Baby Daddy Disorder Jameca Falconer, PhD,2014-11-12 I see many examples of how the children have not been made a priority in many African American families It seems that many African American men are content to produce children and then simply walk away from most if not all of the financial emotional and psychological responsibilities that serve as the foundation of parenting Baby Daddy Disorder is a reality check on what is terribly wrong in the African American community Families are the core of every issue that plagues our community Alcoholism obesity and poor health economic hardship

education crime and violence are just a few elements that need improvement within the African American community Each one of these elements could be tackled more strategically if families were intact or if parents could work together as a team to ensure success for their children It s been said that It takes a village to raise a child Even if grandmother aunts and uncles create and work in the village father s need to step up man up and get up so that they can fulfill their role in the village Baby Daddy Disorder is a reality check on what is terribly wrong in the African American community Families are the core of every issue that plagues our community Alcoholism obesity and poor health economic hardship education crime and violence are just a few elements that need improvement within the African American community Each one of these elements could be tackled more strategically if families were intact or if parents could work together as a team to ensure success for their children It s been said that It takes a village to raise a child Even if grandmother aunts and uncles create and work in the village father s need to step up man up and get up so that they can fulfill their role in the village Single Mother Jane Juffer,2006-04 Describes the recent cultural valorization of the single mother who in the midst of demographic changes in the U S has emerged as the unlikely heroic and seductive voice of the new American family Drawing on her own life as a single mother interviews with dozens of other single mothers cultural representations and policies on welfare immigration childcare and child custody Juffer analyzes this contingent acceptance of single mothers Finally critiquing the relentless emphasis on self sufficiency to the exclusion of community Juffer shows the remarkable organizing skills of these new mothers of invention from publisher information *Recovery Zone Volume 2* Patrick Carnes,2021-10-19 The process of therapy and treatment means stepping into an unfamiliar new world with very different perspectives processes and even its own language at ties The goal of this extraordinary world is to repair restructure and build the internal structures to cope with losses trauma dysfunction toxic stress and addiction The first of the Recovery Zone series focuses on the often painful and difficult internal tasks for that transition This first book in the series by Patrick Carnes is already regarded as a classic and has been a durable best seller for the past decade The second volume is now here and Dr Carnes helps with the issue of now that I know all of this what do I do How to translate the inner transformation into my everyday world I have discovered the real me but what does that mean for me to integrate ideas and skills with my relationships work values lifestyle and be happy Much has been written about overcoming trauma grief dysfunctional relationships and the sinkholes of the various addictions The sequel of Recovery Zone provides real answers about how to stay in the zone when traumatic events toxic stress and easy access to escape surrounds you The goal must be an Ultimate To Do List so you do not miss out on the life you want and feel a genuine call to do Core to this platform is a resilience built on ten master skills and thirty operational strategies that users describing as defining passage into a new life The joke about life being what happens when you are on the way to do something else has little reality at the end of this second volume Dr Carnes is widely known for his personal sharing his warm and engaging stories and his ability to weave complex science into something that everyone can use These materials have evolved with the
