Trolls Alicia Z. Klepeis, 2016-07-15 For centuries the myths of trolls have fascinated and frightened people young and old Originating in the time of the Vikings trolls have been constant figures of mythology since the very first troll story Their lore has evolved and developed over time but their representations especially across Scandinavian culture have lasted to the present day This book explains the history of troll lore throughout the ages examines other troll folktales from around the world and even explores how the troll persists in today's society **Trolls** John Lindow, 2014-04-15 Trolls lurk under bridges waiting to eat children threaten hobbits in Middle Earth and invade the dungeons of Hogwarts Often they are depicted as stupid slow and ugly creatures but they also appear as comforting characters in some children's stories or as plastic dolls with bright fuzzy hair Today the name of this fantastic being from Scandinavia has found a wider reach it is the word for the

homeless in California and slang for the antagonizing and sometimes cruel people on the Internet But how did trolls go from folktales to the World Wide Web To explain why trolls still hold our interest John Lindow goes back to their first appearances in Scandinavian folklore where they were beings in nature living beside a preindustrial society of small scale farming and fishing He explores reports of actual encounters with trolls meetings others found plausible in spite of their better judgment and follows trolls natural transition from folktales to other domains in popular culture Trolls Lindow argues would not continue to appeal to our imaginations today if they had not made the jump to illustrations in Nordic books and Scandinavian literature and drama From the Moomins to Brothers Grimm and Three Billy Goats Gruff to cartoons fantasy novels and social media Lindow considers the panoply of trolls that surround us and their sometimes troubling connotations in the contemporary world Taking readers into Norwegian music and film and even Yahoo Finance chat rooms Trolls is a fun and fascinating book about these strange creatures

Wilson Knight, 2019-08-17 G Wilson Knight approaches Ibsen in substantially the same way he approaches Shakespeare By weaving a fabric of countless quotations from the plays he attempts primarily to reconstruct Ibsen's vision rather than to judge it What emerges most clearly from his examination are Ibsen's dominant themes Knight sees Ibsen's emphasis on vocation on the instinctive will forcing persons to self realization He sees what for Ibsen the struggle for self realization is a struggle against convention hypocrisy sexual passion marriages of expedience a corrupt press and vested interests and hardest of all the past either of society or of oneself which may involve guilt and hamper freedom Each of Ibsen's plays deals centrally with the protagonist's search for or avoidance of his own destiny which is to find and realize himself What Knight sees beyond this quest itself and the specific obstacles to its fulfillment is the grandeur with which Ibsen envisioned that fulfillment The man who achieved self realization was of the race of new supermen a genius whose full destiny in Knight's words will be to surpass art strive for a wholeness including love touch the occult and challenge death To Ibsen self realization was the only way of resolving the great discords of human nature and human society It was the means for attaining his dream of a new nobility Irving Deer *Modern Drama* *Collected Swedish Folk Tales* ed. Lars Ulwencrutz, 2015-03-29 The following volume of Swedish folk tales represents a careful choice after the best original sources of those examples of their kind which not only appeared most colorful and entertaining but also most racially Swedish in their flavor For the fairy tales of each of the three Scandinavian countries Sweden Denmark and Norway have a distinct local color of their own The wealth of material available has made it possible to give due representation to most types of fairy tales from the stories of older origin the tales of giant troll and werewolf to such delightful tales as Lasse My Thrall The Princess and the Glass Mountain and Prince Hat under the Ground colored with the rich and ornate stylistic garb of medieval chivalric poesy There has been no attempt to rewrite these

charming folk and fairy tales in the translation **The Coral Kingdom** Douglas Niles, 2011-11-29 Far beyond the shores of the Moonshae Isles Princess Alicia and Queen Robyn battle the vicious undersea race that holds King Tristan prisoner Talos the god of storms continues his attack on the Moonshae Isles and now King Tristan Kendrick has become the newest pawn in his vengeful game Captured and held in the faraway Coral Kingdom the king's fate now lies in the hands of his daughter high princess Alicia and his druid wife So begins a dangerous fight against the Claws of the Deep Alicia and Queen Robyn's journey takes them first to the elven kingdom of Synnoria where they call upon the services of an old and faithful friend Brigit Cu Lyrran captain of the kingdom's mighty all female cavalry company With their forces bolstered by the Sisters of Synnoria Alicia and her mother march onwards traveling next to the island nation of Evermeet There they seek the aid of the native elves whose magical gifts may just tip the odds of the looming undersea battle in their favor With nautical magic trained warriors and the Evermeet elves behind them can the Kendrick women save their beloved patriarch from Talos and his evil minions
