Long Lone Showdown:

Son of Manitou Albert R. Booky, 1987 Romance adventure and history mingle in this exciting story of early days when the control of the American West was still unsettled Indians outlaws mountain men and settlers all play their part in these dramatic events told from the viewpoint of one family and in particular Sam Sidwell a young hunter and trapper who anticipated the changes that were to come about after the Civil War Albert R Booky was an educator writer and historical researcher His books Apache Shadows Hacienda and The Buckskins are also published by Sunstone Press Apache Shadows was noted as not only being a first class adventure story but one based on solid historical facts **The Western** Jeffrey M. Wallmann, 1999 Wallmann's sweep through the western is a careful incisive and blessedly non-theoretical examination of the implications of the western from the beginning to the present taking the reader deep into the heart of the subject and offering original and perceptive theories of how the western reflects the evolution of America BOOK JACKET **No Limit Holdem** Paul Ratchford, My biggest strength at the poker table is my ability to adapt in real time to my opponents Exploitive No Limit Holdem was written not just to help you understand advanced NLHE theory but more importantly to help you apply that knowledge exploitively at the poker table I focus more on the attacking side of poker than the defending side In many ways I feel like a good defense will come naturally for those who have a good offense If you understand how and why you are targeting an opponent you will also notice when you are the mark When you finish reading this book I am confident that you will be a better player Wherever possible I try to give you real world examples of the concepts I am discussing Theory without applications is useless and I recognize that my readers need more than just theory to help them improve Included in Exploitive No Limit Holdem is an extensive discussion of how to improve you red line the mental game math expected value game theory and risk management Very little in poker is solved and that makes teaching the game challenging Exploitive No Limit Holdem focuses not only on how to fix leaks in your game and attack opponents weaknesses but also on how you can keep growing as a player after reading this book Exploitive No Limit Holdem can help you deepen your understanding of No Limit Holdem which will enable you to adapt and stay profitable in a dynamic and rapidly changing **The Whole Story** John E. Simkin, 1996 This work is the only comprehensive guide to seguels in industry like poker English with over 84 000 works by 12 500 authors in 17 000 sequences The Lone Wolfe Series: Origins Alwin John De Gala, 2014-07-23 John Wolfe San Miguel isn t an ordinary teenager While most teenagers only deal with school and their personal life Wolfe has to deal with the complexities of teenage life while facing one more thing mysteries Whether it s finding his kidnapped friend clearing his name and finding a stolen painting or solving a murder that has personal ties to him Wolfe will put his mind to solving the case and capturing the culprit all while living with school work and of course crushes For every detective there is a beginning The Lone Wolfe Series Origins How to Win at Gambling Avery Cardoza, This new revised edition is easy to read book and packed with explanations that show beginning and experienced players the rules bets
