Season of Renewal Judith Finlayson,1993-11 **Revolution from Within** Gloria Steinem,2012-05-15 Newly updated
The bestseller that could bring the human race a little closer to rescuing itself from the subject of the film *The Two Glorias*
Naomi Wolf Without self esteem the only change is an exchange of masters with it there is no need for masters When trying
to find books to give to the countless brave and smart women I met who didn't think of themselves as either brave or smart
Steinem realized that books either supposed that external political change would cure everything or that internal change
would None linked internal and external change together in a seamless circle of cause and effect effect and cause She
undertook to write such a book and ended up transforming her life as well as the lives of others The result of her reflections
is this truly transformative book part personal collection of stories from her own life and the lives of many others part
revolutionary guide to finding community and inspiration Steinem finds role models in a very young and uncertain Gandhi as
well as unlikely heroes from the streets to history *Revolution from Within* addresses the core issues of self authority and
unjust external authority and argues that the first is necessary to transform the second This ebook features an illustrated
biography of Gloria Steinem including rare images from the author's personal collection as well as a new preface and list of
book recommendations from Steinem **Forthcoming Books** Rose Arny,2002-02 **The Writer's Journal** Sheila
Bender,1997 Writers rarely share their unedited journals with others On these most private of pages or on odd scraps of
paper they jot down bits and pieces of their lives and thoughts This unique anthology presents excerpts from the journals of
forty of today's most noted writers and editor Sheila Bender asked the authors to comment on the role of journal keeping in
creating their art As a guide to creating a journal of your own or simply as a riveting collection of never before published
