The Legends Club John Feinstein, 2017-02-21 NEW YORK TIMES BESTSELLER The riveting inside story of college basketball's fiercest rivalry among three coaching legends University of North Carolina's Dean Smith Duke's Mike Krzyzewski and North Carolina State's Jim Valvano by the king of college basketball writers One of Feinstein's best Chicago Tribune On March 18 1980 the Duke basketball program announced the hiring of Mike Krzyzewski the man who would restore glory to the team The only problem no one knew who Krzyzewski was Nine days later Jim Valvano was hired by North Carolina State to be their new head coach The hiring didn't raise as many eyebrows but the two new coaches had a similar goal to unseat North Carolina's Dean Smith as the king of college basketball And just like that the most sensational competitive decade in history was about to unfold In the skillful hands of John Feinstein *The Legends Club* captures an era in American sport and culture documenting the inside view of a decade of absolutely incredible competition Feinstein pulls back the curtain on the recruiting wars the intensely personal competition that wasn't always friendly the enormous pressure and national stakes and the battle for the very soul of college basketball

Cheering for Self James S. Vass Jr., James Vass Jr., 2003-05-13 This book is a study of UW men's basketball fans during the 2001-2002 season and explores their proclivity to cheering for self during basketball events The term basketball event is used rather than basketball game to make clear that everything connected to and seen heard or experienced before during and after a basketball game is included The actual game itself is only part of the basketball event An undercurrent runs throughout this participant observation mini ethnography dealing with access and the relative quality of that access to

basketball events being affected by one's age class race and gender. The prominent role of advertising in shaping basketball events and helping to construct fans as consumers of products both commercial and institutional during the process of cheering for self is central to this idea. Cheering for self is the activity engaged in by individual fans after they find things to identify or connect with through personal investment. Fans cheer for self indirectly. Fans cheer for the team that they identify with. Through the process of cheering for self while attending the basketball event, people are taught how to become fans, to consume a UW product, the basketball event, and to consume advertisers' products. People have a tendency to spend their entire life trying to impress others.

Historical Dictionary of Basketball John Grasso, 2010-11-15. In less than 120 years, an activity invented by one man to alleviate winter boredom for a college gym class has evolved into a worldwide multi-billion dollar enterprise. It is impossible for Dr. James Naismith, basketball's inventor, to have envisioned the extent to which his simple game would reach. Without major changes to his original 13 rules, basketball is now played in more than 200 countries by people of all ages. Thanks to basketball players like Michael Jordan, Earvin Magic Johnson, Larry Bird, LeBron James, Kobe Bryant, and Shaquille O'Neal, have become some of the most famous people in the world. The Historical Dictionary of Basketball is a comprehensive account of all forms of basketball: amateur, professional, men's, women's, Olympic, domestic, and international, from its invention in 1891 through the present day. This is done through a chronology, an introductory essay, an extensive bibliography, and over 600 cross-referenced dictionary entries on the people, places, teams, and terminology of the game.

In this insightful and highly readable guide he captures all the excitement exploring college basketball in exhaustive detail from its early years to the present. 200 photos **Inside Sports College Basketball** Mike Douchant, 1996 Viewed by more fans than either the World Series or the Super Bowl college basketball's championship series is the single biggest sporting event in America today. This is the most comprehensive source on the sport covering not just the 17 day NCAA championship but every aspect of college basketball in the U.S. as well. 200 photos **The Publishers Weekly**, 1996 **Forever's Team** John Feinstein, 2011-10-05 From the #1 New York Times bestselling author of *A Season on the Brink* comes a sweeping vivid chronicle of Duke University's 1978 men's basketball team: their meteoric rise to the NCAA, the aftermath of this near victory and the impact on their present day lives. As definitive as any book has been about a college athletic team. *Houston Chronicle* In 1977-78 the Duke University basketball team went from last place of the ACC to within seconds of winning the NCAA championship game. They were a team with only one senior led by two freshman forwards, a sophomore center and a junior guard. They were one of the great Cinderella teams of all time. An entire nation not only took them to heart but expected a basketball dynasty. It didn't quite work out that way. *Forever's Team* takes us inside a team of boys seemingly destined for success and follows them until twelve years later they are grown men coping with dashed dreams with truth with life. John Feinstein presents a dramatic profile of the team's coming of age capturing not only the drama, the excitement and the triumphs of college basketball but also the uncertainty and adversity of life after athletic stardom. *One Fantastic Ride* Adam Lucas, Steve Kirschner, Matt Bowers, 2009-11-02 *One Fantastic Ride* is a behind the scenes portrait of the unforgettable journey to the University of North Carolina's 2009 basketball national championship, the program's fifth NCAA Tournament title. Adam Lucas, Steve Kirschner and Matt Bowers were with the Tar Heels every step of the way interviewing coaches, players and staff. As the 2008-09 season opened national pundits widely considered the Tar Heels the hands down favorite to win the title. But injuries to key players, surprising midseason losses and formidable ACC competition made the ride bumpier than expected. In the crucial last month of the season however a veteran team drew on their experience and subtle adjustments by coaches and players to achieve the goal they'd set for themselves after their disappointing defeat in the 2008 Final Four. More than just a season in the life of a perennially excellent program, this book captures the crowning achievement of a senior class that exemplified the proud tradition of Carolina Basketball both on and off the court. They became the most decorated class in UNC Basketball history while enjoying every aspect of their Tar Heel experience. With *Thoughts for the Day* taken directly from Carolina Basketball practice plans and more than 200 color photographs, this book is a unique keepsake for fans everywhere. Full of insights from players and coaches, *One Fantastic Ride* takes an intimate look at how the Tar Heels pulled it all together to come out on top. **Play Ball** John Feinstein, 2011-09-14 Unlike any book
