Long Road To Delano:

Long Road to Delano Sam Kushner, 1975 *The Ingenious Simpleton* Delia Méndez Montesinos, 2013-12-05 This book analyzes the role of the theatrical simpleton in the pasos of the sixteenth century playwright Lupe de Rueda in Mario Moreno's character Cantinflas and in the esquiroles of the 1960s Actos of the Teatro Campesino Spanning multiple regions and time periods this book fills an important void in Spanish and theatrical studies **César Chávez** Kathlyn Gay, 2017-07-15 César Chávez is best known for uniting Mexican American farmworkers and for his efforts to obtain civil rights for his people He followed the nonviolent methods of Mahatma Gandhi and Martin Luther King Jr A dedicated stubborn religious leader Chávez stuck to his cause in spite of tremendous obstacles With numerous documented quotes from Chávez union members and even Pope Paul VI the Chávez story recounts his difficult early life and how he inspired countless people to advocate for farmworker justice Students will be guided through their reading with a glossary of important words a timeline and references for further reading on the topic **The Rhetorical Career of Cesar Chavez** John C. Hammerback, Richard J. Jensen, 2003-04 Although born into one of the least powerful segments of American society César Chávez led the farm labor movement to unprecedented heights His powerful effect on audiences is well known but award winning scholars John C. Hammerback and Richard J. Jensen offer the first explanation of how Chávez achieved that effect Although other studies of Chávez exist none has examined so thoroughly his rhetoric nor analyzed in depth such a large number of Chávez's own texts scores of which have previously been unstudied Chávez was an indefatigable speaker writer and non discursive communicator who developed a well thought out approach to his rhetorical discourse and placed his speaking and writing at the very center of his career By merging thought and character in his themes arguments and explanations and in his first and second personae Chávez was able to identify with the character of his listeners That identification induced many audience members to support Chávez's agenda for union activism The authors have developed a model to help explain Chávez's startling transformation of some audiences and persuasion of others Hammerback and Jensen reveal that Chávez's world view motivated him to work tirelessly and directed him to the particular rhetorical qualities and techniques that characterized his discourse The authors also demonstrate Chávez's surprising effectiveness as a rhetor despite his soft spoken style uncharacteristic of most powerful orators *Little Manila Is in the Heart* Dawn Bohulano Mabalon, 2013-06-17 A history tracing the growth of Stockton California's Filipina or American community the birth and eventual destruction of the neighborhood of Little Manila and recent efforts to remember and preserve it **The Eagle Has Eyes** José Angel Gutiérrez, 2019-03-01 This book is the first of its kind to bring transparency to the FBI's attempts to destroy the incipient Chicano Movement of the 1960s While the activities of the deep state are current research topics this has not always been the case The role of the U S government in suppressing marginalized racial and ethnic minorities began to be documented with the advent of the Freedom of Information Act and most recently by disclosures of whistle blowers This book utilizes

declassified files from the FBI to investigate the agency's role in thwarting Cesar E Chavez's efforts to build a labor union for farm workers and documents the roles of the FBI California state police and local police in assisting those who opposed Chavez Ultimately *The Eagle Has Eyes* is a must read for academics and activists alike **The Original Writings of Philip Vera Cruz** Sid Amores Valledor, 2006 Philip's works and thinking has a transnational character an important contribution to Filipino American history provides a window to the world of the manongs who were exploited by the agribusiness industry and growers as well as to the roots of their militancy enjoyed reading it very much Estella Habal Ph D Asian American Studies San Jose State University An insightful look into a philosophical and international mind and how his experiences influenced his political perspective that guided his actions The writings are relevant to the problems of today albeit in a different form highly recommend reading *The Original Writings of Philip Vera Cruz* Jovina Navarro Ph D Psychologist Counseling Services San Jose State University *Latina Issues* Antoinette Sedillo López, 2020-08-11 This book attempts to make Latina history visible and Latina voices heard It focuses solely on women not to marginalize Latina stories but to showcase them illustrating Latina perspectives on colonization gender race and class *A Dolores Huerta Reader* Mario T. García, 2008 This is the first book to focus on the life of labor and social justice advocate Dolores Huerta through her own writings articles about her and a recent interview with editor Mario Garcia *Cesar Chavez* Richard Griswold del Castillo, Richard A.
