Long Walk Home:

The Long Walk Home Will North, 2007-08-14 When forty three year old Fiona Edwards first sees the lanky backpacker striding up the lane toward her award winning farmhouse bed and breakfast in the remote mountains of North Wales she is puzzled She is used to unexpected strangers but few arrive on foot The man to whom she opens her door is middle aged unshaven sweat soaked and arrestingly handsome What neither of them knows at that moment is that their lives are about to change forever American Alec Hudson has carried the ashes and the memory of his late ex wife Gwynne all the way from London's Heathrow Airport honoring her request that he scatter them atop a mountain they had climbed together years before the same brooding peak whose jagged cliffs rise to the sky from the back pastures of Fiona's farm But the weather doesn't cooperate and as Fiona and Alec wait for it to clear they are drawn together by mutual loss longing and the miracle of love at midlife On the day he finally reaches the summit Alec is caught in a vicious hailstorm As he struggles to descend he stumbles upon the body of a man he recognizes from a photograph at the farm it is Fiona's ailing and reclusive husband David and he is close to death Will North's debut novel *The Long Walk Home* is a story about grief and hope about love and loss and about two people struggling with the agonizing complexities of fidelity to a spouse to a moral code to each other and to a passion neither thought would ever appear again By turns lyrical and gripping set amid a landscape of breathtaking beauty and unpredictable danger this is a story you will not soon forget For news reviews and a visual walking tour visit WillNorthOnline.com From the Hardcover edition

The Tribe Joseph Deaton, 2017-05-17 This road trip is a moving human record tragic poignant and humorous A true account which follows an attempt to cope with changing culture where everything is being short circuited While appearing to be a simple tale there is hidden sophistication It is a story of the first magnitude The narrative sweeps through history with camouflaged complexity In places it is a dreadful miasma filled with anger bitterness and pain from the physicist explanation of where humanity fits into the scheme of things to the small Japanese child who asks repeatedly the strangers fleeing toward the River Platte after the bomb fell why is it dark again so early in the day Exploring the intersection between science religion and culture the reader is forced to think

deeply as it interrupts the long communion of our own desires when we cannot refuse to accept some of its insights With candor the tale takes one through the five stages of grief moving back and forth in time in a no holds barred fashion told by the very people who lived it Brace yourself for their passage into trouble is brutal and stark The tribe is the remnants of a long line the long column of English Knights Their solutions melt into a gripping tale that flows like a river into the heart of every person who has a family for every family has a tribe around it A special touch of this tour de force is the haunting undercurrent of a search for love among ruins P S The Tribe can be more fully understood as a part of a trilogy The Life and Crimes of Bug Tussle is the second part The trilogy was withdrawn in consideration for Angus Deatons after he was nominated for a Nobel prize for his work in economics
