theatre but that the playwright was also one of the most controversial and divisive literary figures whose work caused riots and who alienated many of his supporters Since the start of the Troubles in the North of Ireland his work has been associated with Irish historical revisionism and has become the subject of debate about Irish nationalism and revolutionary history Moran s admirably clear study considers the writer s plays autobiographical writings and essays paying special attention to the Dublin trilogy *The Shadow of a Gunman* *Juno and the Paycock* and *The Plough and the Stars* It considers the work produced in exile during the war and the late plays *The Companion* also features a number of interviews and essays by other leading scholars and practitioners including Garry Hynes Victor Merriman and Paul Murphy which provide further critical perspectives on the work *Seven Plays By Sean O'casey* Sean O'Casey, Ronald Ayling, 1985-10-14 This edition of Sean O'Casey s major plays is designed specifically for students and teachers The plays are supported by a full introduction covering O'Casey s career and critical responses to the plays full notes and a bibliography **The Sean Coleman Thriller Series** John A. Daly, 2024-06-26 Book 1 *From a Dead Sleep* There are times when the truth invites evil and there are times when the truth can get you killed Book 2 *Blood Trade* Sometimes blood is thicker than life Book 3 *Broken Slate* Be careful the legacy you wish for John Daly has a magical writing style and his books keep you up late at night turning pages You won t want to put it down Dana Perino former White House Press Secretary co host of *The Five* I ve become persuaded that nobody today tells a story quite like John A Daly From the very moment you pick one of his books up it takes all the willpower you can muster just to put it down Bob Burg bestselling co author of the *Go Giver* series For a self described rent a cop security guard Sean Coleman is a particularly human and relatable hero plenty of flaws and rough around the edges but heroic for the way he carries on despite all the baggage of his mistakes and hard lessons learned I think what impresses me the most about John Daly as a writer is his range Jim Geraghty National Review author of the *Dangerous Clique* thriller series Sean O'Casey Bernard Benstock, 1971 Despite brevity the analysis of O'Casey s personal and professional career is penetrating and affords a contemporary study of his plays as well as a careful reading of his autobiographical writings The plots characters and action of his major plays are examined as are the playwright s distinctive use of settings and stage directions Sean O'Casey R. Ayling, M.J. Durkan, 1978-06-17 **40** Travis Thrasher, 2011-05-04 Nine months shy of his 40th birthday freelance music producer Tyler Harrison has started to experience horrific hallucinations At first he thinks it s just the stress of his job but the hallucinations continue until they culminate at the three day concert in Chicago Lollapalooza which he is covering for work There he is approached by an older man who tells him that he s going to die on his fortieth birthday The man claims to be an angel named Matthew and even though he gives Tyler enough evidence to convince him he s telling the truth he doesn t know what to do with the information Tyler s underlying doubt and confusion about Matthew s prediction turn to anger both at God and those around him As he begins to exhibit destructive behavior he befriends Ellis an internationally known DJ Tyler is scared that he really is about to die He s scared for his sanity He s scared that if he does die he s not going to Heaven

He also soon becomes scared of Ellis who is wild and opens up a door of temptation to Tyler As Tyler begins falling in a downward spiral of fear and confusion he reaches out to a pastor he met Will and tries to right his wrongs with some of the important people in his life in a desperate attempt to find peace before his 40th birthday *The Cinema of Sean Penn* Deane Williams,2015-11-17 Although best known as an Academy Award winning actor Sean Penn's directorial works *The Indian Runner* 1991 *The Crossing Guard* 1995 *The Pledge* 2001 and *Into the Wild* 2007 consist of some of the most interesting and singular films made in the United States over the past twenty years Each of Penn's directorial films and much of the cinema he has acted in are set in an immediate past in which a stalled time and a restricted locale apply narrative constraints At the same time these films all feature a sophisticated web of intertextual relations involving actors songs books films and directors and the political lineage to which Penn belongs which reveal the deep cultural structures that concern each particular film
