recognized as America's most brilliant jazz writer the winner of many major awards including the prestigious National Book Critics Circle Award and author of a highly popular biography of Bing Crosby Gary Giddins has also produced a wide range of stimulating and original cultural criticism in other fields With *Natural Selection* he brings together the best of these previously uncollected essays including a few written expressly for this volume The range of topics is spellbinding Writing with insight humor and a famously deft touch he offers sharp edged perspectives on such diverse subjects as Federico Fellini and Jean Renoir Norman Mailer and Ralph Ellison Marlon Brando and Groucho Marx Duke Ellington and Bob Dylan horror and noir the cartoon version of *Animal Farm* and the comic book series *Classics Illustrated* Giddins brings to criticism an uncommon ability long demonstrated in his music writing to address in very few words an entire career so that we get an in depth portrait of the artist beyond the film book or recording under review For instance Giddins offers a stunning reappraisal of Doris Day who he terms the coolest and sexiest female singer of slow ballads in film history He argues eloquently for a reconsideration of the forgotten German language novelist Soma Morgenstern In a section on comedy he offers fresh perspectives on the three great silent film stars Chaplin Keaton and Lloyd while resurrecting the legendary Jack Benny and reevaluating the controversial Jerry Lewis There's also a memorable look at Bing Crosby's film career he calls Crosby's blockbuster *Going My Way* a neglected masterpiece and a close examination of Marcel Carne's beloved *Children of Paradise* Of course Giddins also supplies excellent commentary on jazz major and underrated figures and especially the uses of jazz in film A wonderful gathering of little known treasures *Natural Selection* will broaden the perception of Gary Giddins as one of our most important cultural critics

Shadow Ops: Control Point Myke Cole, 2012-01-31 Lieutenant Oscar Britton of the Supernatural Operations Corps has been trained to hunt down and take out people possessing magical powers. But when he starts manifesting powers of his own, the SOC revokes Oscar's government agent status to declare him public enemy number one. *In Capra's Shadow* Ian Scott, 2014-10-17 Because screenwriter Robert Riskin spent most of his career collaborating with legendary Hollywood director Frank Capra, Riskin's own unique contributions to film have been largely overshadowed. With five Academy Award nominations to his credit for the monumental films *Lady for a Day*, *Mr. Deeds Goes to Town*, *You Can't Take It with You*, *Here Comes the Groom*, and *It Happened One Night* for which he won the Oscar, Riskin is often imitated but rarely equaled. In *Capra's Shadow: The Life and Career of Screenwriter Robert Riskin* is the first detailed critical examination of the Hollywood pioneer's life and work. In addition to being one of the great screenwriters of the classic Hollywood era, Riskin was also a producer and director, founding his own film company and playing a crucial role in the foundation of the Screen Writers Guild. During World War II, Riskin was one of the major forces behind propaganda filmmaking. He worked in the Office of War Information and oversaw the distribution and later production of films and documentaries in foreign theaters. He was interested in showing the rest of the world more than just an idealized version of America; he looked for films that emphasized the spiritual and cultural vibrancy within the U.S., making charity, faith, and generosity of spirit his propaganda tools. His efforts also laid the groundwork for a system of distribution channels that would result in the dominance of American cinema in Europe in the postwar years. Riskin's postwar work included his production of the 1947 film *Magic Town*, the tale of a marketing executive who discovers the perfect American small town and uses it for polling. What Riskin created onscreen is not simply a community stuck in an antiquarian past; rather, the town of Grandview observes its own traditions while at the same time confronting the possibilities of the modern world and the challenges of postwar America. Author Ian Scott provides a unique perspective on Riskin and the ways in which his brilliant, pithy style was realized in Capra's enduring films. Riskin's impact on cinema extended far beyond these films as he helped spread Hollywood cinema abroad and articulated his vision of a changing America. *In Faulkner's Shadow* Lawrence Wells, 2020-08-10 What happens when you
