Maxwell-Rambie, 2021-04-19 Grief has been one of my best teachers No one signs up for this process that will touch all of us at some time in our life After the death of my late husband of thirty years I knew I was not exempt from the process and yet if I had to go through it I did not want to waste the pain I quickly discovered that many people did not know much about the grief process or talk about it I share in a transparent and down to earth way that is easy for those who find themselves in the ashes of life or grief As you read this book my heart is for you to walk away with tools in your tool belt of life This book is for those that have had any kind of loss in their life or have friends coworkers or family that have had losses You ll learn what grief is how it affects us challenges of grief benefits of grief how to partner with the process help those grieving and secrets of building a new life Hopefully you will see the good in grief and reading this will unravel any lies you have believed about the process My prayer is that another layer of healing and understanding will come to your heart and you will learn how to Thrive in Seasons of Grief *Seasons* Ernestine Rose, 2018-12-23 Like life grief has its own set of seasons We all will eventually face them head on in our own time and at our own pace No matter what our loss we must learn how to endure and survive our seasons in order to live fully again In a memoir that follows the metaphor of the seasons Ernestine Rose provides an enlightening glimpse into her walk through grief after her beloved husband of forty one years passed away in 2016 Beginning with the season of summer Ernestine first recounts the year preceding Art's death as he bravely battled sarcoidosis and eventually succumbed to the disease As she leads others through the often cold and lonely seasons of autumn and winter Ernestine details how she grieved her monumental loss and slowly learned how to live without Art Finally as she reveals her entrance into spring Ernestine discloses how she found renewal hope and faith in a new beginning while gently
