Cat Mystery Harold Leland Goodwin,2025-08-28 The date was December twenty third The time along the Greenwich meridian from which all world times are measured was 8 15 P M At widely scattered points around the globe four voices were raised simultaneously Even an experienced observer could not have found a connection between the four voices and what they were saying yet each voice started actions that would soon be interwoven into a single pattern a pattern of danger adventure and mystery that would culminate in sudden violence within sight of one of the seven wonders of the world In Chicago it was 2 15 in the afternoon At the edge of the city a man spoke into the telephone in the office of a small plastics factory The cat is ready he said In Paris a phone rang The man who answered noted in the log that his overseas call had gone through at exactly 9 15 p m He picked up the phone and spoke crisply Monsieur l Inspecteur Bien This is Interpol We have a relay for you from the United States Monsieur this will please you and it most certainly will amaze you Message begins In

Cairo the time was 10 15 P M A famous Egyptian astronomer walked into his office and called to his associate Hakim Good news He can come Now we can find out what that accursed hydrogen line impulse means On Spindrift Island off the coast of New Jersey it was 3 15 in the afternoon The island was quiet under a blanket of snow The long gray laboratory buildings where so many dramatic scientific developments had taken place were deserted Only in the homes of the scientists was there activity and all of it was in preparation for Christmas In the big main house on the seaward side of the island Dr Hartson Brant director of the world famous Spindrift Scientific Foundation walked to the foot of the stairs and called to his son Rick can you come to the library in five minutes Bring Scotty with you Rick Brant a tall boy with light brown hair and eyes paused in his gift wrapping long enough to call an affirmative to his father then he made sure Don Scott whose room was next door had heard the summons Scotty had He came through the connecting door What s up Don t know Maybe Dad has some Christmas chores for us to do Scotty a big husky boy with black hair and brown eyes was an ex Marine who had originally joined the Spindrift group as a guard during the adventure of The Rocket s Shadow Since then he and Rick had become the closest of friends and the Brants had accepted him as a full fledged member of the family I m willing whatever it is Scotty told Rick I m so full of Yuletide spirit I may bust a seam from sheer joy Rick grinned He felt exactly the same way He continued wrapping the present for his sister Barbara a pretty girl a year his junior Barby had a definite talent for sketching and painting and Rick had bought her a complete artist s kit hoping it would encourage her natural skill She ll be tickled pink Scotty remarked Come on Let s go down Go ahead I ll be right with you Rick finished taping on a spray of evergreen then he carefully put the present out of sight under his workbench Barby s lively curiosity was subdued at Christmas time but it was better not to take chances He surveyed the bench to see if he had left anything out Usually it was cluttered with apparatus tools and parts because Rick was an inveterate experimenter but it was clear now in preparation for the holiday He walked down the corridor to the stairs smiling to himself Christmas at Spindrift was fun The entire scientific staff and their families joined in first in cutting their own trees from the stand of spruce at the back side of the island then in decorating the big tree in the Brant library On Christmas Eve there was a Yule log to be brought in and presents to be exchanged although the Brants waited until morning to open their gifts to each other Hartson Brant and Scotty were waiting in the library standing before the great fireplace in which logs crackled merrily Seated in the leather chair next to the Christmas tree was Parnell Winston one of the leading staff scientists Winston was a big man with jet black curly hair and great bushy eyebrows that hid merry blue eyes He was an expert in cybernetics the science of electronic computer design and his contributions to the theory of computer operations and to advanced electronic control systems were known to scientists around the world Winston had originally joined the staff to supervise the design and construction of a thinking machine the Tractosaur Hartson Brant an older version of his son greeted the boy Come in Rick Parnell the floor is yours Winston motioned the boys to chairs Sit down I called this meeting to make a proposal But first how are your bank balances Fat or thin Rick considered Most of

his income including his small salary as a laboratory assistant went into his education fund However the salary he had earned for working at the Nevada rocket base during *The Scarlet Lake Mystery* had been put into his ready fund I m in good shape he said and Scotty echoed him Fine Now the Egyptian Astronomical Society has just finished constructing a new radio telescope It s a first rate instrument from which we expect great things Your father and I were in at its birth so to speak We consulted on the initial designs during a meeting of the International Astronomical Union Rick knew that was one of the many world wide private scientific organizations operating under the International Council of Scientific Unions He also knew of the growing importance of radio astronomy but he hadn t known the Egyptians were in on it Apparently some unusual trouble developed during the tuning of the instrument Winston went on Earlier this afternoon I had a phone call from Cairo and a request to help our Egyptian colleagues iron out the bugs I accepted *The Publishers Weekly* ,1947-04 *The Golden Skull* Harold L. Sea Gold A Rick Brant Electronic Adventu Introduction

In today's digital age, the availability of Sea Gold A Rick Brant Electronic Adventu books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sea Gold A Rick Brant Electronic Adventu books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sea Gold A Rick Brant Electronic Adventu books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sea Gold A Rick Brant Electronic Adventu versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sea Gold A Rick Brant Electronic Adventu books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sea Gold A Rick Brant Electronic Adventu books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sea Gold A Rick Brant Electronic Adventu books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both

public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sea Gold A Rick Brant Electronic Adventu books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sea Gold A Rick Brant Electronic Adventu books and manuals for download and embark on your journey of knowledge?
