Night of the Long Knives

Did you know?

The owner of Ernst Röhm's favourite sausage restaurant in Munich was arrested on 30 June 1934 and hours later murdered in Dachau.

Timeline

24 FEBRUARY 1934

Adolf Hitler orders the SA to become subordinate to the Reichswehr. SA leader Ernst Röhm agrees but privately vows to defy the command.

20 APRIL 1934

Hermann Göring transfers control of the Gestapo to SS chief Himmler, while the latter quietly restructures his organisation into a force independent of the SA.

17 JUNE 1934

Vice-Chancellor von Papen speaks at Marburg University against SA camps. His subsequent threat of resignation marks the end of the Nazi government.

30 JUNE 1934

Hitler arrives at the Hotel Hanselbauer in Bad Wiessee. Röhm is arrested along with the SA leadership and taken to Stadelheim Prison in Munich.

Bones on the Ground Elizabeth O'Maley, 2015-08-14 What happened to the Indians of the Old Northwest Territory Conflicting portraits emerge and answers often depend on who's telling the story with each participant bending and stretching the truth to fit their own view of themselves and the world This volume presents biographical sketches and first person narratives of Native Americans Indian traders Colonial and American leaders and events that shaped the Indians struggle to maintain possession of their tribal lands in the face of the widespread advancement of white settlement It covers events and people in the Old Northwest Territory from before the American Revolution through the removal of the Miami from Indiana in 1846 As America's Indian policy was formed and often enforced by the U S military and white settlers pushed farther west some Indians fought the white intruders while others adopted their ways In the end most Indians were unable to hold their ground and the evidence of their presence now lingers only in found relics and strange sounding place names

Voices in the Drum
 R. David Edmunds, 2023-10-24 The history of indigenous peoples in North America is long and complex Many scholarly accounts now rely on statistical data to reconstruct this past but amid all the facts and figures it is easy to lose sight of the human side of the story How did Native people express their thoughts and feelings and what sources of strength did they rely on to persevere through centuries of change In this engaging narrative acclaimed historian R David Edmunds combines careful research with creative storytelling to give voice to indigenous individuals and families and to illustrate the impact of pivotal events on their lives A nonfiction account accompanies each narrative to provide necessary historical and cultural context Voices in the Drum features nine stories each of which focuses on a fictional character who is a composite or representation of historical people This series of portrayals takes the reader on an epic journey through time beginning in the early 1400s with the Mound Builder cultures and ending with the modern day urbanization of Native people Along the way we observe fictional characters interacting with real historical figures such as Anthony Wayne Tecumseh and John Sutter and taking part in actual events such as the Battle of Fallen Timbers the Trail of Tears the California gold rush and the forced removal of Native children to off reservation boarding schools The people portrayed in these pages belong to various tribes including Potawatomis Lakotas Oneidas and Cherokees Their individual stories ranging from humorous to tragic give readers a palpable sense of how tribal peoples reacted to the disruptive changes forced on them by European colonizers and U S government policies Both entertaining and insightful the stories in this volume traverse a range of time periods events themes and genres As such they reverberate like voices in the drum inviting readers of all backgrounds to engage anew with the rich history and cultures of indigenous peoples
