Terror s instrumental figure until he himself became a victim of it in July 1794 Robespierre s date with the guillotine is often considered the official end of the Reign of Terror but by then it is estimated that at least 16 000 people were guillotined in that time and possibly 25 000 more were summarily executed across the country Although Robespierre is almost singlehandedly associated with the Reign of Terror and is typically blamed for it many factors influenced the actions and beliefs of Paris and the remainder of France during late 1793 and 1794 Robespierre and the Committee of Public Safety believed passionately in the Revolution and fought to eliminate any threat to the young French Republic Robespierre envisioned a Republic of Virtue with no room for anyone who did not abide by his rules and morality Counterrevolutionaries certainly did threaten the Revolution however most of those killed during the Reign of Terror were not counterrevolutionaries and posed no serious threat to the Revolution or Republic

Scotland and the French Revolutionary War, 1792-1802 Atle Wold, 2015-07-07 For the British government s supporters in Scotland in the 1790s one thing was paramount they were fighting French principles in any shape or form they might take Whether this meant defeating the influence of French revolutionary ideas in Scotland or defeating the military menace of the French republic they were determined to stand firm in their support of the British state This book charts the Scottish contribution to both the war effort of the 1790s and the British governments struggles to defeat political radicalism at home lasting from the first outbreak of political disturbances in Scotland in 1792 until the French revolutionary war came to an end in 1802 In this the Scots made their very distinct mark in terms of recruitment for armed service demonstrations of loyalty and prosecutions against political radicals in the law courts but perhaps less so in terms of their financial

contributions The government of Scotland was further integrated into the British state in a structural sense over the course of the decade yet retained many distinctly Scottish features none the less and on the whole the 1790s comes across as a time when the Scots found little difficulty in seeing themselves as both British and Scottish Library of Congress Subject Headings: P-Z Library of Congress. Subject Cataloging Division, 1988

This is likewise one of the factors by obtaining the soft documents of this **Revolution France 1794** by online. You might not require more period to spend to go to the ebook initiation as well as search for them. In some cases, you likewise pull off not discover the declaration Revolution France 1794 that you are looking for. It will extremely squander the time.

However below, later than you visit this web page, it will be as a result utterly simple to get as capably as download guide Revolution France 1794

It will not acknowledge many times as we explain before. You can realize it even if performance something else at home and even in your workplace. as a result easy! So, are you question? Just exercise just what we find the money for below as well as evaluation **Revolution France 1794** what you considering to read!
