Beautiful America's Seattle Cheryl Landes, Ann Rule, 1999 Seattle author Cheryl Landes puts her talents and long time love affair with her city Seattle into a delightful entertaining and informative text about this gem of the northwest city Seattle Skillfully guiding you through famous streets neighborhoods and the delightful nooks and crannies Cheryl brings the city alive in this new publication that follows a long succession of wonderful books about Seattle The best yet this text is supported with stunningly beautiful photography from many of the northwest s best photographers including Mark Windom and Rick Morley This is a publication you don t want to miss **Translating Dissent** Mona Baker, 2015-10-30 Written by the winners of the Inttranews Linguists of the Year award for 2016 Discursive and non discursive interventions in the political arena are heavily mediated by various acts of translation that enable protest movements to connect across the globe Focusing on the Egyptian experience since 2011 this volume brings together a unique group of activists who are able to reflect on the complexities challenges and limitations of one or more forms of translation and its impact on their ability to interact with a variety of domestic and global audiences Drawing on a wide range of genres and modalities from documentary film and subtitling to oral narratives webcomics and street art the 18 essays reveal the dynamics and complexities of translation in protest movements across the world Each unique contribution demonstrates some aspect of the interdependence of these movements and their inevitable reliance on translation to create networks of solidarity The volume is framed by a substantial introduction by Mona Baker and includes an interview with Egyptian activist and film maker Philip Rizk With contributions by scholars and artists professionals and activists directly involved in the Egyptian revolution and other movements *Translating Dissent* will be of interest to students of translation intercultural studies and sociology as well as the reader interested in the study of social and political movements Online materials including links to relevant websites and videos are available at <http://www.routledge.com/cw/baker> Additional resources for Translation and Interpreting Studies are available on the Routledge Translation Studies Portal <http://cw.routledge.com/textbooks/translationstudies> **Whispers of the Dead** Spencer Kope, 2025-09-23 A series of bizarre murders the victims nearly unidentifiable forces FBI tracker Steps Craig to match wits with the most cold blooded killer he s ever encountered There has been a murder but not only is the identity of the victim unknown most of the body itself is missing All that s been found is a pair of feet stored in a portable cooler and left in the house of a Federal judge in El Paso Texas The killer apparently broke into the judge s house left his grizzly message and disappeared without a trace With no clues as to the killer the person killed or the intent behind the cooler all the authorities really know is that this likely isn t the killer s first or his last victim Magnus Steps Craig is an FBI agent and an elite tracker easily the best in the world Steps is renowned for his incredible ability to find and follow trails over any surface As part of the three man special team FBI s Special Tracking Unit STU he is called in on cases where his skills

are indispensable But there s a secret to his skill Steps has a kind of synesthesia an ability that allows him to see whatever each particular person has touched in a unique color what Steps calls shine His ability is known to only a few people his father the director of the FBI and his partner Special Agent Jimmy Donovan While the Special Tracking Unit tries to grapple with the gruesome scene in El Paso they soon discover another earlier victim Once again only the feet in a disposable icebox were left behind With almost no clues besides the body parts Steps and his team find themselves enmeshed in the most difficult case of their careers And The Icebox Killer has only just begun

Idaho Emily Ruskovich, 2017-01-03 LOS ANGELES TIMES BESTSELLER A stunning debut novel about love and forgiveness about the violence of memory and the equal violence of its loss from O Henry Prize winning author Emily Ruskovich WINNER OF THE PACIFIC NORTHWEST BOOK AWARD WINNER OF THE DUBLIN LITERARY AWARD NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BUZZFEED Ann and Wade have carved out a life for themselves from a rugged landscape in northern Idaho where they are bound together by more than love With her husband s memory fading Ann attempts to piece together the truth of what happened to Wade s first wife Jenny and to their daughters In a story written in exquisite prose and told from multiple perspectives including Ann Wade and Jenny now in prison we gradually learn of the mysterious and shocking act that fractured Wade and Jenny s lives of the love and compassion that brought Ann and Wade together and of the memories that reverberate through the lives of every character in Idaho In a wild emotional and physical landscape Wade s past becomes the center of Ann s imagination as Ann becomes determined to understand the family she never knew and to take responsibility for them reassembling their lives and her own FINALIST FOR International Dylan Thomas Prize Edgar First Novel Award Young Lions Fiction Award You know you re in masterly hands here Emily Ruskovich s language is itself a consolation as she subtly posits the troubling thought that only decency can save us Ruskovich s novel will remind many readers of the great Idaho novel Marilynne Robinson s Housekeeping A wrenching and beautiful book The New York Times Book Review Editors Choice Sensuous exquisitely crafted The Wall Street Journal The first thing you should know about Idaho the shatteringly original debut by O Henry Prize winner Emily Ruskovich is that it upturns everything you think you know about story You could read Idaho just for the sheer beauty of the prose the expert way Ruskovich makes everything strange and yet absolutely familiar San Francisco Chronicle Mesmerizing an eerie story about what the heart is capable of fathoming and what the hand is capable of executing Marie Claire Idaho is a wonderful debut Ruskovich knows how to build a page turner from the opening paragraph Ft Worth Star Telegram

Roger, 2013-01-11 Roger examines how developments in new media technologies such as the internet blogs camera video phones have fundamentally altered the way in which governments militaries terrorists NGOs and citizens engage with images He argues that there has been a paradigm shift from techno war to image warfare which emerged on 9 11

Beggars and Thieves Mark S. Fleisher, 1995-08-01 As the incidence of violent crime rises in the United States so does

the public demand for a solution But what will work Mark S Fleisher has spent years among inmates in jails and prisons and on the streets with thieves gang members addicts and life long criminals in Seattle and other cities across the country In *Beggars and Thieves* he writes about how and why they become and remain offenders and about the actual role of jails and prisons in efforts to deter crime and rehabilitate criminals Fleisher shows with wrenching firsthand accounts that parents who are addicts abusers and criminals beget irreversibly damaged children who become addicts abusers and criminals Further Fleisher contends that many well intentioned educational and vocational training programs are wasted because they are offered too late to help And he provides sobering evidence that many youthful and adult offenders find themselves better off in prison with work to do medical care a clean place to sleep regular meals and stable social ties than they are in America s cities Fleisher calls for anti crime policies that are bold practical and absolutely imperative He prescribes life terms for violent offenders but in prisons structured as work communities where privileges are earned through work in expanded productive industries that reduce the financial burden of incarceration on the public But most important he argues that the only way to prevent street crime cut prison growth and reduce the waste of money and human lives is to permanently remove brutalized children from criminal addicted and violent parents *Dark Nights 2: Resurrection* Christopher A.

Raymond,2017-04-21 *Women Photographers and Feminist Aesthetics* makes the case for a feminist aesthetics in photography by analysing key works of twenty two women photographers including cis and trans woman photographers Claire Raymond provides close readings of key photographs spanning the history of photography from nineteenth century Europe to twenty first century Africa and Asia She offers original interpretations of well known photographers such as Diane Arbus Sally Mann and Carrie Mae Weems analysing their work in relation to gender class and race The book also pays close attention to the

way in which indigenous North Americans have been represented through photography and the ways in which contemporary Native American women photographers respond to this history Developing the argument that through aesthetic force emerges the truly political the book moves beyond polarization of the aesthetic and the cultural Instead photographic works are read for their subversive political and cultural force as it emerges through the aesthetics of the image This book is ideal for students of Photography Art History Art and Visual Culture and Gender **Beyond the Nixon Shocks** Thomas

Zeiler,2025-11-13 In 1971 President Nixon shocked the world with a series of announcements and policies that changed the political landscape at home and shifted the bases of international power abroad From newly opened diplomatic channels with China to unilateral monetary and trade reforms this book argues that the so called Nixon Shocks transformed not only America but the international economic security political and cultural arenas Zeiler shows how along with events such as the release of the Pentagon papers and oil crises the United States foreign and domestic policies of the 1970s indicated the coming of a new world order Providing a snapshot of these key moments as the Cold War waned and new powers rose *Beyond the Nixon Shocks* highlights America's role in this era of globalization tumult and uncertainty and explores how they were received on the global stage This book helps us to understand not only the impact of the global 1970s on world affairs but how events and policies made half a century ago have shaped our modern age Divine Doppelgängers Collin

Cornell,2020-03-16 The Bible says that YHWH alone is God and that there is none like him but texts and artwork from antiquity show that many gods looked very similar In this volume scholars of the Hebrew Bible and its historical contexts address the problem of YHWH's ancient look-alikes providing recommendations for how Jews and Christians can think theologically about this challenge Sooner or later whether in a religion class or a seminary course students bump up against the fact that God the biblical God was one among other comparable gods The ancient world was full of gods including great gods of conquering empires dynastic gods of petty kingdoms goddesses of fertility and personal spirit guardians And in various ways these gods look like the biblical God Like the God of the Bible they too controlled the fates of nations chose kings bestowed fecundity and blessing and cared for their individual human charges They spoke and acted They experienced wrath and delight They inspired praise All of this leaves Jews and Christians in a bind how can they confess that the God named YHWH was and is the true and living God in view of this God's profound similarities to all these others The essays in this volume address the theological challenge these parallels create providing reflections on how Jews and Christians can keep faith in YHWH as God while acknowledging the reality of YHWH's divine doppelgängers It will be welcomed by undergraduates studying religion seminarians and graduate students of Bible theology and the ancient world and adult education classes *Bon'S Echo* Patricia T Runyon,2012-06-14 Two runaway teens struggle to make it together on the

streets facing obstacles and adventures They go from city to city with the constant fear of being brought in by the police Feeling frustrated and alone Christy a restless young teen strikes out on her own Fleeing a town and family she can't seem to

fit into Christy hitch hikes to Denver to hide out at her uncles house A short lived freedom when in the middle of the night her parents arrive to drag her back home Despite their efforts she barely escapes by hopping a train in the dark Fate lands Christy in the arms of a boy named Bon another runaway She introduces herself to him as Echo and soon a romance buds between them Determined not to return to their previous lives they head for the coast getting by however they can Pan handling hitching on the open highways and enduring every conflict and adventure together After years the two runaways realize that sometimes life is about making hard choices Bon and Echo vow that they will find each other again one daybut only time will tell what fate has in store for them Get Your Knee Off Our Necks Bruce E. Akande,2022-01-04 The death of George Floyd on May 25 2020 and the ensuing trial of Derek Chauvin for murder a year later has rubbed raw the bloodiest stain on the United States history and its world reputation The nine minutes and 29 seconds during which Chauvin s knee crushed the spark of life out of Floyd was not unusual in the history of the United States Before the U S Civil War slaves were routinely beaten to death for disobeying orders or running away then often lynched In roughly two centuries Blacks have achieved nominal freedom But as this book s opening chapter and expert essays that follow indicate freedom has been conditional based on inequity of wealth social and legal discrimination None of this is new in the United States what is new is the number of people rising up in protest a figure in the millions around the world after Floyd s murder This book supplies a readable scholarly account of recent issues in race and racism in the United States that will be useful for general readers undergraduate students and their professors It will be useful in many fields including Black studies other ethnic pursuits United States history law criminal justice intercultural communication et al The work contains a powerful historical narrative followed by several important essays on subjects including George Floyd s murder the rise of the Black Lives Matter movement and many other victims of systematic racism Borders and Border Politics in a Globalizing World Paul Ganster,David E. Lorey,2005 Borders represent an intriguing paradox as globalization continues to leap barriers at a vigorous pace merging economies and cultures through world trade economic integration the mass media the Internet and increasingly mobile populations At the same time the political boundaries separating peoples remain pervasive and problematic Borders and Border Politics in a Globalizing World offers a carefully selected group of readings to enhance student understanding of the complexities of border regions The reader brings together key writings on the histories of borders their social development their politics and the daily life that characterizes them The authors place their analyses of these issues in an international context stressing how borders influence and how they are influenced by global processes The selections provide a window on our current understanding of human interactions at and along national and interethnic boundaries interactions that will characterize borders and border politics for decades to come Drawing on a worldwide set of case studies this text divides border issues into seven thematic categories borders as barriers borders migrants and refugees borders and partitioned groups borders perceptions and culture borders and the environment borders

goods and services and maritime and space borders An excellent text for courses on boundaries ethnicity and international relations this collection of cutting edge information and analysis on borders and border politics in the context of ongoing globalization will shed light both upon international and subnational boundaries and upon the unfolding processes of globalization or decades to come Drawing on a worldwide set of case studies this text divides border issues into seven thematic categories borders as barriers borders migrants and refugees borders and partitioned groups borders perceptions and culture borders and the environment borders goods and services and maritime and space borders An excellent text for courses on boundaries ethnicity and international relations this collection of cutting edge information and analysis on borders and border politics in the context of ongoing globalization will shed light both upon international and subnational boundaries and upon the unfolding processes of globalization or decades to come Drawing on a worldwide set of case studies this text divides border issues into seven thematic categories borders as barriers borders migrants and refugees borders and partitioned groups borders perceptions and culture borders and the environment borders goods and services and maritime and space borders An excellent text for courses on boundaries ethnicity and international relations this collection of cutting edge information and analysis on borders and border politics in the context of ongoing globalization will shed light both upon international and subnational boundaries and upon the unfolding processes of globalization or decades to come Drawing on a worldwide set of case studies this text divides border issues into seven thematic categories borders as barriers borders migrants and refugees borders and partitioned groups borders perceptions and culture borders and the environment borders goods and services and maritime and space borders An excellent text for courses on boundaries ethnicity and international relations this collection of cutting edge information and analysis on borders and border politics in the context of ongoing globalization will shed light both upon international and subnational boundaries and upon the unfolding processes of globalization

Architecture and Spectacle Gevork

Hartoonian,2012 Focusing on six leading contemporary architects Peter Eisenman Frank Gehry Bernard Tschumi Zaha Hadid Rem Koolhaas and Steven Holl this book puts forward a unique and insightful analysis of neo avant garde architecture It discusses the spectacle and excess which permeates contemporary architecture in reference to the present aesthetic tendency for image making but does so by applying the tectonic of theatricality discussed by the nineteenth century German architect Gottfried Semper In doing so it breaks new ground by opening up a dialogue between the study of the past and the design of the present

Football and Popular Culture Stephen R. Millar,Martin J. Power,Paul Widdop,Daniel

Parnell,James Carr,2021-05-17 Football is ubiquitous and a permanent fixture of modern life More than a sport it frequently manifests in broader popular culture This book examines the significance of football for and in popular culture across a wide

range of forms including music film and social media Football and Popular Culture plots a new path in Football Studies drawing on original research in countries including England Brazil Germany Canada and Yugoslavia The book includes both historical and contemporary perspectives exploring some of the most important themes in the study of sport and culture including identity nationalism fandom and protest It presents diverse case studies ranging from sonic violence among Brazilian torcidas organizadas to fanled commemoration of the Munich air disaster which together help us to better understand the intersection of sport society and popular culture This is fascinating reading for any student or researcher working in sport studies cultural studies media studies sociology or contemporary history **Kurt Cobain** Christopher

Sandford,2013-05-23 In this compelling biography Christopher Sandford explores the full inside story of Kurt Cobain From the disruptive childhood which had such a crucial impact on Cobain s personality to the ambitious career musician who as a friend said lunged for success and the worldwide breakthrough of Nirvana s Nevermind Sandford also writes about Cobain s stormy marriage to Courtney Love his heroin addiction and how he became more and more of a recluse Finally he writes of the crisis when in April 1994 Cobain turned a shotgun on himself and became a martyr for disaffected youth The result is a saga of success and corruption which John Peel has called the ultimate rock and roll morality story **Nirvana FAQ** John D. Luerssen,2014-03-01 Nirvana FAQ traces the band from its genesis to its end Founded by friends Kurt Cobain and Krist Novoselic Nirvana had a rocky start and a succession of drummers but by the end of 1990 its debut album Bleach had garnered international attention and the group s sixth drummer Dave Grohl had joined the fold Following its mentors Sonic Youth to Geffen Records Nirvana had hoped for modest success Instead came unexpected wealth and fame on the strength of 1991 s Nevermind and its iconic breakthrough single Smells Like Teen Spirit Success didn t sit well with Cobain who began to numb the stresses of rock stardom with heroin Despite 1993 s hit album In Utero Cobain s unhappiness became increasingly apparent His suicide in April 1994 shocked the music world and put an end to a band at the height of its popularity Nirvana FAQ answers such questions as What guitar teacher did Cobain and Novoselic have in common Where did Cobain record his first demo What was the cause of his first arrest How was second guitarist Jason Everman hired and fired What was the name of Grohl s first band and where did he meet Cobain and Novoselic Who is Teen Spirit about How did Nirvana s war with Guns N Roses begin And more
