Long Walks And Intimate Talks:

Long Walks and Intimate Talks Grace Paley, Vera B. Williams, 1991 A combination of short stories poems and thirty watercolors celebrates peace and the dignity of ordinary lives from Third World ghettos to New Hampshire while denouncing the horror and waste of war Pillow Talk Jason Alexander Ottley, 2010-09-03 If you are single chances are you are at a place where you are tired of settling and you are finally ready to find the man or woman of your dreams However is your approach getting you closer to your goal or are you just spinning your wheels Pillow Talk exposes methods singles employ in their attempt to secure lasting love And while the dating game is nothing new the rules of engagement have become much more complex In his book Ottley exposes the futile paradox of enlisting short term approaches to long lasting love Carefully exposing hidden thought patterns and motives of the heart Ottley dismantles the faulty premise that dating is built upon Then like a master craftsman Ottley carefully and candidly lays bare the steps towards how singles can develop a fulfilling rewarding and reciprocal relationship that is well worth the wait **Begin Again** Grace Paley, 2014-07-15 The collected poems some never previously published of one of our best loved most respected authors Combining Grace Paley's four previous collections and new unpublished work Begin Again traces the career of this direct attentive never predictable poet Whether she describes the vicissitudes and pleasures of life in New York City or the hard beauty of her adoptive rural Vermont whether she celebrates the blessings of friendship or protests against social injustice her poems brim with the compassion and tough good humor that have made her stories and essays famous Literary Sisterhoods Deborah Heller, 2005-02-11 Building on scholarship such as feminist criticism that has contributed to an awareness of the distinctive perspectives on female experience revealed in women's writing Heller reveals how women authors construct their female protagonists quests for creative self expression By situating these narrative journeys in their own times and cultures Literary Sisterhoods shows how they contribute to a common tradition that speaks to readers today Just As I Thought Grace Paley, 2014-10-14 This rich and multifaceted collection is Grace Paley's vivid record of her life As close to an autobiography as anything we are likely to have from this quintessentially American writer Just As I Thought gives us a chance to see Paley not only as a writer and troublemaker but also as a daughter sister mother and grandmother Through her descriptions of her childhood in the Bronx and her experiences as an antiwar activist to her lectures on writing and her recollections of other writers these pieces are always alive with Paley's inimitable voice humor and wisdom *Jewish American Poetry* Jonathan N. Barron, Eric Murphy Selinger, 2000 A rich and provocative overview of Jewish American poetry The Politics of Motherhood Alexis Jetter, Annelise Orleck, Diana Taylor, 1997 Essays and interviews explode the myth of apolitical motherhood by showing how 20th century women have politicized their role as mothers in a wide range of social contexts
