Quizzes Revs. Frs. Rumble and Carty, 2015-04-23 *The Story Ripples of the Bible* Elisabeta Karp, 2025-06-25 The Bible is more into showing than telling When it wants to teach important and prophetic truths it takes its time telling true stories And storytelling in Scripture works like a ripple effect It sets off a current of events and experiences that repeat expand connect develop and slowly move toward something or someone Bible stories build Bible prophecy The beloved stories readers grew up with like David and Goliath also contain frequent flashbacks to past stories so as to foreshadow the future As the grand narrative progresses from the Old to the New Testament these recycled stories and their developing patterns eventually shape into a silhouette ready for the Messiah to step into as the perfect match So like Jesus disciples on the road to Emmaus readers must take another listen to the biblical authors narrating their stories because through them they are making the greatest prophetic connections that will cause hearts to burn for truth As people discover how the Bible's stories ripple

toward Messiah their own stories will too
